for answering the L.C. question below in his letter on p 5 c. 7. The D.P.S. has reported that 34 new Basic Tg. schools will be opened by Govt. in the next school year, presumably thinking that his part II scheme proposed for 1949-50, for the opening 34 new basic Tg. schools will be approved by Govt. But the standing Finance Committee which considered the scheme has recommended for the opening of only 17 Basic Tg. schools in 1949-50. The draft answer to clause (c) of the question has been noted on this recommendation.

The file may be circulated to H. H. (Edn) for approval of the draft answer below.
