Dated 14th Decr. 1948
may be considered put up

The Hon'ble Minister for Education,
Fort St. George, Madras.

Respected Sir,

We have the honour to bring to your kind notice that the first instalment of the Building Scheme sanctioned by you at an estimated cost of Rs.1,40,000/- actually mounted to Rs.1,75,000/- when tenders were called for. The tender of Messrs. Gannon Dunkerley & Co (Madras) Ltd. for Rs.1,75,000/- was accepted and the construction work was given to them. The ground floor rooms of the building have been constructed and the corresponding first floor rooms are half-way in the course of construction.

With very great difficulty we had raised a sum of Rs.75,000/- before we submitted the building scheme, hoping that it would be approved and that the Government would be pleased to grant the usual 50 per cent of the building estimate amount. But as you are aware, we were only granted Rs.30,000/- . Anyway in the hope that we shall be able to raise monies from friends and well-wishers we ventured upon the construction and through the good offices of Srimathi. M.S.Subbalakshmi, who was pleased to give a Benefit Music Concert recently we have been able to raise a further sum of Rs.37,000/- . There is still a balance of nearly Rs.40,000/- to be found immediately for completing the school building according to the plan approved by the Government. There are a number of other items connected with the building construction, which will require a further expenditure of 10 to 15 thousand rupees. The present masonry building under construction has been designed to accommodate only the High School classes.

Dated 194

--2--

It is also necessary that we have to put up at least Mangalore tiled sheds in order to accommodate the middle school classes in the same site, so that the entire school may be housed in one and the same place. That would mean also additional expenditure.

We understand that the Government have been pleased to revise the scale of building grant from Rs.30,000/- to Rs.35,000/-. May we be permitted to make a request to you to be so good enough as to kindly sanction for us the additional sum of Rs.5,000/. which you have been pleased to give to other institutions. This will go indeed a great way towards enabling us to meet at least a small portion of our large further expenditure. We may assure you that we are exerting our utmost to accommodate all the children in the new buildings and premises early next year, so that the school may be reopened in properly constructed buildings and that more than anything else the health and physique of the children may be safeguarded.

Thanking you,

Yours faithfully,
For The National High School (Girls),
Triplicane

It is also necessary that we have to put up at least
thirteen more tiled sheds in order to accommodate the middle
school classes in the same site, so that the entire school
may be housed in one and the same place. That would mean
also additional expenditure.

We understand that the Government have been pleased
to revise the scale of building grant from Rs. 80,000/-
to Rs. 30,000/-. May we be permitted to make a request
to you to be so good enough as to kindly sanction for us
the additional sum of Rs. 5,000/- which you have been
pleased to give to other institutions. This will go
towards a great way towards enabling us to meet at least
a small portion of our large further expenditure. We
may assure you that we are extremely anxious to
accommodate all the children in the new building and
open it early next year, so that the school may be
reopened in properly constructed buildings and that more
than anything else the health and physique of the children
may be safeguarded.

From the President of the National High School for Girls
Triplicane d/ 14.12.48.

Order No 152 Edn. dated. 21/1/49
Ms

In G.O. No. 771 Edn d/ 5.4.48, sanction was
accorded for the payment of a grant not exceeding
Rs 30,000/- (Rupees Thirty thousand only) towards the
cost of construction of a building for the National
High School for girls, Triplicane. In the circumstances
explained by the President of the managing committee
of the High school, the maximum grant payable to

6
2
towards the cost of the work will be raised from
Rs 30,000/- to Rs. 35,000/- (Rupees Thirty five thousand
only)

Extract from the file relating to increase of grant to Sri Rama-
krishna Mission Vidyalaya High School, Perianaickenpalayam,
Coimbatore.

3031783. (X) 14.12.48
11.12.48
Please see the Finance Dept.'s note on pp.4-5 ante. The
increase of the limit from Rs.30,000 to Rs.35,000 came into force in
June last - p.44 c.f. of (F). If the maximum limit for grant is
raised from Rs.30,000 to Rs.35,000 it will be necessary to allow the
concession in other similar cases. There are 13 schemes costing over
Rs.60,000 in which the raising of the limits already fixed from
Rs.30,000 to Rs.35,000 will be of advantage to the managements. The
extra cost to Govt. by way of additional grant will come to
Rs.61,500. It is for consideration whether the maximum limit may be
raised in all those cases so that they might not be
at a disadvantage as compared with managements which receive
grants according to the revised limit.

The file may be circulated to H.M.(Edn.) and H.M.(Fin.)

The building for this institution has to be completed by
the end of this year and they are in a hurry to have urgent orders
on the matter. I have had a talk over the matter with the Finance
Secretary who was in my room this morning and he has agreed because
of the urgency of this case, this may be allowed now and the rest
may go in for circulation. After orders are issued on this case, the
file may be put up again.

C.No. 94291 From the President, National High School
(Girls) Triplicane d/14.12.48.

Please see the appn. from the President & Founder
Secy. of the National Education Society in regarding to the

raising of the maximum limit for grant for construction of
buildings for the National High School (Girls) Triplicane
from Rs 30,000 to Rs 35,000. This is one of the 13 ~~other~~
items specified in the list at (E). Do avoid such references
to Govt., it seems necessary to raise the maximum limit in
the case of all the schemes mentioned in that list, ^(other than item 13) ~~as suggested at K. overleaf.~~
They be circulated to H.M. (Edu) & H.M. (Fin.)
Finance may see prior to circulation.

Finance (Exp.-A) Deptt.

Please see the extract of notes and orders in cir-
culation on pp.1-2 above.

In the case of Sri Ramakrishna Mission Vidyala
High School, Perianaikenpalayam, the maximum limit of
Rs.30,000 originally fixed for the grant for the building
scheme was relaxed, and grant according to the present
scale, viz., at Rs. 35,000 (maximum) was sanctioned--
please see the orders in circulation and the note of the
Finance Secretary extracted on p.1 above.

E & P.H. now propose to consider twelve other
cases which were promised Rs. 30,000 only originally,
and to sanction revised grants in respect of them. The
extra cost involved is Rs. 56,500. It is submitted that
the case of Perianaikenpalayam was treated as special.
The E & P.H. Deptt. propose that the concession granted
in that case may be applied automatically to all other
cases in order to avoid references to Govt. in respect
of other cases. The reason given by E & P.H., namely
to avoid references to the Govt., can hardly justify the
extension of the concession to all other cases. Each
case will have to be examined in its merits.

Do - do -
30/1/49

In the case of the National High School for Girls,
Triplicane, in the circumstances explained by the Corres-
pondent on pp.1-3 c.f., Finance may agree to the payment of
an additional grant of Rs. 5,000 according to the revised
scale.

The other cases may be considered on merits immediately
as and when representations are received by the Government
from the institutions concerned. If E & P.H. do not agree
to this procedure, they may obtain orders in circulation
including H.M.(Fin.), as the total commitment in giving the
concession to all cases is large.

JAN 1949

Please see the note of the Finance Deptt. above.
They have agreed that to the payment of an additional
grant of Rs 5,000/- to the National High School for Girls
for the construction of school building. Finance have
also suggested that the raising of the maximum limit
of grant ^{from Rs 30000/- to Rs 35000/-} ~~admissible~~ need not be considered as a
general question and that orders may be issued
in respect of other cases on merits as and when
representations are received from the institutions
concerned. This suggestion may be accepted.

A draft order is submitted with reference to 'A'
above. It may be sent to Fin. for acceptance for
to circulation. circulated to H.M. (Edu)
