My dear Santhanam,

I am herewith sending you a copy of the letter which I have sent to the Hon'ble Minister for Railways, Sri N. Gopalaswami Ayyangar. Before the war, concession was given to school children for excursions. This concession has been withdrawn in the last few years. The present reorganisation of education contemplates that the children must be taken out on excursions for more practical studies. This will be a great boon if this concession is given to them. I shall be glad if you will kindly do whatever is possible.

Yours sincerely,

Hon'ble Sri K. Santhanam, Minister of State for Transport and Railways,

Dear friend,

I am glad to see in the papers that you have taken up
the important portfolio of Railways.

Everywhere I go, children are asking for the restora-
tion of the concessions that were given to them for educa-
tional tours. It will be a great boon if these concessions
are restored. I shall be glad if you will kindly look into
the matter and do the needful. I shall be grateful for an
early reply.

Thanking you,

Yours sincerely,

Sd. T.S. Avinashilingam.

SIR,

Sub: Educational tours and ~~extra~~ excursions - Restoration
of the issue of concession tickets - Requesting.

In enclosing herewith copies of the letters from the Correspondent, Concordia High and Training School, Ambur dated 28/9/1948 and the reply of the Chief Commercial Manager, M & S M. Railway thereto I have the honour to state that under the reorganised scheme, educational tours are part of the school activities both in the secondary and Training schools and a concession in all state Railways will go a long way to encourage such tours. I therefore request that the Government may take up this matter with the Central Government and move the Railway Board to restore the concessions which were being granted to school children for educational tours and which were withdrawn during the war period.

Yours faithfully,

A. M. S.

GOVERNMENT OF INDIA.

(RAILWAY BOARD.)

Delhi, 25th March, 1949.

The Hon'ble Minister for Education,
Government of Madras,
Education and Public Health Department,
Fort St. George,
MADRAS.

Dear Sir,

Subject: Educational tours and excursions -
Restoration of the issue of concession
tickets.

With reference to your letter dated 1st October, 1948,
on the subject mentioned above, I am directed to state that
the Board have carefully considered your proposal. While
they agree that these educational tours are very desirable,
they regret that, until the present serious position
regarding overcrowding in trains improves materially,
Railways would not be justified in taking action calculated
to attract additional passengers. However, the Board
trust that the position may improve sufficiently by
April, 1950, to permit of consideration being extended
to the revival of this concession then.

Yours faithfully,

S. S. Ramasubban
(S.S. Ramasubban),
SECRETARY, RAILWAY BOARD.
