R.C.No. 1497-(22) L.1/47 dated 23rd February 1948.

Sir,

SUB: Exemption from the operation of Rule 10 of E.R. on behalf of Mrs. Dorothy Tyagaraj, Offg. Music Mistress, Government Secondary and Training School for women, Karur - REQUESTING.

I have the honour to state that the Inspectress

of Girls' Schools, VIII Circle, Tanjore appointed one Mrs. Dorothy Tyagaraj on probation as music teacher in the Government Secondary and Training school for women, Karur. The sight of her left eye was lost by an accident-thrust of a comb into it in the eleventh year of her life and as such she is now found unfit for appointment in the public service as music mistress. It is stated by the Surgeon General that according to para 318, Civil Medical Code Vol. I, 4th edition, a candidate who has one eye which is sound but whose other eye is diseased and is of no use whatever, should not be declared fit for Public Service. In this connection, it is submitted that Mrs. Dorothy Tyagaraj is only a Music Mistress and not a class teacher. Her one eye which is sound is quite sufficient to enable her to discharge her duties satisfactorily. Her services are essential to the institution and as such I consider this as a deserving case.

I, therefore, recommend that she may be exempted from the operation of rule 10 of the E.R. and she may not be required to produce the medical certificate prescribed therein.

Please say whether ~~such~~ similar exemption has been granted in any other case, and if so, please refer to the orders.

G 24/4/48

The indices for a few years have been looked into, but no case where such an exemption has been granted is traceable. It seems doubtful whether in the face of 'A' at present, an exemption as recommended by the D.P.S. can be granted. The D.P.S. may be asked to refer to cases where if any where such exemptions have been granted. The draft above is for approval.
