No. 1052-D.7/1949-2, dated 18th April, 1949.

Sir,

Sub:- Madras Record Office - Access to
 Sri T. S. Devarajan - Permission.

29877

I enclose an application which I have received from Sri T. S. Devarajan a stipendiary research student, with the recommendation of the Professor of Economics of the Presidency College, Madras, requesting permission to have access to records from 1880-1947 relating to the subject of his research "Factory Labour in the Madras Presidency".

2. According to the rules governing the access of the public to the records in this office for purposes of bonafide historical research the sanction of Government is necessary for examining the records subsequent to 1856. The Government have recently in their letter No. 50040/48-4-C2 Education, dated 5-2-1949 to the Secretary to the Government of India, Ministry of Education, stated that they agree with the view expressed in my letter No. 1707-D.7/48-1, dated 26-7-1948 that the confidential records which are more than 50 years old may also be thrown open to research students. The student may therefore be permitted to consult the originals of both the series up to 1898. As, however, the originals of the records of the last fifty years are not open to research, being current records, he cannot be permitted to consult the originals of records subsequent to 1898. But can be permitted to consult the copies of the records placed at the disposal of the press after 1898.

3. The student, it will be seen, requires permission to consult the records upto 1947. But, as the records subsequent to 1944 have not yet been transferred to this office he can examine papers placed at the disposal of the press only upto 1944. I recommend that the necessary permission may kindly be granted subject to the restrictions mentioned above.

4. If the Government grant the permission, care will be taken to see, as usual, that only the papers relating to his subject are placed at his disposal and that the notes taken down by him are scrutinised to see that they do not contain any objectionable material. The research will be subject to the general rules governing access to records contained in G.O.No.58 Finance, dated 5-2-1932. *not put up*

Yours faithfully,

W. V. V. V. V.
