Sir,

Sub: Madras Educational Service - Professor of Civil
Engineering, College of Engineering, Guindy - Temporary
Appointment of Sri V.Kalyanaraman - Regularization
of

Ref: Government Memo. No.88279-A.1-Edn dated 26-11-1948.

With reference to G.O.No.2035 Edn dated 15-8-1948

Sri V.Kalyanaraman, an approved probationer in the category of
Instructors, joined duty as temporary Professor of Civil
Engineering, College of Engineering, Guindy on the afternoon of
22-8-1948. I have already reported to Government in reply to
their telephonic message (by post) dated 24-5-1948, his quali-
fications, practical training and experience. In indicating
therein the order of merit among the three Professors (Sri N.R.
Sitapati, Sri P.R.Ramaswami and Sri V.Kalyanaraman) I have
placed Sri V.Kalyanaraman above the other two. His qualifications
etc. though not identical with those prescribed in the special
rules for appointment to the post of Professor of Civil Engineer-
ing, can be considered equivalent to them.

2. Sri V. Kalyanaraman possesses only a B.E. degree
of the University of Madras but not the diploma in Civil
Engineering of the College of Engineering, Guindy, with
honours nor has he had "practical training and experience in structu-
ral Engineering and reinforced concrete for not less than five
years". Having been deputed by the Government for advanced
studies overseas in Civil Engineering, he has obtained the
M.A. Sc. degree of the Toronto University (Canada) and is
also an Associate Member of the American Society of Civil
Engineers. In view of these foreign qualifications, he may
be considered to possess academic qualifications equivalent
to those prescribed in the special rules.

3. He has had considerable practical training and
experience for about four years from 1934 to 1938 though not
in structural Engineering and reinforced concrete - vide the
detailed statement already submitted to Government. Further
he has recently visited and studied various Engineering projects
in America and United Kingdom, and Sri V.Kalyanaraman may
therefore, be considered to possess the required requisite prac-
tical training and experience.

4. I may add that Sri V.Kalyanaraman has both
the preferential qualifications (viz. practical Training
and experience in irrigation works, and teaching experience)
mentioned in the rules. He was in charge of irrigation works
while employed in the Ramnad Estate. He has gained considerable
teaching experience by reason of his service from 1938 onwards
as Laboratory Assistant and Instructor in Civil Engineering in
the College of Engineering, Guindy.

5. The

5. The qualifications etc. of Sri V. Kalyanaraman can be considered equivalent to those prescribed in the special rules. I therefore recommend that Government may be pleased to relax the provisions of rule 6(a) of the Special Rules in his favour and to declare him as having been regularly appointed to category 2 of class V (Professors - Engineering Colleges) with effect from the afternoon of 22-8-1948.

Yours faithfully,

K. S. Narayana Sw

for Director of Public Instruction.

To The Secy., P.O.S. (with encl.)

Sir, N.E.T. - Sri V. Kalyanaraman, Temp. Prof. of Civil Engg. - Encl.

I am to forward L/w. copy of the letter of no. 88279A, dt. 3.1.49, and also details of the qualifs. possessed by Sri V. Kalyanaraman refd. to herein, ~~as has been offg. in Ref. of Civil Engg. in the N.E.T. under the emergency provisions and to request that the Commission will kindly offer its remarks as to whether the officers' qualifs. can be considered to be equivalent to those prescribed for the Profs. of Civil Engg. in the Spl. Rules for the N.E.T.~~

From
Sri C. Krishnamoorti Chetty,
Secretary, Public Instruction
Comm., Madras-8.

To
The Secretary to the Government of
Madras, Education and Public Health
Department, Madras-9.

No. 1168-C1/49-1, dated 12-3-1949.

Sir,

Qualification - M.A.Sc. degree of the Toronto University
and Associate Member of the American Society of Civil
Engineers - Whether equivalent to the qualifications
prescribed for the post of Professor of Civil Engineer-
ing of the College of Engineering, Guindy - Your letter
No. Ref. 88279-A/48-2-Edn., dated 17-2-1949.

I am to say that though the qualifications of B.E. (Madras)
and M.A.Sc. (Toronto) possessed by Sri V. Kalyanaraman taken
together may be considered as equivalent to the Diploma in
Engineering with Honours of the College of Engineering, Guindy,
the practical experience possessed by him cannot in the Com-
mission's opinion be considered as equivalent to the practical
experience prescribed in the rules.

In view however of the considerations set out in the
Director of Public Instruction's letter No. C.L.No. 57/48, dated
3-1-49 in favour of this candidate and of the policy of the
Government as laid down in G.O. No. 1685, Edn., dated 2-9-48
with regard to the appointment of Government sponsored scholars
who are not fully qualified the Government may, if they deem fit,
consider the question of relaxing the relevant rules in favour
of Sri Kalyanaraman so as to render him eligible for appointment
even though, in a strict sense, his practical experience may not
be equivalent to the practical experience prescribed.

Yours faithfully,

C. Krishnamoorti

Secretary.

From the D.P.I., No.57/48, dated 3-1-1949.
From the Secretary, M.P.S.C., No.1168-C1/49-1, dated 12--3--1949.

Sub:- M.E.S. - Sri V.Kalyanaraman, officiating Professor of Civil Engineering - Regularization of appointment.

Sri V.Kalyanaraman is an approved probationer in the category of Instructors in the M.E.S., in the College of Engg., Guindy. The Govt. sent him, on study leave terms, to the U.S.A. for higher studies. On his return to India last August, he was promoted as Professor of Civil Engg. The promotion was ordered temporarily, under the emergency provisions in the rules, pending a detailed examination of his qualifications.

2. The D.P.I. has now proposed the regularization of Sri Kalyanaraman's temporary promotion as Professor. He considers the academic and practical qualifications of the officer as equivalent to those prescribed in the rules for the Professorship. The M.P.S.C. agrees that Sri Kalyanaraman's academic qualifications (B.E. - Madras and M.A.Sc. - Toronto) are equivalent to "the Madras B.E. degree and the Guindy College Engg. Diploma with Hons." laid down in the rules. It does not, however, hold that his practical training and experience are equivalent to the practical training and experience for five years, required by the rules. But it suggests, that in view of the Govt.'s policy to appoint overseas-returned scholars, though they do not satisfy the practical qualifications, after relaxing the rules in their favour, and in view also of the various factors advanced by the D.P.I. in Sri Kalyanaraman's behalf, the question of relaxation of the qualification rule to enable his regular appointment may be taken up.

3. Though the Director's view is as at M above, his actual recommendation is for the relaxation of the rule first and for the regularization of the appointment thereafter. There were cases in the past, where the rule regarding practical experience was relaxed for the promotion.
