Subject: Equipment grants to secondary schools under Local Bodies and private managements-delegation of powers to D.P.I.

In G.O. No.2306 Education dated 13-9-1948 the Director of Public Instruction was authorised to sanction teaching grants to local bodies. The delegation was accepted in audit in the view that it applied in respect of sanctions to be accorded in 1948-49 only. In the further orders issued in G.O. No.3017 Education dated 30-11-1948 the Director has been authorised to sanction the payment of equipment grant upto the maximum of Rs.5700 for each secondary school under local bodies and private managements in which the introduction of bifurcated courses has been approved by Government. It is not clear from the orders whether the delegation is a permanent one or effect for a limited period only. As in the former case, an amendment to the Grants-in-aid Code would be necessary, the position may please be clarified.
