SECRETARIAT OF THE MADRAS LEGISLATURE,

Fort St. George, dated the 23-3-1948.

QUESTION No. 406 for the ^{next} meeting of the Legislative Council

to be held on the 19.

The following Press Note has been issued by the Ministry of Public Information, Madras:—

PRESS NOTE.

Dated Fort St. George, the 29th March 1938.

The Principals of Government Colleges are requested, while making selections for admission to all classes in their colleges, to exercise the greatest care in seeing that due representation is given to non-Brahmans, to all minority communities, to Muhammadans, to Scheduled Classes and to women. The fact that candidates from backward communities do not possess equally high marks as candidates from forward communities should not stand in the way of deserving applicants from such communities being given due consideration. In the case, for example, of the Scheduled Classes and of Muslim women, very few of whom ever reach the collegiate standard, special consideration should be shown. In cases of doubt the Principals of Colleges may, if they consider it necessary, refer the cases to the Director of Public Instruction for decision.

Two copies of this question are forwarded to the E and P. H. Department.

The question has been admitted.
