requested.

Ref: G.O.Ms.No.1376 Edn., dated 28-5-48.

The sanction accorded in the G.O. cited above for the
continuance of the temporary posts mentioned below in the
Government High School for Girls, Mayavaram, will expire
by the end of the current school year.

- 1) Three School Assistants.
- 2) One Secondary Grade Assistant.
- 3) One Sanskrit Pandit.
- 4) One full time Music mistress.
- 5) One Laboratory peon.

These posts were sanctioned in connection with the
development of the school into a High School and their conti-

school is furnished below:

Class or Form.	No.of sections.	Strength.
Class III	1	30

III	2	59
IV	1	35
V	1	30
VI	1	13

With a view to enhance the existing facilities for
Secondary Education, I permitted the closure of class I in 1947-48
The provision of the secondary grade teacher released thereby
was utilised for the opening of an additional section in Form II.
In the current school year there was need for the opening of an
additional section in each of the Forms I to III. Classes II
was closed and the provisions of the classes I and II were
utilised for the additional sections in each of Forms I and II.
For the additional section in Form III I permitted the employment
of a secondary grade teacher on fixed pay during the current
school year. Class III will be closed from the next school
year, and one more secondary grade teacher's post will be available
for the one of the additional sections.

From the strength of Forms I and II it may be seen that
there is need for the continuance of the additional sections
in Forms II and III in the next school year. The continuance of
the additional section in Form I is also necessary to provide
for the pupils who will be promoted from Class V and for new
admissions. Hence the 2 posts of permanent secondary grade
teachers released consequent on the closure of classes I and II
and the third post which will be released consequent on the
closure of class III from the next school year will be utilised
for the additional section in each of Forms I to III.

Classes I to III in the school may therefore be abolished.

With a view to enhance the existing facilities for
 secondary education, I requested the closure of class I in 1947-48.

 additional section in each of the Forms I to VI. Class III
 was closed and the provision of the classes I and II were
 utilized for the additional sections in each of Forms I and II.

 in Forms II and III in the next school year. The continu-
 ance of the additional section in Form I is also necessary to
 maintain the ratio of one teacher to 30 pupils. The continu-
 ance of the additional section in Form II is also necessary to

 ance of the additional section in Form III is also necessary to
 maintain the ratio of one teacher to 30 pupils. The continu-
 ance of the additional section in Form IV is also necessary to
 maintain the ratio of one teacher to 30 pupils. The continu-
 ance of the additional section in Form V is also necessary to
 maintain the ratio of one teacher to 30 pupils. The continu-
 ance of the additional section in Form VI is also necessary to
 maintain the ratio of one teacher to 30 pupils.

 1949-50 and 2) the utilisation of the provision of the 3
