Govt. Consider that there
is no objection to granting
educational concessions under
rule 92 of the MER to medical
graduates who undertake post-
graduate courses such as B.S.Sc,
D.O., D.L.O., D.R.O. etc. provided
these graduates are not engaged
in earning their living. In the
case of graduates who are ^{while undergoing the post-graduate course} ~~actual~~

actually earning an income
~~during the post-graduate course~~
 the concession may be denied
 if their earnings together with
 those of their parents exceed
 the ~~prescribed~~ ^{income} limit ^{provided} under
 rule 92 of the M.E.R.

MADRAS EDUCATIONAL RULES - Rule 92 - Gr.
 concessions to post-graduate students in
 Colleges.

From the Surgeon-General, No.107490-Res.2/4
 dated 30-11-1948.
 From the D.P.I., Roc.100 E4/49, dated 19-2-1949.

Please see the letter from the S.G. at p.1 c.1
 and the remarks of the D.P.I. at p.5 c.f. The
 S.G. enquires whether medical graduates studying
 for post-graduate degrees and diplomas such as
 B.S.Sc., D.O., D.L.O., D.G.O., T.D.D., etc., are
 eligible for fee concession under Rule 92 of
 M.E.R. The D.P.I. merely states that students
 in University classes in medical colleges are
 eligible for fee concessions under rule 92 of
 the M.E. read with rule 4 of the M.E.R.

Attention, in this connection, is invited
 to the decision which this Govt. have taken in
 the case of a scheduled class student who was
 studying in the M.L. class in the Law College,
 Madras. The student in this case, was, however,
 a practising lawyer earning an income. But the
 main argument adopted was that as the student
 had already taken his B.L. degree with the edu-
 cational concessions granted by Govt. and was
 in a position to earn he was not entitled for
 the concession for his M.L. degree (which was
 undertaken by him presumably for professional
 advancement). On the same analogy perhaps the
 medical graduates who undertake Post-graduate
 courses such as B.S.Sc., D.O., D.L.O., D.G.O.,
 T.D.D., etc. need not be granted the concessions
 under rule 92 of the M.E.R.

The question for consideration is whether accord-
ing to Section 92 girls in all institutions and boys
belonging to backward classes, Harijans and Muslims
should be allowed the fee concessions in respect of
post graduate courses over and above the courses
required to qualify them to earn a living. In the
case of a student reading for his M.L. Degree it was
not held that the concession should apply as he was
already earning Rs 300. This Department has proposed
and Finance has agreed that this precedent should be
applied generally to all post-graduate courses. I
am of the view (1) that the decision contravenes rule
92 which applies to all Arts and Professional colleges
without any reference to the courses and (2) that the
argument that the candidate is capable of earning
his living can apply at any stage because if logically
pressed there is no reason why a candidate should not
stop at the middle or high school and earn his living.
The fact that the candidate elects to take a higher
degree instead of seeking employment is evidence that
he has no employment suitable to his qualifications
and expectations.

I would therefore press that the concession may
be allowed according to the provisions of the section
except to candidates engaged in earning their living
in which case if their earning together with those
of their parents exceed the limit fixed, the concession
may be denied.
