Whenever a medical officer considers an officer under his charge to be in such a state of health as to require leave he will, with the cognizance of the head of the department, forward the prescribed certificate and a statement of case to the office of the Surgeon-General with the Government of Madras with a view to his being brought before a Medical Board.

A medical officer, who may be called upon to grant a certificate to an officer when absent from his appointment, will—*except in case of emergency*—require the officer to obtain a statement of his previous medical history from his authorized medical attendant. When, under similar circumstances, an extension of sick leave is required, the medical officer in attendance will request the sick officer to procure a copy of the medical statement on which the original leave was granted.

Medical officers on leave at hill stations are prohibited from granting certificates to officers residing there to enable them to appear before a Medical Board. Such certificates will only be granted by the regularly appointed local medical officer.

The case of an insane officer recommended to be sent to Europe, or to an asylum in India, will be specially considered by the medical officer drawing up the medical history, and by the Medical Board with a view to distinct recommendations being inserted by both as to the necessity for a servant, or other escort, or any special accommodation being provided for him *en route*.

Medical officers should follow the rules prescribed in the Mental Hospital Code, for the grant of certificates to the Mental patients, and for their admission in any of the Government Mental Hospitals at Madras, Calicut and Waltair.

C.S. M on p.2 C.F.

Edn. and P.H. Dept. (A).

Fin.'s note is evidently based on M at p.2 C.F. which does not state the position fully. If Dr. Andrews had not gone on leave, he would have continued to officiate in the M.E.S. If he had been alive, the officer, on the expiry of his leave, would have returned to the same post in the M.E.S. No actual reversion having taken place before he went on leave, Fin. may say whether the audit ruling mentioned by them has application here.
