Memorandum No. 54681 B1/43-1 Education dated 28th July 1948.

Sub: Grants-Buildings-Educational Institutions under local bodies and private managements-1949-50.

57113

The attention of the Director of Public Instruction is invited to Memorandum No. 27236 B1/47-17 Education dated 15th June 1948 in which proposals have been called for sanctioning grants to the extent of Rs. Rupees ten lakhs in the current year towards the cost of construction of buildings for educational institutions under local bodies and private managements which were hitherto subject to certain restrictions. It is considered that an equal amount should be provided for in the Budget Estimate for 1949-50 for such schemes and that in respect of schemes which were not subject to those restrictions, proposals for provision of funds should be sent to Government for consideration as Part II schemes as hitherto fore.

2. The Director of Public Instruction is therefore requested to submit necessary proposals in this regard for consideration as a Part II scheme for the year 1949-50. The schemes for which grants are to be made, should be selected with reference to the principles laid down in memorandum No. 27236 B1/47-17 Education dated 15th June 1948 and proposals for elementary schools, Secondary Schools and colleges should be submitted separately.

3. The Director is also requested to expedite his reply to the Memorandum cited above.

Scheme No. 1:- This scheme was originally approved in G.O.No.696 Education dated 1-4-46. The grant towards this scheme was restricted to $\frac{1}{4}$ of the estimated cost in G.O.748 Edn., dated 2-4-48. Government have been addressed to increase the grant to $\frac{1}{2}$ the estimated cost and their orders are awaited. In anticipation of such orders, a sum of Rs.65,800 being the balance of the half grant is proposed under Part I of the Budget Estimate for 49-50. The amount provided in the current year's budget will be utilised in full.

Scheme No.2:- The balance of the grant viz. 2,500 is proposed under Part II of the Budget Estimate for 1949-50;

Scheme No.3:- The sum of Rs.14,475 is proposed in Part II of the Budget Estimate for 1949-50 as this is a new scheme.

No. Rc. 533D2/48 dated 18/11/48 194

Sir,

Sub:--ST. AGNES COLLEGE--Mangalore--extension on
to the existing building--Scheme--dropped

In G.O.No.1836 Education dated 23/7/48,
Government sanctioned the inclusion of the scheme for
the extension of a building for St. Agnes College,
Mangalore in the approved list at an estimated cost of
Rs.12,100/- rendering the college eligible for a grant
not exceeding Rs.6,050/-

It is now represented by the Correspondent that
"the plan for the extension of the existing building has
been dropped for the present" In the above circumstances
I request that the entries in the Budget Annexure relating
to this College may kindly be deleted.

The sum of Rs.6,050/- provided in the Part II
Budget Estimate of 1949-50 in respect of this scheme
may also be deleted.

Yours faithfully,

For Director of Public Instruction

Extracts from file relating to Grants for Elementary
school buildings for 1949-50.

" Six lakhs for building schemes for elementary schools
in the province is a drop in the ocean. Till now we were not
giving grants and so the applications have not come. More
applications are bound to come, and so the provision may be
made for six lakhs. Similar provisions may be made for high
schools and Colleges on the model for this year, that is, 2½ lakhs
for high schools and 1½ lakhs for Colleges. These are very
small amounts, but still they will be of some help."

MISS M. COMMEN, M.A. (HONS.) PH.D. (LOND.)
PRINCIPAL

TALLAKULAM P.O.,
MADURA, SOUTH INDIA.

May 15, 1948

The Honourable Minister
Madras.

Sir,

We are grateful to the Government for its interest in this college for women in Madura as evidenced by its grant here today. Before you are the first fruits of 20 years of dreaming and planning; 3 years of money raising and of preparing plans and estimates; 3 months of actual building operations.

That a college for women is needed in the Madura and Ramnad Districts is a fact which no individual person needs to put before you. You, Sir, are in a position to know the need. However we do wish to put before you a brief survey of our situation and to make a personal request that Government may be pleased to grant us the usual grant-in-aid that we are accustomed to expect.

The 16 acres of land on which the college is to stand, now valued at about Rs 3 00 000 is the gift of friends in America to this college. We hope to have their continued interest express itself through the years. Other than this the money for the college has been and is being raised mainly in India. The college is proud to have among its supporters and friends a group generous, public spirited people who have given gifts at this initial stage:- Sir James Doak, Rao Bahadur K.M.S. Lakshmanier, Dr. J.X. Miller, Dr. Alagappa Chettiar, Mr. Andrew Harvey, The Madura Mills, Sir Mutthiah Chettiar who together have given Rs 2 60 000. A large number of other friends equally generous and public spirited but unable to give in the same measure have collectively given Rs 83 000, thus making the total assets of the college at present Rs 6 43 000.

Our scheme consists of the following:

A College Hall-Science, arts, administration	Rs 5 00 000
Six hostels -residence for 250 students	6 00 000
Medical unit and teachers' apartments	81 000
Library	80 000
Auditorium	80 000
Building for Day students	20 000
	13 61 000

Our college will eventually accommodate 500 students, of whom 250 will be in residence. We are admitting only first year students in July 1948. For these we are building one hostel to accommodate 40 students in residence. Permission to build this "without prejudice to grant" has been given us by the Department. Our medical unit will serve for this year only as a temporary Science hall, providing laboratories for Chemistry, Physics, and Natural Science.

Sir,

* SUBJECT: GRANT - BUILDING - Lady Doak College
for women, Madura - Request for.

R E F: Government Endt. No. 37052-G3/48-1 Edn-.
dated 26th May 1948. *****

In her letter dated 15th May 1948 the Treasurer
Lady Doak College funds has requested the Government for
the following:-

- (i) the usual grant in aid that they can
expect; and
- (ii) Half grant to the extent of 2 to 2½
lakhs for a building scheme.

I have the honour to submit the following remarks in
regard to the above two points:-

(1) Teaching grant:- This is a second grade
College for women and the management have already --
addressed the Director for admission to aid. The scheme
will be included in Part II of the Budget Estimates for
1949-50.

(2) Building grant:- In October last Miss.K.
Wilcox applied to the Director for permission to proceed
with the construction of a hostel building for the pro-
posed College for women at Madura. The permission was
granted and she was also informed that the permission did
not imply any sort of liability on the part of Government
for making grant at a future date. Subsequent she applied
for a half grant on the scheme. Her attention was again
invited to my previous orders that the permission did not
imply any promise of grant and that she might renew the
application after the institution was affiliated to the
University. She was also informed subsequently that if
she was also informed subsequently that if she was anxious
for a grant from Government she should not begin the --
construction until the scheme was actually placed on the
approved list and permission given to proceed with the
work.

(3) From the latest letter to the Hon'ble the
Minister for Education it is evident that the building
operations have already been started. It is understood
that the college has been affiliated as a second grade
one. If Government are inclined to consider the scheme
favourably.....

 In the Government Memo referred to above, the
 Director was requested to call for the plans and estimates
 of the proposed building for the Lady Doak College for Women,
 Madura, with a view to include the Scheme in the Quarterly
 list of building schemes. The plans and estimates were
 accordingly called for and examined. They were also sent to
 the Joint Consulting Architect for scrutiny and remarks.

2 The Joint Consulting Architect has since scrutinised
 the plans and estimates and has suggested certain alterations.
 The Correspondent is being addressed to revise the plans
 and estimates in the light of the Joint Consulting Architect's
 remarks.

3 I shall be including this Scheme in my Quarterly List
 to be submitted for the Quarter ending 30-9-49.

4 As the Scheme has not yet been sanctioned by the
 Government, I am not suggesting any provision in respect of
 this College in the Part II Budget Estimate of 1949-50. If,
 however, Government are inclined to sanction the Scheme, I
 request that provision may be made on behalf of this College
 in the Part II Budget Estimate of 1949-50.

Sir,
Sub: Grants - Construction of First Floor to the
Building and construction of a Hostel Block - Dr.
Allagappa Chettiar College, Karaikudi.

17 SEP 1948

I have the honour to submit herewith two applications
for building grants received from the Correspondent of Dr. Alla-
gappa Chettiar College, Karaikudi and to state as follows:

The first application relates to the construction of a
first-floor to the existing college buildings and the second
application to the construction of a Hostel Block.

I Construction of a First Floor to the existing college building:

It is stated by the Correspondent that the college
cannot be run efficiently unless the proposed extension is made.
Further it is given that the Madras University has granted the
affiliation to the Science branches only on the understanding
that the first floor will be constructed to accommodate the
senior classes.

The estimated cost of the scheme is Rs.5,60,000/-

The plans furnished by the management shows provision for
lecture-halls, sectional libraries, staff room, Research rooms etc.

In the circumstances stated by the Correspondent, I
recommend this scheme for the favourable consideration of Government.

II. Construction of Hostel Block:

This scheme relates to the construction of Hostel Build-
ings. It is reported that boys from several districts have joined
the college and some of them are at present lodged temporarily in
two buildings and others live in private rented buildings all
of which are situated two miles away from the college. As this
arrangement is not satisfactory the management propose to construct
a new hostel with accommodation for 400 students.

As the estimated strength of the college is likely to be
over 1000 during the coming year I consider that a hostel of this
size will be a necessary adjunct to the college.

The estimated cost of the scheme is Rs.8,37,000/-

The management has proposed to start work on both the
above schemes during this month itself. However the permission
will be given only after the schemes are approved by Government
and the plans and estimates are scrutinised by the Consulting
Architect to Government.

Dear Sir,

I enclose an application in the prescribed form for the sanction of a grant to Dr. Alagappa Chettiar College, Karaikudi for the erection of the First Floor to the New Blocks of College buildings. The College cannot be efficiently run unless the proposed extension is made. The Madras University has granted affiliation to the Science branches, only on the understanding that the first floor will be constructed to accommodate the senior classes. The Plan of the proposed buildings is enclosed in duplicate. I request that the plan may be approved and that a half grant of Rs. 2.80 lakhs may be recommended to Government for sanction.

Application for aid towards the cost of construction of the First floor of Dr. Alagappa Chettiar College at Karaikudi, in the District of Ramnad:

(Chapter VIII, Rule 53 of the Grant-in-Aid Code of the Madras Educational Department)

NO. AND DATE OF THE PROCEEDINGS OR MEMORANDUM RECOGNISING THE COLLEGE UNDER THE MADRAS EDUCATIONAL RULES:

In letter No. A.3380 dated 31st July 1947, the University of Madras granted temporary affiliation for a period of two years in the Humanities as well as for the B.Com. course. Subsequently, in letter No. A.2402 dated 18--6--48 the University granted provisional affiliation under Statute 29 of Chapter XXVI of the laws of the University in Arts and Science courses.

BRIEF HISTORY OF THE INSTITUTION FROM THE DATE OF ITS ESTABLISHMENT TO THE DATE OF APPLICATION TRACING ITS GROWTH AND DEVELOPMENT AND FURNISHING AMONG OTHER THINGS AN ACCURATE ACCOUNT OF ITS FINANCIAL CONDITION.

On the occasion of the opening of the Montessori Training Centre at Adyar on July 3, 1947, the Vice-Chancellor of the University of Madras, Dr. Sir. A. Lakshmanaswami Mudaliar, announced that the Syndicate had authorised him to grant temporary affiliation to new colleges in humanities, for providing accommodation to the students who could not get admission in the existing colleges. Dr. RM. Alagappa Chettiar responded to his appeal by offering to start a first grade college at Karaikudi, Ramnad District. Accordingly, the University granted temporary affiliation for a first-grade college in Humanities as well as for the B.Com. course.

In October 1947, Dr. Alagappa Chettiar decided to make the College a permanent institution. He applied for permanent affiliation in Arts and Sciences for the College. He acquired under the Land Acquisition Act an extensive site of 650 acres for constructing buildings. Separate blocks of buildings covering an area of 32,000 sq. ft. have been constructed for Botany, Chemistry, Physics, Zoology and Humanities. Water tank, gas house, animal house, Physics Workshop and nine quarters for the lecturers are nearing completion. All the laboratories, the library and the class rooms have been fully equipped. The University Commission recommended the grant of affiliation and accordingly Provisional affiliation in Arts and Sciences has been obtained. Permanent affiliation will be obtained on the completion of the first floor of all the blocks.

Dr. Alagappa Chettiar has created an Endowment Trust, with property worth about Rs. 20 lakhs for educational purposes. To carry on the administration of the College efficiently, he has constituted a Board of Trustees. The following are the members of the Board of Trustees:-

1. Dr. RM. Alagappa Chettiar, M.A., D.Litt., LL.D., Barrister-at-Law, President.

2. Sri KW.AL.M.Ramanathan Chettiar, Correspondent.

Application for aid towards the cost of construction of the ~~Hostel Buildings~~ of Dr. Alagappa Chettiar College at Karaikudi, in the District of Ramnad:

(Chapter VIII, Rule 53 of the Grant-in-Aid Code of the Madras Educational Department)

NO. AND DATE OF THE PROCEEDINGS OR MEMORANDUM RECOGNISING THE COLLEGE UNDER THE MADRAS EDUCATIONAL RULES:

NOTE: The College started working only in August 1947.

CHARACTER OF AND NECESSITY FOR THE PROPOSED WORK IN DETAIL.

The strength of the college is now 537 and it is likely to double next year. As the college buildings are situated about two miles away from the built up area of the Karaikudi town and there is no other means of providing satisfactory residential accommodation for a major portion of the strength, it is essential that the hostel buildings should be built within the college compound to accommodate at least half the number of the students in the Hostel. A large number of students come from neighbouring districts and it is undesirable to make them live in private hotels far away from the College.

(1) IS A SKETCH PLAN OF THE PROPOSED SITE AND BUILDING ATTACHED?

Yes. (enclosure II)

(ii) DOES IT SHOW-

(a) The relation of the proposed building or extension to the existing building?

Yes.

(b) ANY ALTERATION IN EXISTING BUILDINGS NECESSITATED BY IT?

None.

(c) THE PURPOSE TO WHICH THE EXISTING BUILDINGS ARE NOW PUT?

The College hostel is now housed temporarily in two buildings 1) Gandhi Maligai, the Municipal office building, and 2) Old High school hostel building. These two buildings are situated two miles away from the college and provide accommodation for only 140 students. There is thus a real need for a hostel near the college.

(d) THE PURPOSE TO WHICH THEY WILL BE PUT WHEN THE NEW BUILDING OR EXTENSION IS COMPLETE.

The proposed Hostel buildings will be used primarily for accommodating students that come from outside Karaikudi who form the bulk of the strength of the college.

(iii) (a) Probable cost of the Proposed work.

Rs. 8,37,000/-

(Enclosure III)

(b) WHETHER THE MANAGEMENT HAS THE NECESSARY FUNDS TO COMPLETE THE WORK IN THE EVENT OF THE APPLICATION BEING FAVOURABLY CONSIDERED.

YES

(c) WHETHER THE MANAGING BODY HAS BEEN REGISTERED UNDER THE INDIAN COMPANIES ACT OF 1913 OR ANY OTHER ACT AND IF SO WHETHER ATTESTED COPIES OF THE MEMORANDUM OF ASSOCIATION AND THE ARTICLES OF ASSOCIATION ARE SUBMITTED.

The Trust Deed has been registered
Attested copy of the Trust Deed is enclosed.

(Enclosure IV)

(d) IF THE AID SOUGHT FOR IS TOWARDS THE COST OF SITE, DECLARATION THAT IT IS THE CHEAPEST SUITABLE SITE.

Application is not now made for a grant towards the cost of site.

(e) DECLARATION THAT THE MANAGEMENT IS PREPARED TO EXECUTE THE PRESCRIBED DEED.

The management is prepared to execute a deed in respect of the grant received, ~~in~~ in the prescribed form.

(f) IF THE PROPERTY IS NOT OWNED BY THE CORRESPONDENT, DECLARATION THAT THE OWNER OR HIS OR HER LEGAL REPRESENTATIVE WILL EXECUTE THE DEED OR WILL BE MADE A PARTY TO THE DEED.

The Property is owned by the Trust-- Vide answer to question (e) above.

(g) IN THE CASE OF MISSION INSTITUTIONS THE NAME AND ADDRESS IN FULL OF THE PERSON WHO HOLDS A POWER OF ATTORNEY ON BEHALF OF THE MISSION TO EXECUTE THE PRESCRIBED DEED.

This is not a Mission Institution.

(h) NAME, DESIGNATION AND QUALIFICATION OF THE PERSON BY WHOM DETAILED PLANS AND ESTIMATES AND SPECIFICATIONS WILL BE PREPARED:

Sri.G.Gopalachariar, M.S.E., A.M.I.E.T., Assistant Engineer, P.W.D., on leave preparatory to retirement, has prepared the plans, estimates and specifications.

(i) WHETHER THE TITLE TO THE PROPERTY IS CLEAR AND IN ORDER AND BY WHOM THE TITLE DEEDS WERE EXAMINED.

The site of the Hostel has been acquired under the Land Acquisition Act.

(j) THE LATEST DATE ON WHICH THE MANAGEMENT WISHES TO (i) BEGIN THE WORK AND (ii) COMPLETE THE WORK.

(i) By the 1st of September 1948.

(ii) By 31st of March 1949.

(k) IS THE DECLARATION WITH REGARD TO ENCUMBRANCE, ALIENATION AND THE CONDITIONS OF RECOGNITION AND AID ATTACHED?

Yes (enclosure V)

(l) AMOUNT OF BUILDING GRANTS DRAWN BY THE INSTITUTION IN PREVIOUS YEARS WITH THE NUMBER AND DATE OF SANCTION AND THE PURPOSES FOR WHICH GIVEN (PARTICULARS SHOULD BE GIVEN FROM THE DATE OF ESTABLISHMENT OF THE INSTITUTION.

Nil.

(m) IF THE AID SOUGHT IS TOWARDS THE CONSTRUCTION OF A HOSTEL, DECLARATION THAT THE HOSTEL WILL BE MANAGED ACCORDING TO RULES APPROVED BY THE D.P.I.

I declare that the Hostel will be managed according to the rules approved by the Director of Public Instruction.

See DFI is informed that with reference to his letter No. 533-24/48 dt- 18/1/48, no provision ^{has been} made in the Budget ~~for~~ estimate for 1949-50, towards ^{for the} grant for the extension of the existing buildings in the

GRANT - Buildings - Non-Govt. Arts and Professional Colleges -
Part II Schemes for 1949-50.

The question of making provision for building grants to Non-Govt. Arts and Professional Colleges under Part II of the Budget Estimate for 1949-50 has to be considered in the following cases, and they are noted on below:--

37-e-Education - University - Non-Govt. Arts Colleges

(1) Excluding Post-War Reconstruction - (e) - (1) B. Buildings -

(1) Sarah Tucker College, Palamcottah. - Please see

G.O.No.2520 Edn., dated 5-10-48. The D.P.I. has been requested to obtain and forward plans and estimates for the proposed science blocks of the Sarah Tucker College, Palamcottah, ~~which~~ estimated to cost Rs.2,64,000/-. He has also been asked to make it clear to the management of the College that the maximum grant that the College will be eligible ^{to} will be Rs. 75,000/- with reference to the limit recently laid down by the Govt. for building grants and that it is open to the Govt. to reduce the amount according to their financial position and policy at the time of the disbursement of the grant. ~~The D.P.I. has also been told that he may include the scheme in his proposals for Part II Schemes for 49-50, but he should state clearly the stage at which the preparation of plans and estimates stand and whether they will be approved by the competent authority before the end of the year 1948-49.~~

~~In view of the orders contained in the G.O. referred to, the Director has now included a provision of Rs.50,000/- for this item in his Part II proposals for 1949-50, but he has not reported about the stage regarding the preparation of plans and estimates. His further report may be awaited, in due course. In the circumstances, this Deptt. may suggest a provision of Rs.50,000/- for this scheme as recommended by the D.P.I. under Part II Estim of the budget for 1949-50.~~

(2) St. Agnes College, Mangalore ^{extension to the existing buildings:} - This scheme has been

included in the approved list - Vide G.O.No.1836 Edn., dated 23-7-48. The Director recommends a provision of Rs.6,050/- for the scheme. His recommendation may be accepted and a provision of

St. Agnes College, Mangalore.

Rs. 6,050/- ^{may be included} under Part II of the estimates for 1949-50. *27/10/48*

(3) Lady Doak College, Madras ^{construction of college buildings:-} This is a newly started ^{Second Grade} college for women. For the construction of buildings for the college, the management have applied for a grant of about Rs. 2 to 2½ lakhs. The main file on the subject has been sent with a note to Finance Deptt. It is proposed therein to make a provision of Rs. 50,000/- for this scheme. Subject to final orders on that file, this Deptt. ^{may} recommend a provision of Rs. 50,000/- for the construction of college buildings for the Lady Doak College, Madras, under Part II of the Budget Estimate for 1949-50. *Separate file* *27/10/48*

(4) Loyola College, Madras - Erection of a gas tank - The Principal, Loyola College, Madras, has applied ^{for a grant} among other things, for the erection of a new gas tank (estimated to cost Rs. 18,965/-) which is to serve all the new ^{science} courses and the older ^{for} courses. This item was included by the D.P.I. in his proposals ^{for} ~~among other things~~ equipment. As the erection of a gas tank should more appropriately be treated as part of a building scheme, it has been suggested in the main file on the subject which has been circulated to H.M. (Edn), that this ^{item} ~~may~~ be included in the list of building schemes to be dealt with under Part II of the Budget estimates for 1949-50, and provision for this a half-grant ~~of Rs. 9,483/-~~ ^{may} for this item may be made in the B.E. for 1949-50. This Deptt. ^{may} therefore suggest that pending orders on the main file, a provision of Rs. 9,483/- may be made under Part II of the Budget for 49-50 for this grant. *Separate file* *27/10/48*

(5) Dr. Alagappa Chettiar's College, Karaikudi - The Correspondent of the College has separately applied for grants for the following two items of building schemes:-
(1) Construction of a first floor to the existing college buildings - Estimated cost - Rs. 5,60,000/-
(2) Construction of hostels - do - " 8,37,000/- *Separate file*

The D.P.I. has recommended the above two schemes for ^{the} consideration of Govt. The ban of 1945 ~~is removed on~~ Govt. grants operates in respect of this college. It has however been decided in another ^{file} that the ban should be lifted. Orders in this regard will issue soon. Having regard to this decision, this Deptt. suggested in the concerned file ^{the inclusion of} that a provision of Rs. 75,000/- under Part II of the budget for 1949-50 for each of the above schemes. Finance ^{have} ~~have~~ observed that the former scheme, viz. construction of a first floor to the college buildings alone should be considered as essential and urgent and ^{have} ~~therefore~~ agreed to providing a sum of Rs. 75,000/- under Part II of the estimates for 1949-50 in respect of that work alone. In view of this proposal, item 2 above, will have to be deferred. The scheme relating to the construction of a first floor to the existing college buildings may therefore be treated as a Part II Scheme and provision for a grant of Rs. 75,000/- for the purpose may be made in the B.E. for 1949-50. *Separate file* *27/10/48*

(1) St. Ann's Training College, Mangalore - Scheme for the purchase of a playground - This scheme was already approved for a grant of Rs. 11,000/- A sum of Rs. 2,155/- has already been disbursed to the management. The D.P.I. suggests a provision for a sum of Rs. 2,500/- towards the balance amount, under Part II of the budget for 1949-50. His suggestion may be accepted and a provision of Rs. 2,500/- may be made for this scheme in the B.E. for 1949-50 under Part II. *PP 114/13 of* *18/10/48* *P 13 of*

(2) St. Ann's ^{Training} College, Mangalore - Construction of a storey to the existing building - In G.O. No. 953 Edn. & dated 8.5.46, the scheme was included in the approved list and a half-grant of Rs. 8,400/- was promised for this scheme. Subsequently, based on revised estimates and on the recommendation of the D.P.I., the grant payable for this scheme was raised to Rs. 14,475/-. The D.P.I. suggests a provision of Rs. 14,475/- for this scheme under *PP 114/13 of* *18/10/48* *P 13 of* *Page 11* *13/4*

The notes of E. & P.H. on pages 1-4 above may be perused.

They propose that the scheme mentioned above may go forward as a Part II Scheme for 1949-50.

2. The present policy of the Government is to defer all

building schemes except those that are immediate and essential, in view of the high cost of materials and labour, and as an anti-inflationary measure. What applies to building schemes of the Govt. applies to building grants for building schemes undertaken by private institutions. In view of the need to balance the next year's budget

without drawing on the reserve, as suggested by the Govt. of India,

all the schemes referred to above except item (5) above may

budget, the following remarks are called for in Finance.

Item (1) on p.4 above - Sarah Tucker College, Palamcottah

The plans and estimates for the scheme are not yet ready. E. & P.H. state that the D.P.I. has not reported about the stage regarding the preparation of plans and estimates, and that this may take several months in view of the estimated cost of Rs 2.64 lakhs. The scheme is therefore not ripe for consideration as a Part II Scheme for 1949-50. Finance may advise that provision need not be included for consideration under Part II of the budget for 1949-50.

Item (2) on p.4 above - St. Agnes College, Mangalore -

The amount involved is small. No remarks.

Item (3) on p.4 above - Lady Doak College, Madras -

In the main file on this subject, this department suggested, that the plans and estimates for the scheme are not ready, and in accordance with the present policy of the Government, the scheme may be deferred. The same remarks would apply here.

Item (4) on p.4 above - Loyola College, Madras -

It is presumed that the provision of a new gas tank is absolutely essential, if so, Finance may agree to a provision of Rs 9,500 being made for consideration in the Part II of the budget for 1949-50.

Item (5) on p.4 above - Dr. Alagappa Chettiar's College, Karaikudi -

Finance have already agreed to a provision of Rs 75,000 for consideration under Part II of the estimates for 1949-50 in respect of this work. No remarks.

Item (6) on p.4 above - St. Ann's Training College, Mangalore -

Presumably, the construction of a storey to the existing building is essential and urgent. Finance may agree to a provision of Rs 14,500 for this scheme being included for consideration as a Part II Scheme for 1949-50.

3. E. & P.H. may prepare the necessary note on the Part II Scheme after obtaining orders in circulation including H.M.(Fin.) and H.Pr.

(This Deptt. notes on p.p.1-4 ante and Finance note on p.p. 4-5 ante may be perused.) Finance state that in view of the necessity to balance the budget, ~~XXXXXXXXXXXX~~ the provision of Rs. 50,000/- for the Sarah Tucker College (item 1 on p.4 ante) and Rs.50,000/- for the Lady Doak College, Madura (item ~~3~~ 3 on p.4 ante) may be deleted and a provision of Rs.1,05,100/- may be made in the B.E. for 1948-49. ^{for the four schemes in items (2), (4), (5) & (6).} Attention is in this connection solicited to the D.P.I.'s letter on p.p.3-4 c.f. of L.F. wherein he states that in the case of the Lady Doak College, Madura, ~~the~~ the management has to finish the construction before June 1949 according to the terms of their affiliation, the scheme may be treated as special. In respect of the Sarah Tucker College, Palamcottah, also, the scheme is considered urgent, ^{and on this basis} the D.P.I. was requested to submit proposals for considering the scheme relating to the construction of buildings for the science blocks as a Part II Scheme for 1949-50. In the circumstances, it is for orders whether this Deptt. may press for provision for ~~XXXX~~ the above two schemes also in the B.E. for 1949-50. The file may now be circulated to H.M.(Edn), H.M.(Fin) and H.Pr. for orders on 'A' above.

- (1) The scheme does not seem to be ready and so may not be provided in the part II for the next year.
- (2) and (6). Both these items belong to the same institution. Being small, they may be provided this year but if there is a feeling that both need not be provided, provision may be made for item (6) and item (2) may go in for next year.
- (3) We may provide for it and may be included under part II.
- (4) In another file, I have noted that gas-tank may be treated as equipment and may be provided for and so, this need not be provided for here.

(5) May be provided.

In our cabinet decision we have decided that more than fifty thousand Rs should not be given to any college for buildings and that the total half grant from the Government should not exceed one and half lacs in a year. Does that not affect this?

G.P.R
4/12

E.&P.H.(G.3)

A in H.Pr.'s minute above.- The limit of Rs.50000/- applied to Second Grade Colleges. The limit in respect of First Grade Colleges is Rs. 75,000/-.

B in H.Pr.'s note above. - The scheme of providing Rs. 1.5 lakhs for Arts Colleges for men was introduced in the current year. The D.P.I. was also informed that it is proposed to provide an equal amount in the next year's budget, the proposal being however considered as a Part II Scheme. He has accordingly submitted proposals which are dealt with in this file. In this connection it may be pointed out that the provision of Rs. 1.5 lakhs was intended to apply to institutions which were subject to the restrictions imposed by G.O.No.1915 Edn., dated 9-12-1941, according to which no building grant should be given to any college or school for boys (elementary schools excepted), unless a special case was made out showing that a grant is essential to the institution. This G.O. does not apply to institutions for women.

In 1945, a ban was imposed in regard to the payment

grants to newly opened Arts Colleges for men, unless they served special interests like backward areas or backward communities. It has since been decided to remove this ban.

The list of schemes for which provision has to be made in the next year's budget is given on p.4 ante.

This list includes men's as well as women's colleges, including a Professional College for women (St. Ann's Training College for Women, Mangalore). The grant payable in respect of this training college goes to a different sub-head of account, viz. "Grants to Non-Govt. Professional Colleges". In respect of the remaining schemes, i.e. the schemes relating to Arts Colleges,

the provision is as follows:--

Women's Colleges.

H.M. (Edn) has agreed to the suggestion on p.6 ante that provision need be made for item (1) (Sarah Tucker College, Lamcotta). The D.P.I. has now reported that item (2) (extension to the buildings of the St. Agnes College, Mangalore) may be deleted from the list, as the management of the institution has reported that the scheme has been dropped. H.M. (Edn) has suggested that a provision of Rs. 50,000/- may be made towards the payment of grant for the construction of buildings for the Lady Daak College, Women, Madurai. H.M. (Fin) has not raised any objection. Thus the total grant payable for arts colleges for women, next year, is Rs. 50,000/-.

Men's Colleges.

Item (4) on p.4 ante. This relates to the payment of grant of Rs. 9,500/- to the Loyola College, Madras, for the erection of a gas tank. The connected file has been circulated to H.M. (Edn) following the usual procedure adopted in respect of Govt. Colleges, grant payable to the institution is debitable to "building grants". Item (5) on p.4 ante relates to the payment of a grant of Rs. 10,000/- for the Alagappa Chettiar's College, Karaikudi for the erection of a first floor to the existing college buildings. H.M. (Edn) and H.M. (Fin) have agreed to the proposal. Thus the total grant payable for Arts colleges for men in the next year's budget is only Rs. 84,500/- (Rs. 10,000/- plus 9,500/-). The file may be circulated to H.M. (Edn).

I have seen in another file just now that we have to pay Rs. 50,000 to the Loyola College this year also. In view of that no further building grants to that College may be considered for this year. Provision may be made for the Alagappa Chettiar's College.

The grant to the Loyola College is by way of a previous commitment. The grant for the Alagappa Chettiar's College may count for that 1½ lakhs.

As I had already noted in a previous file, we may ask for a provision of ten lakhs for this year also as provided for in the last year. I hope steps are being taken for providing for the capital grants of ten lakhs of rupees for elementary schools, secondary schools and colleges as last year.

and the D.P.I. has included necessary provision for this scheme in his Part II Estimates. ~~for 1949-50.~~

In May 1948, the Treasurer of the Lady Doak College for Women, Madura, requested for a half-grant of about Rs. 2 to 2½ lakhs for the construction of buildings for the college and also the usual teaching grant. He has been told that the application of the College for a teaching grant will be considered in connection with the Part II Budget Estimates for 1949-50. As regards the request for the building grant, the D.P.I. was asked to call for detailed plans and estimates for the proposed buildings, with a view to include ^{the scheme} in the quarterly list of building schemes. ~~Now~~ The D.P.I. in his letter on 24-9-48, states that the plans and estimates for the buildings for the college ~~have been~~ ^{have been} scrutinised by the Joint Consulting Architect to Govt., ~~who~~ ^{who} he has suggested certain alterations and that the correspondent of the college has been asked to revise the ~~plans and~~ ^{plans and} estimates in the light of the Joint Consulting Architect's remarks. The D.P.I. therefore reports that he shall be including this scheme in the quarterly list of the building schemes for the quarter ending 30-9-48 to be submitted by him, and that as the scheme has not been sanctioned by the Govt., he is not suggesting any provision in respect of this college in his Part II Estimates for 1949-50. He ~~however~~ ^{however} adds that if the Govt. are inclined to sanction the scheme, necessary provision may be made for the scheme in the Part II Estimates for 1949-50. As the scheme has not yet been ~~mentioned and~~ ^{mentioned and} included in the quarterly list,

there appears to be no strong reason for including it as a Part II Scheme for 1949-50. For orders whether the D.P.I. whether may be informed that the Govt. do not propose to include its provision for the scheme in the Part II Estimates for 1949-50. Finance may see prior to circulation.

and as sanctioned plans and estimates are not ready, it does not seem to be ripe for consideration as a Part II Scheme for 1949-50 - the D.P.I. himself does not recommend that this should be done, but leaves it to Govt. for orders.

This for consideration whether, having regard to the present shape of the scheme as indicated in the Director's letter in the C.F. he may be informed that the provision made in the Part II Budget for 1949-50 -

his may see

The D.P.I. is awaiting the receipt of revised plans and estimates from the management of the college. It is possible that the scheme may be included in the approved list in the course of the year. The maximum building grant admissible for this II grade college is only Rs 50,000/- although the management has estimated the cost of the building programme at Rs 13.61 lakhs. A provision of Rs 50,000/- may be included in Part II of the next year's budget.

Ultimate Cost. (Non-recurring)	Cost in 1949-50

Building Grant to Lady Doak College for Women, Madurai	50,000	50,000
--	--------	--------

Please see the letter from the D.P.I. at page 1 C.F. and the notes on pages 1-2 above. E. & P.H. propose that provision may be included in Part II of the next year's budget for the maximum building grant (Rs 50,000) admissible for the Lady Doak II Grade College.

2. The scheme has not been included in the quarterly list of building schemes, and plans and estimates are not yet ready. It does not seem therefore that the scheme is ripe for consideration as a Part II Scheme for 1949-50. As the scheme has not yet been sanctioned by the Government, the D.P.I. has not suggested any provision in respect of this College in Part II of the budget for next year.

Further, the present policy of the Government is to defer all building schemes except those that are immediate and essential in view of the high cost of materials and labour.

Also one of the measures suggested for combating inflation is the postponement of expensive building schemes. This department has suggested in other cases that it is necessary to go slow even in respect of essential and desirable schemes in view of the fact that, according to the suggestion of the Govt. of India, the budget for next year has to be balanced without drawing on the reserve.

3. In the circumstances, Finance may advise against the proposal, and suggest that no provision need be made for the purpose in Part II of next year's budget.

If, however, E. & P.H. wish to press, they may be requested to take orders in circulation including H.M. (Finance) and H.Pr. with particular reference to 'A' above, whether the proposal may be brought forward as a Part II Scheme for 1949-50.

GRANT - Building - Dr. Alagappa Chettiar College, Karaikudi - Construction of first floor to the College building and a Hostel block.

C.No. 69331/48.

From the D.P.I., R.C.No. 513-D.2/48 dated 13.9.48.

Please see the letter from the D.P.I. on p.1 c.f., and its enclosures on p.p. 7-32 c.f. He has forwarded two applications from the Correspondent of the Dr. Alagappa Chettiar College, for grants for the construction of the following buildings; xi--

1. First floor to the existing college building at an estimated cost of Rs. 5,60,000/-
2. A hostel block at an estimated cost of Rs. 8,37,000/-

The D.P.I. states that the management has proposed to start the work even in September, 1948 but that however he would give permission for the same after the schemes are approved by Govt., and the plans and estimates are scrutinised by the Consulting Architect. For the reasons mentioned in his letter on p.1 c.f., the D.P.I. recommends the above schemes for the consideration of Govt. It may be stated in this connection that with reference to the policy of Govt. as ~~enacted~~ set out in the Press Communique of 1945, this college being a new one will not be eligible for any building or equipment grant. But the question of revision of the policy of Govt. mentioned above is under consideration. This may perhaps await the final orders on ~~the matter~~ that file.

The connected file has been seen by HM (E.H.) HM (Fin) and H.P. The question has been placed before the Cabinet as suggested by Finance.

The 13-10-48
may take the final decision after the Govt. decision is decided.

The file may lie over till 30.10.48

On the assumption that the ban on the payment of non-recurring grants will be lifted soon, the management will be eligible for a grant of Rs. 75,000/- in respect of each of the two schemes mentioned above. Necessary provision may be included in respect of the two schemes ~~in the~~ in the next year's budget and the management may be permitted to proceed with the schemes after the plans and estimates are scrutinised by

This may be done meanwhile.

Part II Scheme for 1949-50.

Grants towards the cost of the construction of a first floor and a Hostel block to Dr. Alagappa Chettiar college, Karaikudi - Cost Rs. 1,50,000.

Please see the notes of the E. & P.H. department on pages 1-2 above.

Finance may agree to a provision of Rs. 1,50,000/- being included in the Budget for 1949-50, pending a decision on the general question referred to at M on page 1 above. E. & P.H. may be requested to circulate the case to H.M. (Finance) also.

(i) Construction of a first floor to the existing college building - Estimated cost Rs. 5,60,000 - Maximum grant to which eligible - Rs. 75,000.

It is stated that the Madras University has granted the affiliation of the Science Branches only on the understanding that the first floor will be constructed to accommodate the senior classes. It may be agreed that this is imperatively essential and urgent. The Govt. may approve the construction but it does not seem that the grant should be paid in the next year itself. The grant which will be only a small portion of the total cost may be paid as & when the Govt's financial position permits. The management can proceed with the construction and the disbursement of a grant to be paid in due course.

This is of course on the assumption that the existing ban on the payment of non-recurring grants will be lifted. No provision need in the circumstances be made in Part II of the next year's budget for this purpose.

(ii) Construction of a hostel block - Estimated cost Rs. 8,37,000 - Maximum grant eligible - Rs. 75,000.

This is only a desirable scheme and it is not imperatively & immediately essential. No offer of grant need be made now. The management may be left to proceed with the work on its own account.

The file relates to the application of the Correspondent, Dr. Alagappa Chettiar's College, Karaikudi, for grants for the following two building schemes -

(1) Construction of a first floor to the existing college building - Estimated cost Rs. 5,60,000

(2) Construction of a hostel - Estimated cost Rs. 8,37,000

The SPI recommends the above schemes for the consideration of Govt. This Dept. recommended the provision of a grant of Rs. 75,000/- for each of the above schemes, on the assumption that the ban of 1945 for payment of grants to newly started colleges would be lifted. Finance state that scheme No. (1) above may be considered as imperatively essential & urgent, as the Madras University has granted affiliation for the science courses in the college only on the understanding that the first floor will be constructed to accommodate the senior classes. They therefore agree to this scheme being treated as a Part II scheme for 49-50. As regards the scheme relating to the construction of a hostel, Finance state that it is only a desirable scheme and is not imperatively and immediately essential and that no offer of grant need be made now. The file may now be circulated to HM (Edn) and HM (Fin) for orders on A and B above.
