Sir,

Education- Secondary - Board High school, Lalgudi-
Appointment of Assistant Headmaster.

The Board High school, Lalgudi is having a strength of over 1,000 and the Headmaster in addition to his duties acts as the Secretary to the Board of Studies and Examiners. He has to make arrangements for prescription of Text books, prepare courses of studies, and arrange for printing of question papers for the common examination for the ten High schools under this District Board. He is much over-worked and to relieve him of a part of his work, I suggest that a senior assistant of the school in the L.T. cadre may be appointed as the Assistant Headmaster who may be paid an allowance of Rs. 150 15/0/0 per mensem so that he may relieve the Headmaster of the extra curricular work. I request that the Government may be pleased to sanction the above appointment as a special case. Instructions may also be issued whether the appointment is to be made from the panel of Headmasters or according to seniority.

Order No. 145 of 21.12.48

The Govt. approve the proposal of the S.O. Trichinapalli, Dt. Board that an Assistant Head Master should be appointed in the Board High School, Lalqudi and that an allowance of Rs. 15/- per mensem should be paid to the Asst. Headmaster in addition to his pay as Assistant.

Note

The proposal is that an Assistant Headmaster should

should be appointed in the Board High School, Lalguni and that a special allowance of Rs. 15/- may be paid to him for administrative duties. The proposal is supported by the D.P.I. It cannot be denied that as the strength of the school is stated to be over 1000, there is bound to be a large volume of administrative work which it may not be possible for one person to cope with.

The proposal may be approved. Subject to order a draft order is submitted for approval. 2. The D.P.I. has suggested that Govt. may authorize such appointments generally in the case of all high schools in which similar conditions prevail. It does not appear that this is necessary as conditions in schools may vary. The case of each high school may be considered on merits, when a representation is made.

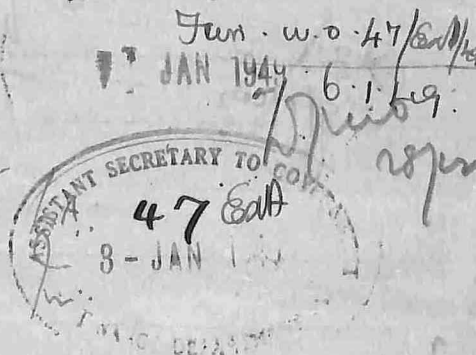

3. That this may see the case, before circulation.

The case relates to the proposal of the Special Officer, Trichinopoly District Board for the appointment of an Asst. Headmaster with a special allowance of Rs. 15/- for the Board High School, Lalguni, in view of the strength of the school which is over 1000 & the large volume of administrative work which has to be done there. The D.P.I. supports the proposal.

No general order for the appointments of such Assistant Headmasters is considered necessary and it is proposed to deal with each case as it arises on merits.

It may see the draft on p. 1 ante, which has been accepted by Finance.
