Please see L.A. Question No. 1572 at page 1 c.f. The proceedings of the All-India Educational Conference held in Mysore in December 1948 have not been received.

As for the question of full fee concession to the children of teachers in all stages of their education the following remarks are called for. At present children of (1) women teachers in Govt. employ, (2) women teachers in Govt. services transferred to the services of local bodies with the institutions in which they were serving and (3) women teachers in the services of local bodies are eligible for full fee concession. This concession is allowed only in institutions under local bodies. For eligibility to this concession the income of the teacher together with the income, if any, of her husband should not exceed Re. 100 a month and that

in the case of a widow the income should not exceed Rs. 75 a month. A suggestion that the concession allowed to children of women teachers should be extended to the children of male teachers also was considered by Govt. previously and negatived. The proposals made by certain municipal councils and district boards to allow the concession to the children of all teachers were also considered by Govt. and negatived. It may also be mentioned in this connection that Govt. recently turned down a proposal to grant educational concessions to children of Govt. employees getting a pay of Rs. 100 and below a month. There is a proposal separately under consideration to grant fee concession to the children of all elementary school teachers in the province. A note for the informal meeting of the H.Ms. has been circulated in this connection and the decision of H.M.s is awaited. A draft answer is submitted for approval. *may be circulated to H.M. (Edn).*

* 861 Q.—BEGUM SULTAN MIR AMIRUDDIN: Will the Hon. the Minister for Education be pleased to state whether the Government intend to implement the resolution passed by the All-India Educational Conference held in Mysore in December 1948 calling upon all Governments to give full fee concession to the children of teachers in all stages of their education?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“The Government have not yet received a copy of the resolution passed by the All-India Educational Conference held in Mysore in December 1948.”

BEGUM SULTAN MIR AMIRUDDIN:—“In view of the fact that elementary school teachers are poor and are in dire need of relief, will the Government consider the desirability of granting full fee concession to the children at least of elementary school teachers, if not of all teachers?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I am very much in sympathy with the suggestion. Just now we are unable to consider it. I hope that in better times, we will be able to consider it favourably.”
