To The Chief Secretary to the Government of Madras,

Sir,

Sub: Appointment of Lecturer in Commerce - Madras Educational Service - Commerce Degrees of the Andhra University not mentioned - Request for inclusion of.

ASSISTANT SECRETARY TO GOVERNMENT 629 17 FEB 1943 CHIEF SECRETARIAT

Ref: Notification on page 1014, Part II of Fort St. George Gazette dated 16th December 1947.

I have the honour, by direction of the Vice-Chancellor to invite your attention to the notification cited, in which the qualification prescribed for a candidate applying for appointment as Lecturer in Commerce, is a First or Second class degree of M.A., or B.A.(Hons.), or B.Sc.(Hons.) of a University in the Province in Commerce. It is also stated that preference will be given to candidates who have in addition to that degree obtained a higher degree (by examination, advanced study or research) of a University in the Province.

2. This University is not aware whether any University in this Province, is offering instruction in Commerce leading to the Degrees of M.A. or B.A.(Hons.) or B.Sc.(Hons.). It, however, regrets to note that although it is offerring instruction in Commerce leading to the Degrees of B.Com., B.Com.(Hons.), M.Com. and M.Com.(Hons.), these degrees do not find a place in the notification. The University considers that its degrees in Commerce are more suitable as qualifications for appointment as Lecturer in Commerce in all colleges, whether Government or private.

3. I therefore, request you kindly to prescribe the B.Com.(Hons.), M.Com. and M.Com.(Hons.) Degrees of this University as qualifications for appointment as Lecturer in Commerce in the Madras Educational Service and to instruct the

P.T.O.

Madras Public Service Commission to readvertise the post embodying these degrees so that graduates of the Andhra University also may have an opportunity of being selected for appointment, which is but fair to the University and its alumni.

4. An early reply will be much appreciated.

The post of Lecturer in Commerce in the M.E.S. is temporary and is reserved for a war service candidate. At the instance of Govt., the M.P.S.C. has advertised it. No ad hoc rules have been issued for the post, prescribing any special qualifications. The qualification laid down in the M.E.S. Special Rules for the Lecturers' category as a whole, viz., I or II class degree of M.A. or B.A.(Hons.) or B.Sc.(Hons.) of a University in the Province, governs the Commerce Lecturer's post, and that qualification has been mentioned by the Commission in its advertisement.

In its letter above, the Andhra University has stated inter alia, that it is not aware whether any University in the Province is offering instruction in Commerce leading to M.A., B.A.(Hons.) or B.Sc.(Hons.) degree. It implies to convey that no University in the Province is awarding those degrees. The Madras University and the Annamalai University calendars also show that those Universities do not award the degrees in question in Commerce.

P.T.O.

But, Rule 17 of the General Rules authorises the Commission to admit the applications for a post, of persons whom it considers as possessing qualifications equivalent to those prescribed for the post. In the present case, the wording of its advertisement is as follows: ** An applicant must satisfy the Commission that he possesses the following or equivalent qualifications .** With reference to this provision, candidates possessing B.Com., M.Com., B.Com.(Hons.) and M.Com.(Hons.) of the Andhra University can also apply to the Commission if they are satisfied that their degrees are of the M.A. or Hons. standard. The Commission will then decide the point. It is not therefore necessary, as requested by the University, to specifically prescribe the Andhra University degrees, by way of ad hoc rules, or to ask the Commission to re-advertise the posts, mentioning those degrees. If the University's proposal to prescribe alternative qualification for this post is extended to all other posts in the service, the rules will become unwieldy. The result of the advertisement and of the Commission's selection may be awaited, and then the question of issuing ad hoc rules may be taken up, if necessary. Meantime, it is for orders whether a reply as at "A" above may go to the Andhra University. Public (Services) may see for remarks.

To

The Regr., Andhra Unty., Waltair.

Ref:- Your letter C.5-297-2-48, d/- 14-2-48.

I am directed to reply to the letter cited as follows. In the statutory rules applicable to posts in all the Provincial and Subordinate Services, there is a general provision to the effect that persons who do not possess the qualfns. prescribed for the post concerned but who possess such other qualfns. as may be considered equivalent to the prescribed qualfns., are also eligible for appt. W.r.t. that rule, in its advtt. calling for applns. for appt. to the temoy. post of Lecturer in Commerce in the M.E.S., the M.P.S.C. has stated that "An applicant must satisfy the Commission: (A) that he possesses the following or equivalent qualifications:-** ". Persons possessing the degree of B.Com., M.Com., B.Com.(Hons.) or M.Com.(Hons.) of your University can also thus apply for the post if they can satisfy the Commission that the degree is of the M.A. or B.A.(Hons.) standard, and in such cases the Commission will decide the equivalence of the qualifications possessed by the applicants to the qualfns. prescribed in the rules. In view of the gen. provn. refd. to above, the Govt. do not consider it necessary to prescribe specifically the degrees of the Andhra University mentioned in yr. letter as alternative qualfns. for the Commerce Lecturer's post, and to instruct the Commission to re-advertise the post embodying those degrees.

An extract from the letter cited above is forwarded to the Director of Public Instruction. He is requested to send to Govt., proposals, with reference to G.O.No.821-P.(Services), dated 15-3-47, as to the methods by which the posts of Lecturer in Commerce, Professor of Mechanical Engineering, and Instructor in Surveying and Drawing - for which no war service candidates could be recruited - can be filled.

S i r,

Sub: Madras Edl. Service - Certain reserved vacancies - Recruitment of war service candidates.
Ref: Government confidential Memo No.36717A.3 Edn., dated 23rd July 1948.

According to the procedure laid down in G.O.No.821 Public (Services) dated 15th March 1947, the posts of Professor of Mechanical Engineering, Instructor in Surveying and Drawing and Lecturer in Commerce have to be filled by open competition. But I may submit that a number of candidates who have undergone advanced studies in Mechanical Engineering subjects are returning from overseas and they will be absorbed on the teaching staff of the several colleges of Engineering. Three of the Government servants (Messrs. S.L. Balasubramanian, P.V.B. Bhooshana Rao and A.P. Jambulingam)have recently proceeded to the U.S.A. for higher studies in subjects relating to Mechanical Engineering. Messrs. S. Anantakrishnan and S.P. Vores who are now officiating as Professors of Mechanical Engineering under emergency provisions have considerable departmental experience. If a candidate is to be recruited direct to the post of Professor of Mechanical Engineering by open competition, the chances of promotion to the existing experienced persons and to those overseas-returned scholars, are likely to be blocked and this will lead to discontent. I, therefore, request that, pending consideration of the claims of the existing officers and those of the overseas scholars to be absorbed in the Education Department, the question of direct recruitment to the post of Professor of Mechanical Engineering by open competition be dropped.

2. The posts of Instructor in Surveying and Drawing and Lecturer in Commerce may be filled by open competition.

3. With reference to paragraph 2 of the Government Memo., I think it is necessary to issue ad hoc rules for the post of Lecturer in Commerce and I submit the following draft ad hoc rules for consideration and orders of Government.

Draft ad hoc rules.

The temporary posts of Lecturers in Commerce shall form temporary additions to the cadre of Lecturers in category 5 of Class III of the Madras Educational Service. The General and Special rules applicable to posts of Lecturers (category 5 of Class III of the Madras Educational Service) in their application to the said temporary posts of Lecturers in Commerce shall be construed with the following modifications, namely --

Candidates for appointment to the temporary posts of Lecturers in Commerce, either by transfer or by direct recruitment shall possess --

First or Second Class degree of M.A. or B.A. (Honours) or B.Sc.(Hons.) in Commerce of a University in the Province;

o r

First or Second Class Degree of B.Com.(Hons.) or M.Com. of the Andhra University, or the d of M.Com.(Hons.) of the Andhra University.

Preference shall be given to such cand

have in addition, obtained any higher degree in Commerce (by examination, advanced study or research) of a University in the Province.

Yours faithfully,

for Director of Public Instruction.

Subject: Madras Educational Service - Posts of Lecturers in Commerce - Ad hoc rules

R e f: Government Memo. No.70133 A.2 Edn dated 12-11-1948.

There is no University in the Province awarding the degrees of M.A. or B.A.(Hons) or B.Sc.(Hons) in Commerce. These degrees need not, therefore, be mentioned in the Ad hoc rules

2. There is no course of study in the Annamalai University leading to a degree in Commerce. The Madras University has instituted B.Com(Hons) Degree which can be considered equivalent to B.Com(Hons) of the Andhra University. In the circumstances the qualifications to be prescribed for the posts of Lecturers in Commerce may be as follows:-

"First or Second class degree of B.Com (Hons) of a University in the Province or the first or second class degree of M.Com or M.Com(Hons) Degree of the Andhra University.

Preference shall be given to such candidates as have in addition obtained any higher degree in Commerce (by examination, advanced study or research) of a University in the Province".

3. Though the Annamalai University is not awarding any degree in Commerce now, it would be unfair to exclude it from the scope of the ad hoc rules by mentioning the degrees of the other two Universities only.

4. The degree of M.Com(Hons) is a Research degree and is conferred on persons who have passed the M.Com or B.Com(Hons) Degree Examination of the Andhra University in I or II class.

Yours faithfully,

for Director of Public Instruction.

(Rules not finalised)

last year
The MPSC was asked/to select direct recruit
with war service for the reserved vacancy in one of the two existing posts of Lecturers in Commerce and for certain other war-
/reserved vacancies. It reported that no candidate applied for the Commerce Lecturer's vacancy in response to its advtt. The D.P.I. was thereupon ~~was~~ consulted as to the alternative method by which the vacancy might be filled. In that connection, copies of the correspondence at "Y", about the specific mention in the rules of the Andhra University Commerce degrees as alternative qualfns. for the Commerce Lecturers' posts were also sent to him and his opinion whether there was need for amplifying the qualfns. by issuing ad hoc rules ~~specifically~~ were invited. The Dir. has now replied ~~that~~ saying that w.r.t. G.O.No.821-P.(S), dated 15-3-47, the vacancy may be filled by ~~fixing~~ open competition - i.e., by

direct recruitment from among persons who need not necessarily have rendered war service. He has also ~~xxxx~~ sent draft ad hoc rules. T above can be done only after the rules are issued.
