To

The Secretary, Legislative Assembly,
Madras.

Dated Calcutta, the 26th July 1948

Sir,

Supply of Acts of the Provinces under Indian Dominion
to the Library of the Legislature on exchange basis.

I am directed to address you on the subject referred to above and to state that two copies each of the Provincial Acts are required to be kept in the Library of this Legislature for use of the members. It is accordingly proposed that the same number of copies of the Acts of this Province can be supplied to the Library of other Provincial Legislature under Indian Dominion on exchange basis provided your Government are agreeable to supply the same to this Library on similar condition.

I am therefore to request you to kindly convey at an early date the decision of your Government in the proposal referred to above and to furnish this Department with the name and address of the Library or Department of your Province to which copies of the Acts of this Province are to be sent, if the above proposal is found acceptable to your Government.

Yours faithfully,
Secretary to the West Bengal Legislative Assembly.

No. 2200 L.A.

From

A. R. Mukherjea, Esq., M.Sc., B.L.
Secretary to the West Bengal Legislative Assembly.

To

The Secretary to the Government of Madras.
Education & Public Health Department, Madras.

Dated Calcutta, the 19th November, 1948.

Sir,

Subject :- Supply of Provincial Acts to the Library of West
Bengal Legislature on Exchange basis.

With reference to your letter No. 61658 G/48-3 Education dated the
2nd November, 1948 I am directed to state that this Department is quite
distinct from the Legislative Department of this Government to which Madras
Acts are supplied on Exchange basis in pursuance of the Government Order
referred to in the letter under reply and as such a separate arrangement
has been proposed to be made for supply of Provincial Acts to the Library
of the West Bengal Legislature under the system of mutual Exchange.

The need of making a separate arrangement is being felt in view
of the fact that supply of Provincial Acts to this Department is essential
for use of the members of the Legislature and that the Acts supplied to
the Legislative Department are meant for the exclusive use of that Depart-
ment.

In the circumstances, I am to request you kindly to consider
the above proposal and to communicate the decision of your Government
in the matter to this Department at your earliest convenience.

Yours faithfully,
