Sub: Medical Examination - Mrs. G. Conran, Deputy Inspector of schools (women).

B Mrs. G. Conran appeared before me for medical examination this morning (29-7-48). She is suffering from partial deafness. Bone conduction is good but sound conduction is impaired. I think it is due to chronic pharyngitis. I am of opinion that her hearing will improve if her throat condition is treated and if she wears hearing aid appliance. I therefore request you to send her to ENT Specialist, General Hospital, for his opinion. The question of invalidating her does not arise at present.

In my tour in the Chingleput Dt., I met the Deputy Inspectors and the Junior Deputy Inspectors in Conference yesterday at Conjeevaram. Among the Dy. Inspectors and the Junior Dy. Insprs., I saw an Anglo-Indian lady by name Mrs. Conran, Dy. Inspector (Women) Conjeevaram. She does not know Tamil and is also deaf. I am really amused ^{to see} how such a person is kept in service and what useful work she does in these circumstances. ~~She is not a candidate for retirement.~~ The D.P.I. may be consulted as to whether she may not be compulsorily retired.

I also found that one Mr. Murthuza ~~RAMA~~, Junior Dy. Inspector of School, Sriperampudur range. His medium of instruction and his language is Urdu. He does not know even to speak good Tamil and such a man is put as Junior Dy. Inspr. of Schools to inspect elementary schools. What he can do by way of inspection will be precious little. I think such candidates should not have been recruited as Junior Deputy Inspectors and now that has been done the D.P.I. may be consulted as to how best he may be disposed of.

Please see the further report received from the D.P.S. about the Conran pp11-12. In the circumstances stated, the matter may perhaps be dropped.

I don't understand this letter of the D.P.S. knowing her as I do, I don't agree with the medical report. If necessary,

she may be asked to be examined by another doctor and the report submitted.

I would like also to know her service. if we find people unsuitable, we may ask them to retire after 25 years. That position may also be examined and put up.

With reference to the minute of 11.11.48 above a draft memo to the D.P.S. is submitted for approval. As regards A above it is noted that if a person is medically unfit for service he can be retired even earlier. However this point will be examined further in after the D.P.S. report is read.

will have to be framed against her as laid

The late H.M. desired to remove Mrs. Conran on the
ground that she did not know Tamil and that she is deaf.
In respect of her deafness, the D.M.O. and the Superin-

reported that she is fit to continue in service.
In respect of knowledge of Tamil, the question is hardly
relevant after 28 years of service. No further action
