The Inspectress has reported that the present location of the school in the extreme east of the town dwarfs its growth and suggested its shifting to a central place in Little Conjeevaram. I am examining this proposal and a report in this regard will be submitted on receipt of information from Inspectress as to the availability of a suitable building for the school in a central locality.

The School is serving the needs of the locality and its closure at this stage will bring a set back on the progress of Girls Education. Since the sanction accorded for the continuance of the following temporary posts expires by 31-5-49, I request that Government may be pleased to sanction their continuance during the next school year by which time a decision on its continuance in another locality or closure could be arrived at.

- 1) One L.T. Assistant for Form IV (Three minus two)
- 2) One Tamil Pandit
- 3) One Physical Training Instructress
- 4) One full time Music Mistress.

Yours faithfully,

G. Sankaranarayanan
