R.C.No.433 K3/49

Office of the  
Director of Public Instruction  
Madras, dated, 26th April 1949.

From

The Director of Public Instruction  
Madras.

To

The Secretary to Government  
Education and Public Health Department  
Fort St. George, Madras.

Sir,

Subject:- Schools -- Government Islamiah High School  
Tiruchirapalli -- Continuance of additional  
section and staff -- Employment of an  
additional Physical Training Instructress or  
Instructor -- Sanction -- requested.

Reference:- G.O.Ms.No.1329 Ldn., dated 26-5-48.

Sanction was accorded in the G.O. cited above for the continuance during the current school year of the posts of two secondary grade teachers, one for each of the additional sections in Forms II and III and 3 L.T.Assistants one for each of the additional section in Form IV to VI. The school has two sections - one Urdu and one Tamil - in each of Class V and Forms II to VI. Form I has three sections -- two Tamil and one Urdu. The opening of the 2nd section in class V and the 3rd section in Form I in the current school year was permitted by me and sanction was accorded for the employment of two secondary grade teachers therefor on fixed pay. Class IV was closed from the beginning of the current school-year and the post of the permanent secondary grade teacher released thereby was permitted to be utilised for the 2nd section in Form I. With effect from the next school year, class V will be closed and of the two posts of secondary grade teachers sanctioned for this class - one permanent and the other temporary - the temporary post will cease to exist from the next school year and the permanent post will be available for the use of one of the additional sections in the Form.

The section-wise strength in each of class V and Forms I to VI is as follows:-

|                |                 |
|----------------|-----------------|
| Form VI A : 16 | Form III A : 23 |
| B : 21         | B : 42          |
| V A : 24       | II A : 21       |
| B : 32         | B : 48          |
| IV A : 26      | I A : 31        |
| B : 32         | B : 33          |
|                | C : 35          |
|                | Class V A : 36  |
|                | B : 45          |
|                | ---             |
| TOTAL          | 465             |

The Divisional Inspector reports that during the next school year the continuance of 2 additional sections in Form I, one additional section in each of Forms II to VI and the opening of a 3rd section in Form II, is necessary and requests sanction for the continuance of the additional staff sanctioned therefor..

For one of the additional sections in Form I, the post of a permanent secondary grade teacher released consequent on the closure of class IV is being utilised. One more post of permanent secondary grade teacher will be available with effect from the next school year consequent on the closure of class V. This post may be utilised for the 3rd section in Form I. In the circumstances I request that sanction may be accorded for the continuance for a period of one year from the school year 1949-50, of the three posts of L.T. Assistants one for each of the additional sections in Form IV to VI and two secondary grade teachers sanctioned for the second section in each of the Form II and III. Sanction may also be accorded for the employment of an additional secondary grade teacher for the 3rd section in Form II for a period of one year from the next school year.

The strength of the school is 465 and there is only one Physical Training Instructor in the school. It is reported that the Physical Training Instructor finds it difficult to follow the revised syllabus and maintain all records as he has to handle 3 classes with a strength of 120 in a period. As a Physical Training Instructor is expected to handle only 250 pupils and as the unwieldy strength for a class of physical education viz. 120 now handled by the Physical Training Instructor makes individual attention impossible, I request that Government may be pleased to sanction the employment of an additional Physical Training Instructor in Grade II for a period of one year from the next school-year.

Yours faithfully
