EDUCATION - Secondary - Reorganisation - Teaching
of English from Forms I to VI instead of from Forms II
to VI - Ordered.

Read: G.O.No.I394 Education, dated the 29th May 1948.

ORDER MS.NO.1531 EDUCATION, dated 13.5.1949.

In paragraph 4 of G.O.No.I394 Education, dated
the 29th May 1948, the Government ordered that English
should be taught compulsorily from Forms II to VI instead
of from Forms I to VI, as recommended by the Board of
Secondary Education and by the Madras and Andhra Univer-
sities, as a new language ^(namely, Hindustani) was to be taught from Form I.
The Government have reconsidered the question and have
decided that the English language should be taught from
Forms I to VI in Secondary Schools instead of from Forms
II to VI as already ordered, so as to enable ^{pupils} students to
acquire sufficient knowledge in the language in the
secondary school stage. The change should be given
effect to from the beginning of the school year 1949-50.

2. The Director of Public Instruction is
requested to issue the necessary instruction to the
managements of schools in regard to the number of periods
to be allotted for the study of the language in Forms
I to VI and the syllabus to be followed.
