Office of the  
Director of Public Instruction,  
Madras, Dated 21-9-1948.

From The Director of Public Instruction, Madras.

The Secretary to Government,  
Education and Public Health Department

Sri G. Suryanarayana, Assistant Lecturer in Telugu has passed his B.A.(Hons) Degree in Telugu in III class and subsequently got M.A.(Hons) Degree of the Andhra University by research. It is learnt from the Registrar, Andhra University that this M.A.(Hons) Degree by research is a higher qualification than B.A.(Hons) Degree and that M.A.(Hons) degree holder is considered eligible under the standing orders of the Syndicate for appointment as a lecturer in any of the colleges affiliated to the University.

In view of the above qualifications possessed by Sri G. Suryanarayana, I consider that he may be treated as qualified for the post of Assistant Lecturer in Telugu and I request orders whether I may issue orders accordingly.

Yours faithfully,

LVR 23/9/-

MADRAS PUBLIC SERVICE COMMISSION.  
ADDITIONAL BOOK.

Therefore the Govt should frame a factory law ~~that~~ limiting the working hours to eight hours a day. Provision should be made for a decent salary to enable the labourer to run a happy moderate domestic life. The factory owners and other field masters should be instructed to provide with all necessary conveniences to the labourers such as Lavatories, Bathrooms and Canteens. Lastly to grace up all these acts a system of Bonus should also be arranged to be given to the labourers as the best proof of the Company is also due to the hard sweat of the labourers. If all these are looked after cautiously without any misgiving no strike will take place.
