Clause (A) of the question:- The question is in general terms. The question of introduction of Basic education was taken up only 1946-47. The first step taken by the Govt. to implement the scheme was to train teachers in Basic education. With this end 2 Basic training schools were started in this Province, one at Perianaickenpalayam, Coimbatore District, and another at Vinayasramam, Guntur District. (The school at Perianaickenpalayam was functioning under private agency before its management was taken by Govt. in 46). Certain officers of this Dept. were sent to Wardha for training in the scheme of Basic education, organised by the Hindustani Talimi Sangh. With the staff trained at Wardha a few more training schools were opened in 47-48. A batch of teachers were also deputed to Wardha for training last year. A few more training schools have also been opened this year. Thus 17

The school has since been retransferred.

U.O. 4961/68 - K.M.L.

31.7.48

Basic training schools are functioning in this Province.

With the teachers trained in the Basic training schools ordinary ele. schools in the Province are converted into Basic schools. The schools to be converted into Basic schools are chosen ~~by~~ ^{localities} from institutions functioning in and round Basic training schools. Thus 27 ordy. ele. schools have so far been converted into Basic schools.

The allotment required to implement the scheme of Basic education is being sanctioned as and when proposals in this regard are approved by Govt. During the current year a lump sum of Rs.10 lakhs has been allotted for the expansion of Basic education and the D.P.I. has been asked to submit proposals for the utilisation of the lump sum provision. The cost of the proposals so far approved is ^{about} Rs.3 lakhs. The actual expenditure so far incurred on Basic education during the years 1946-47 and 47-48 ~~are~~ ^{is} not known.

Clause (b) of the question:- In opening Basic training schools the needs of the several districts in the Province were taken into account. Some of the training schools cater to the needs of Andhra Districts and ^{some to those of} the Tamil ~~Nad~~ districts. There is one school in the South Kanara ^{at while} and 2 schools ^{are functioning} in the Malabar district. Thus the funds allotted by Govt. on Basic education get naturally apportioned among the linguistic areas, Tamil, Telugu, Malayalam and Kannada. ~~Thought~~ the Govt. do not make a specific allocation of funds in this regard.

For orders whether ^{an} the answer may be drafted on the lines noted above or whether the D.P.I. should be consulted.

In the ^{below} alternative case, the draft is ^{memo below} submitted for approval. ^{H N near say before issue}
