From the Director of Public Instruction, Madras.

Enclosed please find one copy of Rep 85-132/Edn. dated 3.2.50 submitting the budget estimate of Edn. Fund. 1949-50 (Supplemental).

To

The Secretary to Government, Education (Public Health)

NOTE TO THE COUNCIL.

I present herewith the revised budget for 1948--49 and the budget estimate for 1949--50. Provision has been made for all obligatory items of expenditure.

REVISED BUDGET FOR 1948--1949.

The general account ordinary opened with a balance of Rs. 1,71,272. It is expected to close with a balance of Rs.28,024 at the end of 1948--49. The fall is due mainly to the heavy programme of capital works already undertaken by the Council aggregating Rs. 2,62,610 of which not less than Rs. 2,34,760 has to be borne by the general revenues against Rs. 50,000 contemplated by the original budget. A contribution of Rs. 24,260 has been proposed to the electricity accounts to defray the cost of acquisition of the Electricity stores and a sum of Rs. 15,000 has been temporarily advanced to meet the outstanding liabilities pertaining to that account. It isproposed to be got back in 1949--50. The contribution to the Elementary Education account has been raised by about Rs. 8,000 to meet the increased expenditure under that account. Thus a large slice of the general revenues has been diverted for capital purposes.

Though G.O. No. 2786, P.H., dated 13--8--48 contemplated the recovery of the estimated cost of improvements to the Kathalampatty extension in 6 annual instalments beginning from 1948--49, no action has been taken yet towards recovery. As the cost has to be estimated and approved by the Council and written agreements have to be taken from the owners of properties in the area before commencing the recovery no credit has been taken in the Town Planning account in 1948--49 on this account. Consequently, Rs. 5,505 has to be contributed from the General account to the Town Planning account All these have contributed to the steep fall in the budgetted closing balance.

Consequently, no provision could be made for the followin items:--

(1) Investment of Rs. 50,000 as per Resolution No. 923 dated 30--11--48,
(2) Extension of the office building as proposed in the origi budget,
(3) Filling up of the Pulugan Urani estimated to cost about Rs. 40,000 (An alternative proposal has been sent t Government),
(4) Erection of temporary sheds for the High School as per Resolution No. 633 dated 20--9--48 and
(5) Opening of a Maternity and Child Welfare Centre with di pensary as per Resolution No. 796 dated 20--10--48.

BUDGET ESTIMATE FOR 1949--50.

General Account Ordinary. The year is expected to open with a balance of Rs. 28,024 and close with Rs. 17,844 against th minimum balance of Rs. 19,098 prescribed by rules. The ordinary income is short of the ordinary expenditure by Rs. 10,180 as Rs. 60,300 has been transferred to the capital account besides Rs. 40,070 to the other accounts. The receipts and charges amou respectively to Rs. 2,82,316 and Rs. 2,92,496. The only new item expenditure proposed is under avenues. A long-range programme tree planting is under preparation. It is proposed to make a beginning in 1949--50. Increased credit has been taken under tax on carts, carriages and animals in view of Resolution No. dated 30--11--48.

GENERAL ACCOUNT CAPITAL. It has not been possible to provide for any capital work from out of the general revenues except the following:--

(a) Installation of the bust of Mahatma Gandhi Rs. 3,000;
(b) Cement-Concreting the Railway Feeder Road Rs. 11,000;
(c) Cement-Concreting the Ramamurthi Road Rs. 20,000;
(d) Acquisition of land for the construction of a choultry for the poor Rs. 25,000.

Items (a) and (b) are works in progress.

Item (c): This is an obligatory item.--Vide correspondence ending with Government Memorandum No. 451, Firka Development, VI-47-7, dated 12--4--48. The Council has already realised Rs. 19,150 from the sale of the old building, which will have to be refunded to Government, if another choultry is not provided.

Besides these, a sum of Rs. 20,000 is provided towards the construction of a building for the High School from out of the endowment available for the purpose. The work is, therefore, not a charge on general revenues. The Council may apply for a half grant from Government.

LIGHTING AND ELEMENTARY EDUCATION ACCOUNTS.

Provision has been made in these accounts for the barest minimum.

WATER SUPPLY AND DRAINAGE ACCOUNTS. Provision is made for the construction of a store-room (Rs. 5,000), improvements to the Ramamurthi Road drain (Rs. 5,000), contribution to the Public Works Department for the execution of the drainage scheme (Rs. 7,500), and for the acquisition of lands for the sewage farm (Rs.50,000). To meet these expenditure, it is proposed to withdraw Rs. 68,000 from investments. A grant is due from Government on account of the sewage farm acquisition but it will be paid only when the comprehensive drainage scheme is taken up for execution. It is not known when it will be taken up. Hence no credit is taken in the budget.

TOWN PLANNING ACCOUNT. Credit has been taken for Rs. 50,000 towards the first instalment of the cost of improvement works in the Kathalampatti Scheme area to be recovered from the owners of lands. Allotment has been made for the employment of the Special Deputy Collector and his staff until 31--3--1949 and for the employment of temporary staffs for the preparation of the general town planning scheme and disposal of encroachments. The provision of Rs. 1,20,000 under capital in the Revised Estimate is towards the cost of lands acquired or still under acquisition for roads, markets, parks, colony, etc. in the scheme area. To meet this expenditure a loan of Rs. 29,000 has already been got and a further loan of Rs. 72,500 is expected shortly. During 1949--50 roads are proposed to be formed and culverts provided wherever necessary at a cost of Rs. 50,000. Provision is also made for Rs. 20,000 towards enhanced compensation, if any, that may be awarded by court in the land acquisition references made to it.

GENERAL. I invite the kind attention of the Council to paragraph 4 of G.O. No. 369, L.A., dated 1--3--48 passing orders on the last budget. They have advised the taking of loans for financing large capital expenditure. No provision could be made for many of the schemes on hand, for want of funds. The construction of quarters for Municipal officers (for which lands are under acquisition), provision of tenements for Public Health menials extension of the office building, Pulugan Oorani work, and the acquisition of the Siddha Dispensary and Sivankoil Street schools are among the schemes languishing for lack of funds. I suggest that plans and estimates may be prepared for much schemes and grants and loans applied for from Government in 1949--50. I also suggest that the rates of licence fees may be increased and that fees may be levied for all items in schedule V of the Act with a view to secure the minimum closing balance. I also commend for

the consideration of the Council the suggestions of the Deputy Inspector of Local Boards in his inspection notes dated 22--9--48 and to the Collector's remarks on the administration report for 1947--48. The following are their main suggestions:--

(1) Acquisition of bus-stand and markets.

(2) Acquisition of buildings like schools for which rent is being paid. It is not possible, however, to meet the heavy capital cost of these from current revenues. I suggest that, if the Council approves, application may be made to Government for loans and grant for this purpose.

(a) Elementary Education Account: The standard contributions is Rs.4,556 while the contribution approved in the B.E. for 1948-49 is Rs.5000 in addition to the adjustment of a sum of Rs.16,000 from the A.T.C. sanctioned in the current year. The R.E. provides for a contribution of Rs.13,398 (Rs.5,698 ordinary plus Rs.7,700 capital). The amount of A.T.C. proposed to be adjusted to the E.E. Account in the current year is Rs.9,372. The R.E. of the E.E. Account is expected to close with a nil balance. The contribution proposed from the General account for the current year may be restricted to Rs.5000 the amount approved in the B.E. for 1948-49. The E.E. Account for 1948-49 will then close with a deficit of Rs.8,398. The Council can avoid this deficit by adjusting a further sum of Rs.8,398 from the A.T.C. The total adjustment from the A.T.C. will then be Rs.17,770 against Rs.16,000 approved in the B.E. for 1948-49. The contribution proposed from the General account to the Ele.Education account for 1949-50 is Rs.21,595 (Rs.20,295 ordinary plus Rs.1,300 capital) The E.E. account for 1949-50 is expected to close with a nil balance. The contribution proposed for 1949-50 may be allowed to stand pending examination of the Ele.Education Budget.
