In answer to a supplementary to this question, I answered that no closure of any of the schools either Muslim or general, is contemplated. I do not think there is any proposal to do so. If there is any such proposal, that need not be given effect to without specifically putting it up before me.

Number of schools in the Madras City.

* 700 Q.—SRI K. BRAHMANANDAM REDDI: Will the Hon. the Minister for Education be pleased to state—

- the number of high schools and elementary schools that exist in the Madras City;
- of these how many are State-managed and how many are run by private managements;
- the number of these schools where there is provision for instruction in all the four regional languages;
- the number of high schools and elementary schools where there is provision for teaching Telugu; and
- the number of schools where Telugu was abolished?

THE HON. SRI T. S. ANNASWAMY CHETTIYAR:—

"(a) to (e) A statement^a furnishing the information required is laid on the table."

^a Printed as Appendix I on page 1000 infra.

[10th February 1949]

SRI K. BRAHMANANDAM REDDI:—" May I know, Sir, whether a committee was appointed to go into the question of abolition of Telugu in schools and have they submitted a report and, if so, may I know whether the Government would be pleased to place the report on the table of the House? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" A committee was appointed but to go into the matter of facilities for teaching Telugu to children; that committee has reported and it has been referred to the Director of Public Instruction and as soon as his remarks are received, the Government will take whatever action is necessary."

SRI B. PARAMESWARAN:—" Will the Hon. Minister be pleased to state whether it is not a fact that in the City of Madras in several schools there are only Telugu teachers but no students? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" If the hon. Member points out any specific case, the Government will take whatever action necessary in the matter."

ABDUL HAMEED KHAN SAHIB BAHADUR:—" May I know if the Government have any statistics of the number of Telugu children of school-going age in the City of Madras? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" Such statistics are not usually taken for secondary schools. For elementary schools some statistics are being taken but for secondary schools they are not taken."

BEGUM SULTAN MIR AMIRUDDIN:—" May I know whether the Government have any proposal to close down any high school in Madras City? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" Not to my knowledge; but if the hon. Member refers to the Muslim Boys' or Girls' schools, we have no such proposal."

SRI S. NAGAPPA:—" Arising from the statement of the Hon. Minister may I know, Sir, why the Telugu Girls' schools have been neglected; there are no elementary schools in which there is provision for Telugu? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" There is nothing like neglecting teaching of Telugu; certainly there are high schools in which Telugu is being taught."

SRI K. BRAHMANANDAM REDDI:—" Out of eight high schools managed by the Government and local bodies and 201 elementary schools managed by the Government and local bodies, there is provision for Telugu in one high school and in thirty elementary schools, there is provision for Telugu? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" I am afraid the hon. Member has not read the statistics properly. There is provision for Telugu in two high schools, one maintained by the Government and another by the

[10th February 1949]

Corporation. As for private managed high schools, there is provision for Telugu in 19 boys' schools and 12 girls' schools."

P. K. MOIDEEN KUTTY SAHIB BAHADUR:—" May I know whether in the City of Madras there are any schools where there is provision for teaching Malayalam? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" That question does not arise out of the main question, Sir."

SRI S. NAGAPPA:—" We find with reference to answer to clause (d) only high schools have provided for Telugu for girls while there are 68 elementary schools for boys; may I know why this disparity, Sir? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" The elementary schools are serving the purposes of both boys and girls."

SRI B. S. MURTHI:—" Three years ago, several of the girls' high schools in the City of Madras had Telugu sections and they were thriving well but now most of these schools have closed down the Telugu sections; may I know whether the Hon. Minister will enquire into the matter."

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" I do not like to pre-judge the Report of the Committee; I have not gone through the Report myself and it has been sent to the Director of Public Instruction. Previously the medium of instruction was English and when it was so, there was no difficulty and no difference arose on account of the sections, whether it be Tamil, Telugu, Malayalam or Kannada or Gujarati. Now that the medium of instruction has been changed to the regional languages, some difficulty has been felt where the number of Telugu children was in a minority and it is to meet that difficulty and find ways of solving that the Committee was appointed and the Government will do all that they can to provide facilities for Telugu children in the matter of their instruction on receipt of the reply from the Director of Public Instruction."

ABDUL HAMEED KHAN SAHIB BAHADUR:—" Arising from the answer of the Hon. Minister to the effect that the Government have abolished distinctions of girls or boys' schools so far as elementary schools are concerned, do the Government realize that it is impossible for lady teachers to work alongside men teachers so long as they observe purdah? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

" In girls' schools which are maintained for girls, they are all lady teachers and it is possible for lady teachers to work there. It is not as the hon. Member suggested."
