No. S.B.C/367-49, dated 20th April, 1949.

Sir,

Sub: Sri T.S. Jayaram, Reader, Government Press -
 Alteration in date of birth - Requested.

I have to state that Sri T.S. Jayaram, a permanent Reader of this office has applied to me to have his date of birth altered in his Service Book from 1-7-1894 to 18-10-1895. He has produced a copy of the birth certificate from the Corporation of Madras in support of his application.

2) He was first entertained as Day Extra Reading boy on 1-7-1913 and is a permanent Reader from 1-3-1932. He states that he is the only son of his father and that two female issues after him died within a month they were born. In the birth certificate also, it is shown as first male child.

3) The applicant has further stated that he has not insured his life with any Life Insurance Company and the age furnished by him when he appeared for the Proof Reading (Lower) Examination in 1930 is 30 years, which does not concur with the date of birth entered in the Service Register or that found in the certificate produced by him.

4) In the circumstances stated above, I request that Government would be pleased to alter the date of birth from 1-7-1894 to 18-10-1895 as required under para 6 of Annexure II, Part III Subsidiary Rules under Rule 74(a) - IV of F.R.
