Sub:--ESTABLISHMENT--Rajah's College Tiruvadi--Sri A.C. Panchapagesa Sastri Professor--Re-employment after retirement-sanction requested.

Sri A.C. Panchapagesa Sastri, Senior Nyaya and Mimamsa Professor Rajah's College of Sanskrit and Tamil studies, Tiruvaiyar is to retire from service from the forenoon of 1.4.1949 on completing the age of 55. He has put in a petition requesting that his services may be extended at least for a year and that he may be allowed to continue in the service without break (A copy of the petition is enclosed).

2. The Vice Principal in charge of the College states that the Professor is remarkably efficient in the Sastras especially Mimamsa and recommends that his prayer may be granted.

Under rule 14 of the Rules relating to establishment under District Boards, no officer or servant of a District board in superior service shall be retained in service after he has attained the age of fifty-five years provided that nothing contained in this rule shall apply to the employment in the public interest, with the previous sanction of Government for a period not exceeding one year at a time, of persons who have retired from the service of the local body. As the previous sanction of Government has to be obtained for re-employment of the Professor, I have issued orders retiring him on 1.4.49 and I propose to re-employ him from the day of reopening of the College after the summer vacation if Government approve this proposal.

3. I request that Government may be pleased to accord sanction for the reemployment of the Professor Sri A.C. Panchapagesa Sastri for a period of one year from the date of reopening of the College after the summer vacation.

C. No. 90/49

2. I am a Professor of Nyayamimamsa. I have also got certificates in Literary Criticism and Indo-European Philology. I have devoted my service here for about thirty years with full satisfaction to the authorities without remarks. I have had an experience of teaching not only in Mimamsa but also in Sahitya and Nyaya.

3. I have also had an opportunity to be in charge of the Principal for several times and done the duties of the same with full confidence.

4. I am strong in health that I can serve for some more years and satisfy the authorities.

5. I humbly beg to state that it is absolutely impossible to seek appointment elsewhere and it is much difficult to maintain the family in these hard days especially for the retired man..

I pray that in consideration of my service, work, health, and the hard days of living, I request you to extend my service for two years or at least one year and to allow me to continue in the service without break.

Awaiting for your kind orders.
