There was a lot of supplementaries over the delay in fixing the number of Pandits and Munshis for the first and second grade colleges. Since the original order was issued, it is nearly now 2 years and it is really something very strange that we have not been able to fix the number of Pandits and Munshis for the colleges.

I know it is connected with the fixing of various grades ~~of~~ but that could not cause us so much delay. The matter may be considered and put up at once.
