It ^{has been} suggested to Govt. that the

Dated the 23rd November, 1948.

Subject:- States - Banganapalle - Merger with Madras Province - Press and Registration of Books Act - 1867 - and the Indian Copy Right Act 1914 - Application of.

Reference:- Government Memorandum No. 25908/G-3 Edn. dated 13-9-48.

The draft notification enclosed with the reference cited above for the application of the Press and Registration of Books Act 1867 to the merged area of Banganapalle needs no modification and may be issued.

2. As regards the application of the Indian Copy Right Act there will be practical difficulty in the working of the said Acts in view of the present Judicial set up in the erst while State of Banganapalle as submitted below. There are three Courts in Banganapalle, the Munsiff Magistrate's court, the Civil and Sessions Court and the Chief Court. According to Section 13 of the Indian Copy Right Act of 1914, the jurisdiction to file suits has been vested in the High Court or the Court of the District Judge. As such, the Civil and Sessions Court, or the Chief Court of Banganapalle gets jurisdiction for entertaining such suits. This position will become an anomaly in as much as the said courts of the State and the District Court of Kurnool will be having con-current jurisdictions. I therefore submit that the introduction of the Indian Copy Right Act of 1914 may be postponed till the judicial administration in Banganapalle is finally settled.

As regards the extension of the Indian Copyright Act, 1914 (Central Act II of 1914) to the Banganapalle State, attention is invited to section 3 (4) of that Act which provides that in the application of the Copyright Act (1 and 2 Geo.5 C.46) the reference therein to the Patents and Designs Act, 1907 (7 Edw.VII C.29) should be construed as a reference to the Indian Patents and Designs Act, 1911 (Central Act II of 1911). It would therefore appear that the Indian Patents and Designs Act, 1911, should also be extended to the state, if it has not been already extended before the Copyright Act, 1914, is extended. Again, section 13 of the Copyright Act, 1914, provides that every suit regarding infringement of copyright shall be instituted in the High Court or the Court of the District Judge. It is presumed that in cases of infringement of copyright in the Banganapalle State, suits should be instituted in the District Court, Kurnool. E. & P.H. may please say whether this presumption is correct.

Please See the letter from the District Magistrate, Kurnool in p.7 of. The D.M. of Kurnool has stated that the application of Press and Registration of Books Act-1867 to Banganapalle may be extended, while he has also stated that there are some practical difficulties in the application of the Indian Copyright Act-1914.

However in view of Pub(Pol) note on p.9 of, no separate action need be taken in this Dept. It is understood that Govt. of India are taking action in this respect. The three Central sets, proposed to be extended to the merged States of Pudukkottai and Banganapalle before 1st April 1949 are the Press and Registration

the Press & Registration of Books Act 1867 and the Indian Copyright Act, the Indian Patents and Designs Act, 1911.

As regards the extension of the Indian Copyright Act to Banganapalle a practical difficulty has been pointed out by the D.M. Legal's attention may be invited to their note on pages 7 & 8 ante & they may be asked to offer remarks on the D.M.'s suggestion that the extension of the Act may be postponed till the permanent judicial set-up of the area is settled.

It is presumed that the difficulty referred to will be applicable to conditions obtaining in Pudukkottai also. Public may offer remarks on this point & say whether for purposes of section 13 of the Indian Copyright Act, the Court of the District Judge Trichinapalli may entertain suits under the Act in respect of cases arising in the Pudukkottai Area.

A reply to the Public no note on pages 9-10 of can be given only after the above points are settled.

Public & Legal may see for remarks on the above.

The notes of E & P.H. deptt. on pages 8-9 above may be read. Orders have been issued in Home deptt. that Courts should be constituted under Civil Courts Act and Criminal Procedure Code in Pudukkottai from 1-4-49 and that till then the existing judicial administration should be continued. It is understood informally from Home that the High Court has recommended similar procedure in respect of Banganapalle also. E & P.H. deptt. may, if necessary, take action for the extension of the Acts mentioned on page 8-9 above to the merged states from 1-4-49.

This deptt. have no remarks to offer on the question at S on page 9 above. Home and Legal may see for remarks if any on that point.

In respect of Banganapalle also, it has made the same recommendation which is under consideration in this Deptt.

3. It is also proposed to constitute Courts in Pudukkottai & Banganapalle under the Civil Courts Act, Civil Procedure Code and Criminal Procedure Code from 1-4-49. Till the date as the Chief Court, Pudukkottai and the Courts subordinate to it, have been recognised

LEGAL DEPARTMENT.

The difficulty referred to at S on page 9 ante may be met by making suitable modifications in the Copyright Act, 1914, while issuing the notifications applying that Act to Pudukkottai and Banganapalle. When making the modifications, the Court in which any suit or other civil proceeding regarding infringement of copyright should be instituted and tried may be specified. If any other difficulties are anticipated, suitable modifications may also be made for overcoming those difficulties. E. & P.H. will no doubt send in due course the draft notifications to this Department for scrutiny.

The notes of Public (Poll), Home and Legal on pages 10-11 ante are with reference to the points in the E.P.H. note on pages 8-9 ante.

2. In their note on p. 10 ante, Public (Poll) speak of action by E.P.H. for the extension of the Central Acts in question. It is presumed that the only action to be taken by this Dept. in this regard is to report, with reference to the note on pages 9-10 of, which of the Central Acts pertaining to E.P.H. should be extended to Indukottai + Banpata-palle and that the modification extending the Acts will be issued by the Central Govt. Public (Poll) may confirm this presumption.

It is seen from the Home Dept. note on p. 10 ante that Courts (Civil & Criminal) on the 'Indian' model will be constituted as from 1.4.1949. K in the Public Deptt. note on the previous page - There seems to be no objection to the P.R. B. Act being extended immediately. Public may say whether they would advise the publication of the notification extending the Pen and Registration of Books Act, 1867 in an extraordinary issue of the Fort St George Gazette. (The notification may not be ready for the ordinary issue of the Gazette on the 11th and there is to be no ordinary issue on the 18th.) Public may also whether the notification application of the Act may take effect from the date of the Gazette itself or a later date, say 1st February.

As the ^{Publ.} Govt. is at present powerless to take any action against offending journals in the newly merged states, it is proposed in another file to extend the I.P. (C.P.) Act, 1931, now, i.e. before 1-4-49. The file is under circulation. As Legal have stated in their file that it would be necessary to extend the P.R.B. Act, 1867, also along with the above Act, it would seem imperative that the P.R.B. Act, 1867, should also be extended now. If so the extended Act may take effect from the date of the Gazette publishing the order.

The case relates to the extension of the Press and Registration of Books Act 1867 (Central Act XXV of 1867), the Indian Copyright Act 1914 (Central Act II of 1914) and the Indian Patents and Designs Act 1911 (Central Act II of 1911) to the areas of the Banganapalli and Pudukkottai States which have now been merged in the Madras Province.

2 As regards the extension of the Press and Registration of Books Act to the Banganapalli area the District Magistrate of Kurnool was consulted on the proposal for the extension of the Act to that area. He has agreed to the proposal and has stated that the Act may be extended to the area without modifications.

In regard to the extension of Indian Copyright Act, however, he has pointed out certain difficulties which, he apprehends, will be experienced if the Act were to be extended now. These difficulties will be felt in view of the continuance of the area of the old courts which were functioning before the merger and in view of there being no court of the District Judge as in the areas of the former British India. Legal have suggested that these difficulties can be resolved by suitable modifications to the Act. In this note on pages 10-11 ante it has been ascertained from the Home Dept. that courts (Civil and Criminal) on the Indian model will be constituted in the area from 1-4-49. In view of this fact it is considered that it will be more

3.9.48

From The Joint Secretary to the Government of India,
Ministry of States.

To The Chief Secretary to the Government of Madras.

Dated New Delhi, the 25th February, 1946.

Sir, Merger of States with Provinces.

I am to state that in the recent agreement(s) with the Banganapalle State exclusive authority jurisdiction and powers have been ceded to the Government of India. They have, therefore considered the future administration of the State(s) and have come to the following conclusions:--

- (i) In order to enable the Provincial Government to take over the administration of the State(s), powers under Sections 3 and 4 of the Extra Provincial Jurisdiction Act, 1947 should be delegated to them.
- (ii) The Provincial Government should have full freedom of action in the administration of the State(s) in regard to matters falling under the Provincial and Concurrent Legislative Lists of the VII Schedule of Government of India Act, 1935.
- (iii) In regard to Central subjects this Ministry will take steps to extend suitable Central Acts to the State(s) and arrange with the other Ministries concerned for the administrative machinery for enforcing them in the State(s).

2. It is not considered desirable that the Provincial Government should immediately proceed to assimilate the laws of the attached State(s) to those of the attaching Provinces. This might lead to a number of complications, for instance, the extension of the Provincial Land Revenue and Tenancy Acts to the State(s) would require a great deal of preparation. General laws like the Indian Penal Code, the Civil and Criminal Procedure Code, the Evidence Act, etc. are already in force in most, if not all, of the State(s) now attached and there is probably a set of State laws in regard to other main subjects of administration.....

administration, e.g., land revenue and tenancy, which could be operated on by the Provincial authorities when they take over the administration. It would probably be better to maintain most of the existing State laws to begin with and proceed with assimilation gradually.

3. The Government of India also consider that caution should be observed in regard to the extension of the jurisdiction and authority of existing courts and executive officers to the adjoining State(s). The Provincial Government will have to make specific and precise orders in regard to each attached State after considering all the administrative implications. The Provincial Government will have to make comprehensive courts order for the administration of civil and criminal justice in the State(s), establishing District Courts and subordinate courts with the State(s) and providing for appeals in proper cases to the High Court at Madras. Necessary steps will also have to be taken to wind up the existing High Court(s) in the State(s) as from the date on which the Madras High Court is invested with appellate jurisdiction. Suitable provision should be made for the disposal of all cases pending before State(s) High Court on that date.

4. The notification delegating powers to the Provincial Government under the Extra Provincial Jurisdiction Act, 1947, will issue shortly and an advance copy is enclosed for the information of the Provincial Government. The Government of India would be glad to be supplied with three copies of all notifications issued by the Provincial Government in connection with the administration of the State(s).

5. So far as the Central Acts are concerned this Ministry has prepared a draft notification for application to the Orissa and Chhattisgarh States. This draft notification may be suitable for application so far as Banganapalle State is concerned.

6. A copy.....

A copy of this draft notification is enclosed for the information of the Provincial Government who may kindly let this Ministry know whether they see any objection to the application of any particular Act and whether it is necessary to introduce modifications in respect of any of the enactments. The intention is that the functions of the Provincial Government and the Central Government contemplated under the various enactments should be performed by the Madras Government and the Government of India respectively so that it will be necessary for the Provincial Government and the Central Government Officers functioning in the Province to complete the administrative arrangements for the enforcement of the enactments. In suitable cases delegations to the Provincial Government will also be made. The date from which the enactments may be deemed to have been applied may kindly be suggested. I am to add that the question of extending the India Incometax Act is still under consideration.

7. The flag to be flown in the State(s) will henceforth be the Dominion flag except that the Ruler(s) will be entitled to fly his/their own standard(s) on his/their own palace(s).

8. One of the objectives with which Ruler(s) agreed to the scheme of merger was that the standard of administration in the State(s) should be brought up to the level prevailing in the Indian Provinces and it is hoped that this objective will be kept prominently in view in the administration of the State areas. It is also hoped that no distribution would be made between district areas and State areas in the matter of development, construction of roads, provision of hospitals, construction of wells, and tanks and provision of usual amenities and employment of State subjects in the services of the Provincial Government.

9. ~~xxxxx~~ xxxxx

10. The Government of India would be glad to be kept informed of what action the Provincial Government are taking to ensure smooth transition from State administration to Provincial administration in these areas.

I have the honour to be
Your most obedient servant,
Sir

SUB:--States - Banganapalle - Assimilation of laws.

With reference to this department's Memo. on pp.13-14 c.f. the Collector of Kurnool has sent up his proposals for the extension of the Acts etc. into Banganapalle. (The report has not come through the Board of Revenue. It does not seem necessary to refer it to the Board for their remarks.) Lists of the Central and Madras Acts which are in force in Banganapalle have also been furnished by the Collector and District Judge, Kurnool. It is seen from the reports of the Collector and District Judge that as most of the Central and Madras Acts etc., are already in force in Banganapalle the process of assimilation will not be a difficult one. As departments of the Secretariat have been already requested to examine the question of extending the Central and Madras Acts etc. to Banganapalle, and as they have also asked for Collector's report it is submitted that copies of the reports from the Collector and District Judge, Kurnool together with their enclosures may be sent to the Departments of the Secretariat with an extract of this note for necessary action. The Departments of the Secretariat may be requested to send a consolidated report for each department.

REF:--Government Endorsement No.582/48-7, Public
(Political), dated 4.3.48 and Memorandum
No.582/48-12, Public (Political), dated
20.3.48.

I submit my remarks below on the several points
referred to in the letter of the Government of India and the
Memorandum of the Government cited above. I consulted the
District Judge and a copy of his letter is enclosed.

2. Para 1(1) of Government Memo.

(a) In their Notification No.X of 1939 the Durbar of
Banganapalle ordered that the nine books mentioned in the
Notification should be recognised as containing the laws and
regulations in force in Banganapalle. List of Acts and Noti-
fications in force in Banganapalle area is enclosed. It is
seen therefrom that with the exception of few all the laws
of the Central and the Madras Governments were already in
force in the Banganapalle State. It is noticed that the
Durbar did not extend the subsequent amendments as applicable
to the State.

General laws like the Indian Penal Code, Criminal
Procedure Code, Evidence Act, etc., were brought into force
in the State by Notification No. XI of 1939. Even the Madras
Revenue Recovery Act II of 1864 was being followed in the State.
(Page 13 of the Book enclosed).

I submit that there is therefore no difficulty in
extending the Central Acts shown in schedule (1) and the
Madras Acts shown in Schedule (2) of Notification No.XI of
Banganapalle Durbar 1939 and subsequent Notifications as these
were being administered in the State area till the date of
its merger with the Indian Dominion.

But since the Acts, Regulations and Departmental
orders such as ~~B.S.Os~~ B.S.Os; Police Orders etc., of the
Central Government, Madras Government and other authorities
in Madras were hitherto enforced in the State on the autho-
rity of the Banganapalle Durbar, it may now be necessary to
publish a notification that those Acts, Regulations and
Departmental orders be deemed to be in force under the autho-
rity of the Madras Government with effect from 21.2.48.
Unless these Acts and Regulations are deemed to be in force
from 21.2.48 under the competent authority viz., Central
Government or Madras Government as the case may be there will
be a gap in their application to the State.

Some loans from the State Treasury were advanced.
Amounts are still due to the State. It may be necessary to
notify that sums due to Banganapalle Durbar outstanding at
the time of merger are liable to be paid to the Madras
Government.

(b) As regards criminal jurisdiction, draft noti-
fications under sections 7(2) and 8(1) of the Cr.P.C. pro-
posing the inclusion of Banganapalle area within the limits
of Kurnool Sessions Division and District and within the
jurisdiction of Nandyal Sub Division have been submitted to
the Government. A 2nd Class Magistrate has been appointed
for the Teluk.

Regarding Civil Jurisdiction, the District Judge, Kurnool, has submitted separate proposals in the matter. All cases pending in the Courts Civil and Criminal may be deemed to be pending under the laws in force in the Madras Province. If there was any case pending on the date of merger (on the Criminal and Revenue side) and if there is no corresponding provision in the laws or notifications in force in the Madras Province, the case may be ordered to be referred to the District Magistrate for orders as the offences committed, if any, prior to the merger may go unpunished. There was no Arms Act in force in the State. The State was governed by what is known as Banganapalle Arms Regulation. The Indian Arms Act (XI of 1878) and the Indian Prisons Act (III of 1900) may be notified as being in force with effect from 21.2.48. The C.T. Act (VI of 1924) noted as item No. 70 and the Indians Tolls Act (XV of 1864) noted as item No. 10 in Notification No. XI(I) need not be extended.

Para 1(2) of the Government Memo:

(a) As stated by the District Judge, Kurnool, the application of Bengal Prisoners Regulation of 1818 to Banganapalle area may not be necessary. Except the Central Acts mentioned above all the other Acts specified in the second schedule to Government of India letter No. F.41(7) - I B-48, dated 25.2.48 may be extended from 1.7.48.

Para 1(3) of the Government Memo:

All the Acts and Regulations detailed in the annexed schedule which are in force in the Madras Province may be made applicable to the State Area from 1.7.48.

Para 2 of the Government Memo:

The laws in force relating to land tenure will continue till 30.6.48. The laws relating to stamps and court fees were allowed to continue till 31.3.48 and the civil law in force will continue till the Central and Provincial laws are extended.

2. The Dominion flag is being flown on all the Public buildings.

The other instructions given in para 8 of the Government of India's letter will be followed as soon as the Notification is published.

REF:--Government Memorandum No.582/48-12, Public (Political), Department, dated 20.3.48.

Paragraph 1 of the Memorandum.--1. I am sending herewith a copy of the list of Acts and Regulations in force in the hitherto Banganapalle State.

2. The parallel laws of the State to those of the Government of India and of the Madras Government are almost the same, since only the Central Acts and the Madras Acts are applied to Banganapalle.

3. The assimilation may be effected by a notification stating that all Acts, laws and regulations in force in the Province of Madras, both Central and Provincial, will apply to the hitherto Banganapalle State area.

Paragraph 2 of the Memorandum.--(a) There does not seem to be any objection for the application of any ~~Central~~ particular Central Act mentioned in the schedule in the Government Endt. 582/48-7, Public (Political), dated 4.3.48 except the Bengal Prisoner's Regulation, 1818, which does not appear to be necessary so far as Banganapalle is concerned.

(b) No modifications of any of the Acts are necessary. The Acts, both Central and Provincial, as they are in force in the Province of Madras may be made applicable to the Banganapalle area.

(c) The date from which the enactments may be applied should, in my opinion be the date of the Notification since there are some variations in the Court Fees Act and other Acts, like the Motor Vehicles Act, the Legal Practitioners' Act, the Agriculturists Relief Act etc; and to bring them in conformity with the Central and Provincial Laws, a definite date will be necessary. It may be the date of the notification or some other future date mentioned in the notification.

As regards the establishment of a Court at Banganapalle, I have already submitted my remarks and proposals in my letter Dis.No.748, dated 25.2.48 to the Chief Secretary to the Government sent through the High Court, a copy of which has already been sent to you.

Copy of letter No. 2349/49-3, public (Political) dated 7th May 1949 to the Secretary to the Government of India, Ministry of States, New Delhi.

Sub: States - Pudukkottai and Banganapalle - Merger - Central enactments - Application.

Ref: This Government's letter No. Ms. 788 dated 22nd March 1949 From the Government of India Notification No. 81-1B, dated 9th April 1949.

1. I am directed to invite the attention of the Government of India to the list of Central enactments forwarded to them with this Government's letter cited and to state that the following enactments included in the list have been left out in the notification of the Government of India.

- i. The Registration of Foreigners Act, 1939
- ii. The Foreigners Order, 1948
- iii. The Enemy Foreigners Order, 1939
- iv. The Registration of Foreigners (Exemption) Order 1939.
- v. The Indian Telegraph Act, 1885
- vi. The Reserve Bank of India Act, 1934
- vii. The Indian Companies Rules, 1941
- viii. The Auditors' certificates Rules, 1932.

This Government consider that these enactments also (excluding the Indian Companies Rules, 1941) should be extended to the merged States of Pudukkottai and Banganapalle with effect from 1st April 1949. They therefore request that, if the Government of India have no objection, a separate or revised notification may be issued extending all these enactments except the Indian Companies Rules. Though the Indian Companies Rules have been left out this Government are advised that it is not necessary to apply these rules specifically to Banganapalle and Pudukkottai as the Government of India's notification applying the Indian Companies Act includes in its scope the Indian Companies Rules also.

2. The Registration of Emigration Act 1939, the Indian Arms Act 1911 and the Industrial Finance Corporation Act 1948 included in the Government of India's Notification, not been mentioned by this Government in the last list forwarded by them to the Government of India. It is presumed that the word "Arms" occurring in "Indian Arms Act" in the Schedule of Central Acts in the Government of India's Notification is a typographical error for the word "Army". I am to request that the presumption may be confirmed. This Government have no objection to the extension of the other two Acts.

3. In clause 2 of the notification it is stated that the Indian Elections Offences and Enquiries Act shall not however for the present apply to Banganapalle. In the list forwarded to the Government of India with this Government's letter No. 788 dated 22nd March 1949 it was stated that this Act need be applied to Pudukkottai only as the Act was already extended to Banganapalle by this Government in their proceedings No. 3261 public (Elections) dated 27th December 1948, three copies of which were also forwarded to the Government of India at the time of its issue. It was not the intention of this Government that this Act should not be in force in Banganapalle. I am directed therefore to request that the Government of India may issue a notification omitting sub clause (b) and letter "(a)" from clause 2 of their notification.

4. I am to request that necessary amendments to the Government of India's notification or a revised notification may be issued by the Government of India.
