Sir, Sub:--EDUCATION--Financial Assistance to Non-Muslim
refugee students from Pakistan--Loans--Grant of

19729

p13ef

p3wfra

Sri C.V. Hingorani, a refugee student studying in the Stanley Medical College, Madras was granted a loan of Rs.1416/- in my Proceedings Roc.No.268W1/48 dated 3-11-48- a copy of which was submitted to Government. A sum of Rs.645/- was actually disbursed to the student by the Principal of the College as he failed in the II M.B.B.S. Examination in April '48 and the balance of Rs.771/- was withheld from May 1948. In his appeal dated 19-1-49 the student says that he would have shown a good result had he not wasted his time in exodus. He states further that his parents are still unsettled in the Bombay Refugee Camp. The Principal, in forwarding the appeal, recommends that the balance of the loan already sanctioned viz. Rs.771/- may be paid to him - Vide a copy of the appeal and the Endorsement of the Principal thereon, enclosed.

2. In paragraph 5 of the Scheme for grant of loans to Non-Muslim refugee students and trainees from Pakistan drawn up by the Government of India and approved in G.O.No.Ms.272 Edn. dated 9-2-48, it has been clearly laid down that "th loan instalment to any student or trainee will stop immediately on his failing to pass a recognised periodical examination, not being a School or College weekly test. The student in question failed in the Public Examination. It is reported by the Principal that the student was detained in the same class and he was not allowed to study in the next higher class with permission to appear for the University Examination for a second time. He was not actually studying in the next higher class from May '48 to December '48 and so he is not eligible for the balance of loan due to him.

3. The student joined the II M.B.B.S. class in December '47 and he has already executed the bond for the total amount sanctioned. The Principal recommends that the student may be exempted from the operation of the rule referred to in paragraph 5 of the Loan Scheme and that the balance of loan due to the student may be allowed to him taking into consideration that he might not have had sufficient time to prepare for the examination held in April. In the circumstances stated, I recommend that Government may be pleased to permit the payment of the balance of the loan to the student.

Yours faithfully,

Konhawan

Copy of the application from C.V. Hingorani, Stanley Club, Mt. Road, Madras to the D.P.I.

I hereby apply for the loan which has been withheld from the month of May 1948 due to my failure in the examination

It was since a year that I applied for the loan when I was in 2nd year M.B.B.S. Due to the migration from Pakistan, much of my time was wasted and when I reached Madras, I had only two months at my disposal and it was very difficult for me to prepare myself for the examination. But still I took a chance. Unfortunately I failed in one subject and got exemption in the other. Then I appeared in December 1948 and got through successfully. Medical Course in comparison with others is a tedious one and even the brilliant students are not sure of their success. Moreover had I not wasted my time in exodus, I would have shown a good result.

My parents are still unsettled in refugee camp at Bombay, and I fear if I am not granted loan I will have to leave my studies.

I therefore request you sir, that my case may kindly be re-considered and do the needful.

Thanking you in anticipation
