In continuation of my letter Roc.No.866 D1/47 dated
18-11-1947 I enclose herewith a statement showing the estimate
of extra ~~expend~~ cost involved in taking over these schools
either under Government or Local Body Management.

original for disposal

With reference to Government Endorsement 31226 B1/48-1 Edn.
dated 1-5-1948, I may state that some of the Zamindars may be will-
ing to run the schools even after the abolition of the estates
as any other private agency. Particulars regarding such
of them who are willing to continue the schools even after
the abolition of the Zamindaries are not however known to this
office. If any Zamindar is prepared to continue the school
after the abolition of the estates, they may perhaps be allowed
to do so just as any other private agency.

The delay in the submission of the reply is due to the
non-receipt of correct particulars in time. In some cases the
figures are even as it is, only approximate.

R.C.No.2788-G2/48 dated 26th January 1949.

Sub: Schools - Secondary - Transfer of management of school in the Zamindaries to District Boards and Municipal Councils concerned.

REF: Government Memorandum No.89470-B1/48-1 Education
dated 21--12--1948.

With reference to paragraph 1 of the Government Memorandum referred to above, I wish to state that so far cases regarding ~~from~~ ^{the} Secondary Schools in Zamindaries have come up for consideration (i.e.) S.R.R. High Schools at Nazvid and Vanapamula, B.R. High School, Punganur and V.G. High School, Kirlampudi. In regard to S.R.R. High School at Nuzvid and Vanapamula orders were passed by Government in their order No. 2912 Education dated 18-11-1948 approving the transfer of management of these schools to the District Board, East Godavari. While the proposals in respect of B.R. High School, Punganur and V.G. High School, Kirlampudi are now under consideration of Government - Vide Director's letter Rc. 2603 G2/48 dated 29-12-1948 in reply to Government Endt. Nos. 85445-B1/48-1 Education dated 22-11-1948 and 17-12-1948 and Government Memorandum No. 84194-B1/48-1 Education dated 21-12-1948 respectively, It seems, therefore, desirable to lay down condition for the transfer of management in general, keeping in view the issues which have arisen in connection with the above cases and accordingly the following conditions are suggested for adopting.

2 In general, the items can be classified under three categories as shown below:-

1. Non-Recurring items, such as Building, Equipment and Play-ground.
2. Staff.
3. Financial aspect.

3 Regarding Item 1: Attention is invited to G.O.No.2912 Edn dated 18-11-1948 relating to S.R.R.High School, wherein government have laid it as a condition that the Zamindars should legally convey to the District Board all the assets after clearing off all the out-standing liabilities and after meeting the cost of legally conveying these assets to the District Board. This condition is necessary in every case and hence it is suggested for adoption.

I wish to add also in this connection that the strength in many of the Secondary Schools has recently increased to an appreciable extent and it is seen in many cases that additional accommodation and playground are required. This may be the case even with the Secondary Schools in Zamindaries. It is very likely that in the vicinity ~~and vicinity~~ of the schools the Zamindars may be having their own buildings and vacant sites and such of these as are necessary for the present and the probable needs of these schools in future may be given over to the Local Bodies, as it would be helping both these institutions and also the financial position of the future managements of these institutions (i.e.) (local Bodies). Government may consider the desirability of also including a condition to this effect.

Regarding item 2: (i.e. Staff, it is now the policy of the Government to give weightage to the service put in by members of the staff in the private Secondary Schools before the transfer of management and the cases of the staff in S.R.R.High Schools have also been decided likewise. In these cases of Government have laid it as a condition that all the qualified members of the teaching and non-teaching staff should be absorbed in the service of the District Board in their respective grades; that they should be allowed to take their rank in the seniority list with reference to the length of service they have put in in private service; that such of the members of the permanent staff who had put in more than two years of service under the private management prior to the date of transfer of management should be absorbed as permanent members of the District Board establishment; that the rest of the qualified members should be treated as probationers and their rank among probationers should be fixed with reference to the length of service. These conditions are fair and just and they are, therefore, suggested for adoption.

But the above conditions relate only to qualified members of the staff. It is very likely that there will be unqualified teachers also working in these secondary schools and it will not be fair to throw them out all on a sudden. Owing to dearth of qualified hands, unqualified persons also are being appointed now in the secondary schools under Local Bodies with necessary exemption from the Inspecting Officers and there can, therefore, be no harm, in taking those ~~un~~ unqualified hands also temporarily and continuing them till qualified hands become available. It is therefore suggested that unqualified members of the staff also may be asked to be taken over by the Local Bodies; allowed to take their rank in the Seniority list ~~of~~ ~~the~~ (as in the case of qualified members referred to above) and continued in the -- School till the qualified members are available for appointment.

Regarding item 3: I agree with the view of the Hon'ble Minister for Education that teaching grant may be allowed to these schools, as a special case on the basis of 2/3 net cost. Teaching grant was allowed to S.R.R.High Schools on this basis alone.

Another point to be considered in this regard is the question regarding liabilities. In the case where there will be liabilities out-standing the Zamindars concerned may be required to -- clear them off themselves, but in cases where any Zamindar finds it unable to clear off the liabilities himself all the legitimate liabilities may be accepted subject to the condition that Government advance the necessary funds to help the Local Bodies concerned towards clearing off the liabilities. Attention is invited in this connection to Director's letter RC.2603-D/29-12-48 (in ~~xxxx~~ reply to Government Endorsement Nos.85445/B1/48-1 Edn dated 22-11-1948 and 17-12-1948) relating to the B.R.High School Punganur wherein it was suggested that the arrear salaries payable to the staff by the Zamindar might be paid away by the District Board itself (since the Zamindar expressed his inability to clear off the arrears himself) either from the Board's own funds or by taking a loan from Government reimbursing the same when the -- arrear amounts are collected from the endowed village.

Apart from the conditions referred to above there is another point which needs mention in this connection. It is observed that there is a desire on the part of the Zamindars that the -- association of Zamindars' names with these schools should be continued even after the transfer. This was permitted by Government in regard to the S.R.R.High School and the same thing was also recommended to Government by the Director in regard to the case of Punganur Secondary School. The name of the school may, therefore be allowed to be such as the Zamindars may suggest.

In regard to the remaining secondary schools under Zamindaries the matter is under correspondence with the concerned Zamindars and the Local Bodies and on receipt of complete replies from them a report will be submitted to Government Memo Nos. 99122-B/47.5

I have the honour to state that I am applying for an annual recurring grant of Rs.10,000/- (Rs.Ten Thousand only) from the surplus funds of the Devasthanam Funds of the Ramnad Samasthanam, of which I am the hereditary trustee, under Section 67 of the Hindu Religious Endowments Acts; and the question of the transfer of the management of the school to the Ramnad District Board may be deferred till final disposal of my application for the said amount of annual grant from the surplus of the Devasthanam Funds.

With reference to your letter cited above enquiring whether the Raja Saheb of Sivaganga is willing to transfer the management of the Rajah's High School, Sivaganga to the Ramnad District Board, I am directed to say that the Raja Saheb is not able to come to any conclusion on the question at present.

Copy of Ref: No.12. dated 26-2-1949 from Sree Rajah V.Viswasundara
Rao Bahadur Garu, Zamindar of Vegayammampeta.

With reference to your kind proceedings R.C.No.2788 G2/49 dated 21st, January 1949, I have the honour to reply that though I am quite willing to transfer our Sree Mahalakshamma Hindu Middle School, Vegayammampeta, with its equipment, endowment etc., to the East Godavari District Board, I am however afraid that it may not be possible for me to give away the ground and building in which the School is now housed, as they belong to my private properties and do not form part of my Vegayammampeta Estate. I am yet willing to allow the School to continue in the same building and ground provided the District Board is prepared to pay a reasonable monthly rent till another District Board building is erected by them, on a new site that may be pointed out by me in my Estate lands. I can also have no objection to part with the present building and the required ground if a proper price or compensation is paid to me for the same by the District Board or the Government.

I also hope and desire that the name of the school and its location from the village proper will not, under any circumstances, be changed and that all the permanent members of the Teaching Staff and Establishment of the School will be absorbed by the District Board, as if they were serving the District Board all along, the rest of the qualified members being treated as probationers with their rank fixed among the probationers with reference to the length of their service.

Copy of letter Dis.No.10/C.D. of '49 dated 23-2-1949 from the
Rajah of Kottam & Manager, S.R.High School, Tuni.

The School has been working at a surplus and this fact was reported to the District Educational Officer, Tuni by the Correspondent in his letter No.139/47-48 dated 22-2-48. Hence there need be no anxiety about the

In this connection I may be permitted to state that I have set apart under a Registered deed, a village called Nallissettipalle as endowment for the school. Further the school will continue to be run by me with the help of the registered managing Committee with one of its members as Correspondent.

Schools-Secondary - Transfer of management of schools in Zamindaries to District Boards and Municipal Councils concerned - Conditions to be imposed generally-

From the D.P.I. R.C.No 2788 G2/48 dated 26-1-49
do dated 11-3-49

Memo No 89470 B1/48-3 Education dated. 19.4.49

The D.P.I. is informed that the conditions set out in the annexure should be imposed in the case of transfer of management of a secondary school in a Zamindary to the District Board or the Municipal Council ^{in the area concerned} and if either of the parties have any modifications to suggest or specify other conditions, they should be considered on their merits. The Govt do not consider it would be fair to require the Zamindar to give over to the Dt Bd or Municipal Council concerned, buildings and vacant sites belonging to him which may be required for school purposes in future. They consider that the local body concerned should take steps to acquire such properties as and when required by private negotiation or by applying the provisions of the Land Acquisition Act. In regard to the clearing ~~off~~ outstanding liabilities on the ~~the~~ date of transfer of management of the school to a local body, the Govt cannot compel the local ~~body~~ body to undertake past liabilities. It is open to the local body to undertake ^{to clear off the liabilities} and if it is not in a position to meet the liabilities from its general funds, ^{it may} ~~and~~ ^{apply} to the Govt for loan to clear off the liabilities ^{as such application is received.} The question will be considered. No guarantee can be given that a loan will be sanctioned. It must be a special condition to be allowed in individual cases.

2. The further report promised in the Director's letter dated 11-3-49 is awaited.

Rc.No.2788 G2/48 dated 18-4-1949.

Sub: Schools - Secondary - aided - transfer of management of the schools under the control of Zamindars to the Local bodies concerned.

Ref: Govt.Memo No.89470 B1/48-3 Edn., dated 31-1-1949 and Director's Rc.2788-G2/48 dated 11-3-49.

In continuation of the Director's letter referred to above, I am now submitting a further report in the matter.

Rajah's High School, Mandasa
Samasthanam High School, Bobbili
(Vizagapatam Dt.)

The Dewan of Bobbili Samasthanam reports that the Rajah Saheb wishes to run the Bobbili High School permanently even

after the estates are acquired by Government - vide copy enclosed. No reply is yet received from the Zamindar regarding the High School at Mandasa. The Rajah of Bobbili is being addressed to furnish the reply himself and as regards Mandasa High School, Government may themselves kindly address the Rajah Saheb since he has not sent reply in spite of reminders from this office.

The resolution of the District Board promised by the Special Officer is not yet received and the Special Officer promises to send the same shortly. The Special Officer also observes incidentally that when there are Taluqs without High Schools it is not equitable that the District Board should maintain two High Schools in the Revenue Taluk of Sompeta - one at Sompeta and the other at Mandasa from financial point of view also.- vide copy of the letter enclosed. It is submitted in this connection that with reference to the District Educational Officer's report, there is one Taluk in Vizagapatam District which has no High School (i.e.) Chipurupalli Taluk. This Taluk has only a Middle School and the Special Officer has forwarded an application to open Form IV in the School next year and the question is under consideration separately. All the other taluks are provided with High Schools.

S.M.Hindu Middle School,
Vegayammappeta
(East Godavari District)

The Special Officer, Dt.Board, East Godavari has forwarded a copy of the Resolution of the District Board--vide copy enclosed. The District Board has agreed to take

over the school subject to the conditions suggested but it laid down another condition stating that Government will have to sanction special grants for Capital expenditure for building sites and equipment since the finances of the District Board are inelastic. Since both the Zamindar and the District Board are willing in regard to the transfer of the school, Government may kindly pass orders in regard to the transfer of management of the school in the light of the further conditions laid down by both. The Special Officer has already been addressed as to whether the District Board is agreeable to the conditions stipulated by the Zamindar and his reply is awaited. He is being reminded in the matter.

S.R.High School,
Tuni
(East Godavari Dt)
R.V.M.High School,
Venkatagiri
(Nellore District)

The Rajah of Kottam has since forwarded the reply himself - vide, copy enclosed - on the lines of the reply sent by his Dewan previously. Since the Rajah wants to continue the school (i.e.) S.R.High School, Tuni under his own management even after abolition of estates the question of transfer of management of this school to the District Board does not arise.

As regards R.V.M.High School, Venkatagiri, the Rajah Sahab has since reported that he intends to continue the school under his own management - vide copy enclosed. The question of transfer of the school to the District Board management does not therefore arise.

S.R.High School,
Challapalli
(Krishna District)

The Rajah has stated that he proposes to continue the school under his own management even after the abolition of the estates-- vide copy enclosed. The question of transfer of the school to the District Board management does not therefore arise.

Rajah's High School,
Sivaganga (Ramnad Dt)

The Rajah has since furnished the reply himself on the lines of the reply sent by his Dewan previously. vide copy enclosed. Since the Rajah says that he is unable to come to any final decision on the question at present, it is obvious that the Rajah wants to continue the school under his management for the time being and hence the question of transfer of management of the school to the District Board does not arise at present.

Rajah's High School,
Ramnad.

The Rajah has since far As already stated in Director's letter Rc.2788 G2/48 dated 11-3-49 the question was required by the Rajah to be deferred.

Rajah's High School,
Ettayapuram.
(Tirunelveli Dt.)

The Rajah has since furnished the reply himself - vide copy enclosed on the lines of the reply furnished by the Correspondent of the School previously. Since both the Rajah as well as the District Board are willing in regard to the transfer of the School, Government may kindly pass orders in regard to the transfer of management of the school to the District Board.

B.Z.High School, Chittoor. As ~~xxxxxx~~ already reported, since the Zamindar wants to continue the school under his own management even after the abolition of the estates the question of transfer of management of the school does not arise.

P.R.College High School,
Cocanada.
R.R.Bh.R. High School,
Pithapuram.

The Zamindar of Pithapuram has reported that he wishes to continue both the schools under his own management even after the abolition of the estates - vide copies enclosed. The question of transfer of the schools to the District Board management does not therefore arise.

Maharajah's College High
School, Vizianagaram.

The Rajah of Vizianagaram reports that he has been in correspondence with the Hon'ble Premier of Madras in regard to the future set up of the Vizianagaram educational institutions and that since he has not received any definite communication from the Hon'ble Premier he is not in a position to give an answer immediately as to how he proposes to run the institutions.

Yours faithfully,

Subject 2. Read letter RC.No.2788-48-G.2 dated 21-1-49 of the Director of Public Instruction, Madras, stating that the Government consider it necessary to transfer the management of the Samasthanam High School, Bobbili and Sri Rajah's High School, Mandasa to the Visakhapatnam District Board on the abolition of the estates and requesting the District Board to intimate its willingness to take over the management of these schools.

(2) Read also letter No.862/49 dated 25-2-49 of the Dwan, Bobbili Samasthanam intimating that the Rajah Saheb of Bobbili intends to run the High School permanently even after the estimates are acquired by Government.

(3) Read this office letters RC.1389/46-A.6 dated 12-4-49 and 26-3-49 to the Director of Public Instruction, Madras, intimating the views of the Special Officer on the transfer of Mandasa High School, to the effect that it is not economical to the District Board to take over another High School in a taluk where there is already a High School run by the District Board.

(4) Opinion of the Board is requested on the question of taking over the management of the Samasthanam High School, Bobbili and the Rajah's High School, Mandasa by the District Board, subject to the conditions mentioned in the letter of the Director of Public Instruction, quoted in paragraph 1 above.

RESOLUTION: There is no need to take up the management of the Samasthanam High School, Bobbili as the Rajah Saheb is willing to maintain it himself. As regards the Mandasa High School the Board feels it uneconomical to maintain a second high school in the same taluk where there is already one maintained by the Board at Sompeta.

Schools under the
Control of Zamindars

W. 15-11-48

Extract from the file relating to taking over of the management of S.R.R. High Schools at Nuzvid and Vanapamula by the District Board, Krishna (disposed of) ----- in G.O. No. 2912 ED-8 18-11-48

The draft order may issue.

I think this matter should be considered from a general point of view rather than from the point of view of the individual school. It may be necessary for us to take up all the schools now being managed by Zamindars for the abolition of Zamindaris comes into effect. In fact, when I was in Kakinada recently, the Manager of a Zamindar came and asked me about the transfer of the schools run by that Zamindar to the District Board. I asked him to talk it over with the Special Officer of the District Board. I think it is necessary that we should evolve a common policy in the matter so that every similar question need not be referred to us for orders.

We are now paying two-thirds of the net cost to these schools and also certain other concessions are given to them as in the case of aided schools. I think we may ask the District Boards to take up the management of these schools and offer them this two-thirds concession as in the present case. This may be considered as a general question [and circulated to L.A., Finance and Revenue if necessary so that the matter may be decided once for all and we need not be considering piecemeal every question.]

T.S.A./17-11-48

Please see the minutes of H.M. (Edn) above. It has already been decided that local bodies should be allowed to take over the management of the schools in the Zamindaris and that as a special case teaching grants should be paid to local bodies in respect of these schools on the basis of two-thirds of the approved net cost of maintenance of these schools if at least the revised scales of pay fixed for the staff in secondary schools under local bodies are adopted with effect from the date of transfer of management of the schools if pay had not already been adopted. The

DPD was asked in Memo no 98123 B/47-5 Dn & 15.5.48 to ascertain reports which of the local bodies are willing to take over the management of the schools in the Zamindari within their jurisdiction and also to suggest the conditions subject to which the staff should be absorbed in the service of the DPB. His reply has not yet been received. A copy of the minutes of HM (Edu) may be sent to the DPD and he may be requested to specify the conditions subject to which local bodies may be permitted to take over the management.

Only individual cases are being considered - e.g. the High Schools at Mysore, ~~and~~ Vaniyambadi & Kichampudi.

Before permitting ~~the~~ a district board or Municipal Council to take over the management of a secondary school from the Zamindar, it is necessary to ascertain whether the financial position of the local body will permit the incurring of the additional expenditure involved in taking over the school or schools under its management. This will require each case to be dealt with on its merits. Further some of the local bodies may desire to modify ~~the~~ ^{in consultation with the LA Dept.} within relating to the absorption of the staff in their service. In case they are not willing to the condition that may be imposed by the Govt in this respect, they will have to come up to Govt. It is therefore doubtful whether it will be possible to issue a general order as contemplated in the minutes of HM (Edu).

A draft memo to the DPD is submitted below for approval. After issue, the remarks of LA may be adopted as to whether they would agree to district boards, Municipal Councils being permitted to take over the management of the schools in Zamindaries without satisfying that the financial position of the local body will permit the under taking of the fresh addl. liability or not.

Please see the minutes of H.M. (Edu.) on p.1 ante and the notes of Edn. & P.H. from p.1 ante.

The financial position of ^{most} ~~certain~~ District Boards and M.L.Cs. will not admit any addl. commitment. Many of the local bodies find themselves unable to show a balanced budget on account of the increased cost of their estt. and other growing demands. The difficulty is temporarily tided over by appropriation from the Arrear Toll Compensation grant. This grant will not be ~~also~~ available after 1948-49. There are only very few ml.cls. and dt. boards whose financial position is fairly satisfactory. It seems therefore ^{necessary} ~~desirable~~ to examine the financial position of the dt. boards and ml. cls. concerned before transferring the Secondary Schools in ^{areas} ~~Zamindaries~~ to their management.

With these remarks the file may be returned to E. & P. H. U. O.

The financial position of mpe councils is generally sound. Secondary schools maintained by Zamindars in mpe areas may be transferred to the mpe cls subject to two - thirds net cost being met from Govt grants.

~~DPB~~ Most dt has

are unable to balance
their Ely Edn budgets and
large Govt grants are necessary
to every year towards meeting
their deficit in the Ely Edn Fund.
So, the transfer of secondary
schools to dt wds wd be
considered in each case
on its merits. In the case of

for Govt to meet the full net
cost of the secondary schools in
question.

Please see the notes of L.A. Deptt. at pp 3-4 above.
They are of the opinion that the financial position
of Ml. clb is generally satisfactory and as to
and that secondary schools in the maintained
by zamindars in municipal areas may be taken

p 3 ante

The number of such schools is four - viz. Nos 2, 3, 4 and 13 on pages 4-5 of
over by the Ml. clb concerned. L.A are however of
the opinion that in respect of the transfer of
management of secondary schools under zamindaries
to Dt. Bds. the question will have to be considered on
the merits of each case as the general financial
position of the Dt. Bds. does not warrant issue of
general orders.

2. The D.P.G. has furnished particulars regarding

Of these, the transfer of management of two schools at Nagri and Vamapamudi has been approved in G.O. No. 2912 E.L. 18-11-48. The cases of the schools at Kinkampudi and Pungamur are under separate consideration.

the net cost of maintenance of the 19 secondary schools under the management of zamindars.

He has worked out the cost of running these sch. schools if Govt. scales of pay are adopted and also if local body scales of pay are adopted. The Director does not however appear to be in favour of issue of general orders. He has reported that in some cases the zamindars may like to manage the schools even after the abolition of zamindaries and that the number of such persons

willing to continue maintain the schools after the abolition of zamindaries is not known. He does not appear to have consulted the zamindars in this respect. It seems better to consider the question of

transfer of management of these schools to the local body concerned, individually on the merits of each case. The file may be circulated to

H.M. (Edn) for orders with reference to his minutes at plants.

(Issued as Memo No 89470 B1/48-3 Edn dated 31-1-49) pp 7-8C.F.
From the D.P.I. R.C.No 2788 G2/48 dated 26-1-49 and 11-3-49 pp 9-13 C.F.
and 14-15 C.F.

Please see the letter from the D.P.I. on pp 9-13 C.F. wherein he has suggested the conditions subject to which the transfer of management of secondary schools in Zamindaries may be effected to the district board or municipal council concerned if the Zamindar so desires.

2. The suggestion of the D.P.I. that if in the vicinity of the schools the Zamindars have their own buildings and vacant sites and if they are required for the future needs of the schools, they should be made over to the local body concerned does not seem acceptable as it would not be fair. It is open to the local body to acquire it by private negotiation or under the Land Acquisition Act compulsorily if and when required. The suggestion need not be accepted.

3. The Director's suggestion that in cases where the Zamindar is not in a position to clear off the outstanding liabilities himself, the St Bd or Municipal council should undertake the legitimate liabilities subject to the condition that Govt advance the necessary funds to help the local bodies concerned towards clearing off the liabilities, is not acceptable. The Govt cannot compel a district board or the municipal council to take over the liabilities of a private management. If the local body concerned is willing to undertake the liability and if it is not in a position to meet the liabilities from its general funds and applies for a loan, the question of granting a loan may be considered after examining the financial position of the local body and facilities available for the grant of the loan. This need not be a general condition of transfer.

3. The other conditions suggested by the D.P.I. are unobjectionable. They are based on the conditions imposed already by Govt in certain cases. The D.P.I. may be informed that the conditions specified in the list at (A) put to the local bodies and Zamindars in cases where transfer of management of schools in Zamindaries is to be effected.

4. The D.P.I. has already consulted certain local bodies in the matter. The further report promised in his letter on 14.15 may be awaited.

A draft memo is submitted below for approval. It need not be sent to Finance as each case will be sent after the conditions are settled.

Memo no 89470 B1/48-3 Edn 29.4.49

Cno. 32487 From the D.P.I. R.C.No 2788 G2/48 dated 26-1-49

The D.P.I. reports that in respect of the under mentioned schools, the question of transfer of management to the local bodies concerned need not be considered as the Zamindars concerned proposed to maintain themselves even after the abolition of Zamindaries.

- (1) Samsathuram High School, Bobbili (Vengal)
- (2) S. R. High School, Tuni (East Godavari)
- (3) R.V.M. High School, Venkatagiri (Nellore)
- (4) S. R. High School, Chellapalli (Krishna)
- (5) Rajah's High School, Sivaganga (Ramanthapur)
- (6) B. Z. High School, Chittoor
- (7) P. R. College High School, Kakinada
- (8) R. R. B. H. High School, Pithapuram

The Director states that the Rajah's High School, Mandasa, the Rajah of Bobbili has not sent any reply in spite of reminders and that Govt may address the Rajah direct. It may be pointed out that the Rajah will continue to maintain the school as he has proposed to do in respect of the school at Bobbili. It is the hope of the Rajah Sahib to transfer the school to the management of the District Board, Vizagapatnam if he cannot maintain the school himself.

2. The Director has reported that the Rajah Sahib, Ettayapuram Samasthanam has agreed to transfer the management of the High School to the Dt Bd + the Board has agreed to take over the management. Action may be taken separately in regard to this school + also in respect of the S.M. Hindu Middle School Vegayammapeta (East Godavari) - which the Dt Bd East Godavari has agreed to take over.

3. In respect of the Maharajah's College High School, Vizianagaram. the D.P.S. has reported that the Rajah is not in a position to give an answer immediately as to how he proposes to run the institution. The question of transferring the institution to the local body concerned may be considered if + when the Rajah moves in the matter.

4. The Rajah of Ramnad has reported that the question of transfer of the Rajah's High School Ramnad to the Dt Bd may be deferred till his application ^{for an annual grant} of Rs 10,000 out of the surplus funds of the Ramnad Devasthanam is disposed of. As the Dt Bd has agreed to take over the management of the school, the final decision of the Rajah may be awaited.

5. As each case has to be considered separately no further action is called for in this file. The papers may be

Vide Govt letter no 27 of 1/5/49. The question may be considered if + when the Raja Sahib moves in the matter.

4. As regards the S. R. R. High School, Challaipalli attention is invited to the Director's Re. No. 2788 G₂ / 48 d/ 18-4-49 wherein it was reported that the Rajah of Challaipalli proposes to continue the school under his own management. and that therefore the question of transfer of management of the school does not arise. In view of this, the D.P.S. may be informed that the question of transfer of management of the school to the Dt Bd. Krishna does not arise.
