Sir,

Sub:-Ramnad District Board-Elementary Education funds-
Revised Budget for 48-49- and Budget Estimate for 49-50-

Ref:-Your letter C.No. 2311/B1/48 dated 3-11-1948.

ENCLOSURES.....

SEPARATE COPIES.....

I forward herewith the Revised Budget for 48-49 and Budget for 49-50 on the elementary education funds of the Ramnad District Board in the prescribed form together with the necessary statements in duplicate. The details for the various items of expenditure are also enclosed. In the revised budget provision has been made for opening new schools in twenty school-less centres and for appointing 17 additional teachers including five secondary grade hands for VI Stds. newly opened in five schools during the year. The recommendation of the inspecting officers have been taken into consideration as regards the staff, equipment and accommodation etc. Increased variation in expenditure between the actuals in 47-48 and revised Budget for 48-49 is due to the payment of incremental pay to the teachers from 1-1-1948, opening of new schools in accordance with the policy of the Government, appointment of additional staff to the existing schools and the payment of increased dearness allowance at the enhanced revised rates from 1-1-1948.

A sum of Rs. 15837/- has been provided for the maintenance and annual repairs to the school buildings including repairs to the following rent free buildings of the Board boys school Melachirukulam and Board girls school, Padantial.

A lumpsum provision of Rs. 2000/- has been provided in the revised budget in addition for equipping the twenty new schools.

CAPITAL EXPENDITURE:

A sum of Rs. 5700/- is marked for the construction of additional sheds in the board boys school building, Tiruvananthi and Anjukottai and Rs. 2500/- in addition for the construction of temporary sheds in the Board boys school Thiruppuvanamkottai as the above works require urgent execution.

Equipment: Supply of additional furniture has been made to the schools in compulsory areas and a cost of Rs. 17536/- during the current year.

Expenditure for the compulsory education has been included in the Total expenditure but details are furnished separately for Rs. 65000/-

P.T.O.

Budget for 49-50.

The Budget estimate for 49-50 has been worked out as per the actual requirements. Provision is made for opening twenty more schools in the schoolless centres in the District.

The Dearness allowance to office staff in the Elementary Education section has been included under the head "Clerks and servants".

The increased variation in salaries and allowances between revised Budget for 48-49 and Budget for 49-50 is due to the revision in the scale of pay of the teachers and enhancements of rates in dearness allowance.

Sufficient provision has been made for additional equipment to schools recommended by the inspecting officers.

As regards the repairs to school building, Rs. 10,000/- is provided including the expenditure for repairs to ten rent free buildings.

Capital: A sum of Rs. 75000/- is ear-marked for providing sufficient additional accommodation to the following school buildings

Mam sapuram
Puthur
Thiruppuvanamkottai
Kattikulam
Dhalavolpuram
Pandalgudi
Kalayarkoil
Thiruthangal and Sengulam.

Besides it is also proposed to construct at least two type-design elementary school buildings during 49-50.

The cost of compulsory education for the year has been included in the expenditure under the respective heads of account. Supply of midday meals has been stopped from 1st April 1947. Owing to the dearth of even Higher Grade trained teachers the District Board is precluded from opening as many schools as is desirable in school-less centres. Again the District Board would also be keen on going ahead with building schemes for housing elementary schools but this is damped by the scarcity and very high cost of building materials.

However the Divisional Engineer (Highways) has assured to do his best in picking up at least two buildings in 49-50, circumstances permitting. Detail estimates and plans will be submitted as soon as Budget proposals are approved. In spite of preparing the Budget based on actual requirements and on conservative estimates for new schemes yet the Budget does not close with the statutory closing balance. This is mainly due to increased expenditure under salaries and dearness allowance and Capital expenditure. It is hoped that the Government will on the recommendation of the Director of Public Instruction, be pleased to sanction liberal grants for the new schemes in which case the closing balance will improve.

Subj: - Ele. Edu. fund - Dt. Bd, Ramnad - B.E. for 1949-50.

Ref: 1) From the 41. officer, Dt. Bd, Ramnad, No. E1-22107/48, dated 3.1.49.

2) Encl. of the D. P. S, No. 18-B3/48-49, dated 3.2.49.

The D. P. S has forwarded with his remarks the revised estimate for the year 1948-49 and the B.E. for the year 1949-50 of the Ele. Edu. fund under the control of the Dt. Bd, Ramnad. The estimates are examined below:-

1. Provision has been made both in the R.E. and in the B.E. for the expenditure connected with the scheme of compulsory ele. edu. and credit has been taken for a subsidy from provincial funds towards the cost of the scheme. The adequacy of the provision made is examined in para. 6. below:-

3. Excluding the transactions relating to the scheme of compulsory ele. edu., the normal receipts and charges in the Ele. Edu. fund account will be as follows

	R.E. for 1948-49	B.E. for 1949
	Rs.	Rs.
opening balance	1,16,130 ✓	1,17,380 ✓
Receipts ordinary	9,63,900 ✓	8,20,290 ✓
Receipts capital	26,700 ✓	67,000 ✓
Total	11,06,530 ✓	10,04,670 ✓
charges ordinary	9,87,600 ✓	10,23,590 ✓
charges capital	1,500 ✓	91,000 ✓
Total	9,89,100 ✓	11,13,590 ✓
closing balance	1,17,380 ✓	1,08,920 ✓

4. R.E. for 1948-49 credit has been taken for the following items of receipts:-
1) Govt. contribution of Rs. 1,39,930 under section 39 of the Ele. Edu.

Act in respect of the educational tax realized in 1947-48.

3) Govt. subsidy of Rs. 1,46,500 under proviso to section 37 of the E.E. Act.

3) A.T.C. grant of Rs. 1,01,550.

4) The contribution of Rs. 55,000 from the General funds to the E.E. fund.

1) above

This may be allowed to stand with ref. to G.O. No. 2224 E.E. dated 8.9.48 and G.O. No. 927 E.E. dated 21.3.49

2) above

The amount taken credit for, may be admitted, to with ref. to G.O. No. 1554 E.E. dated 18.6.48 and G.O. No. 1673 E.E. dated 20.6.48.

3) above In as much as the A.E. closes with a surplus balance of Rs. 1,17,350, the entire amount taken credit for should be deleted, as the A.T.C. grant is to be utilised only to wipe off the deficit in the E.E. fund and not to create a surplus, but as the year 1948-49 was already over and the amount taken credit for would have been adjusted to the E.E. fund by this time, it appears that the Bd. need not be asked to delete this amount. Also it may be noted, that the amount will be deleted, it will only increase the deficit at the end of 1949-50 in the E.E. fund. L.A. may see in this point.

4) above

This has already been approved in G.O. No. 1284 E.E. dated 20.5.48.

B.E. for 1948-49

If L.A. agrees to A above, the E.E. fund opens with a surplus balance of Rs. 1.17 lakhs and closes with a large deficit of Rs. 1.09 lakhs, credit has been taken for a sum of Rs. 8,500 as contribution from the General funds. L.A. may say whether this credit may be allowed. The large deficit is due to the expenditure of Rs. about Rs. 2 lakhs on account of the payment of the enhanced rates of dearness allowance. In view of the large deficit the entire provision of Rs. 91,000 made for the capital expenditure may be deleted. If this is done, the deficit will get reduced to

Rs. 18,000. L.A. dept. may be requested to state whether any additional contribution can be made from the general funds. Whatever L.A. may say regarding R above, it appears that it does not now be passed in the budget leaving the deficit and the S.O. asked to report the actual closing balance on 31.3.49. After receipt of this report the question as to how to meet the anticipated deficit may be considered. By that time, the Bd. also would have passed orders on the question of provincial levy of educational tax and the distribution of subsidies to local bodies from the proceeds thereof.

6. compulsory ed. edn.

As the Govt. have undertaken to sanction a full subsidy towards the entire cost of the scheme, the transaction relating to this scheme will not affect the position of the E.E. fund. For the present, the expenditure provided for, and the amount taken credit for may be tentatively allowed.

L.A. may see for remarks.
