The question refers to educational institutions both schools and colleges. I believe our paying half the grant for dearness allowances, applies to colleges also. If so, the matter may be made clear and put up.

The position in regard to Mys. is noted on below:-

Please see G.O.No.Ms.1388 Edn., dated 29.5.48. The expenditure incurred on payment of D.A. to the staff in aided colleges under private management is also taken into account for purposes of assessing the teaching grant to ~~those~~ <sup>for D.A.</sup> those colleges. But no such grant is made to colleges under local bodies. Necessary addition has since been made to the draft answer. May be circulated to H.M.(Edn.) with reference to his minutes above.
