Draft Answer.

(a) + (b)

The question is not clear.

Perhaps the Hon'ble Member refers to complaints that may have been received about constant transfers in local boards. Circulars have been issued that transfers should not be in the middle of the year and that transfers should be as few as possible and they should be made in consultation with the officers of the Education Department.

A Statutory rule^{also} has^{been} framed to prevent frequent and unnecessary transfers of teachers under local bodies. D. Bond

It is not clear what the H.L.A. desires to know. convey
Statutory rules have been framed to regulate the transfer
of teachers in E.L. schools under local bodies. Under the
rules, teachers should not ordinarily be transferred. If the
President considers it necessary, he should consult the D.E.O.
and record in writing his reasons for not accepting the
recommendation of the D.E.O. before transferring a teacher.
Please see also No. 1264 dated 26-6-48
A copy of the order of transfer should be sent to the
D.E.O. The D.P.S. with bring to the notice of Govt. the cases
where frequent and unnecessary transfers of teachers have been
made violating the rules. It may be pointed out that

Regularization of the transfers of local board teachers.

* 193 Q.—SRI S. NAGAPPA: Will the Hon. the Minister for Education be pleased to state—

(a) whether there is any scheme under contemplation of the Government as regards the regularization of the transfers of local board teachers; and

(b) if so, what it is?

THE HON. SRI K. MADHAVA MENON (on behalf of the Hon. the Minister for Education):—(a) & (b) The question is not clear. Perhaps the hon. Member refers to complaints that may have been received about constant transfers in local boards. Circulars have been issued that transfers should not be in the middle of the year and that transfers should be as few as possible and they should be made in consultation with the officers of the Education Department.

"A statutory rule has also been framed to prevent frequent and unnecessary transfers of teachers under District Boards."

SRI S. NAGAPPA:—“As transfers of local board teachers are frequent, will the Government consider the desirability of issuing instructions to the local boards not to transfer as often as they have been doing and put a limit of three or four years within which a teacher should not be disturbed?”

THE HON. SRI K. MADHAVA MENON:—“Instructions have already been issued to the effect that frequent transfers should be avoided. If a local board President wants to transfer a teacher, he has to do in consultation with the District Educational Officer. If there is difference of opinion among them, the matter has to be referred to the Government.”

SRI B. S. MURTHI:—“Will the Government be pleased to issue instructions to the officers concerned that if a husband and wife are in one place, either of them should not be transferred and that, if necessary, both of them should be transferred to a same place?”

THE HON. SRI K. MADHAVA MENON:—“While I sympathize with the idea underlying the suggestion, I do not think it is always practical. It depends upon the exigencies of the situation. If the transfer is ordered as a disciplinary action, the relationship of the husband and wife cannot be taken into consideration.”
