No.1477/C.R/48-49

Dated:- 18-4-1949.

Sub: Stationery and forms - Supply to the Divisional Electrical Engineers - Commercial - Cum - Construction Works - Coimbatore and Mettur -
Ref.G.O.No.MS.265 Edn. dated 23-2-45 and Govt. Endorsement No.11274-2 C.2 Edn., dated 23-2-1949.

With reference to Government Endorsement cited, I have to state that the supply of standardized forms is being made to the Divisional Engineers, Nilgiris, Coimbatore and Udumalpet who were already authorized to get their supply of forms on cost recoverable basis in G.O No.MS.265 Edn., dated 23-2-1945 from the Government Press, Madras direct, provided that the indents are countersigned by the Superintending Engineers concerned. Hence there is no objection to supply the forms required on the indents received from the Divisional Engineers, Commercial - Cum - Construction Works, Coimbatore and Mettur with the countersignature of the Superintending Engineers concerned on cost recoverable basis provided they are also included by Government in the list of Divisional Electrical Engineers mentioned above.

2. I have already supplied on 17-2-1949 the necessary skeleton indent forms required by the Divisional Engineer/Commercial, Pykara Electricity System, Coimbatore in anticipation of Government sanction and request that my action may be ratified.
