ASST. SECRETARY TO GOVERNMENT EDUCATION AND PUBLIC DEPT.

No.Tdr/49-50. Dated 18th April 1949.

Sir,

Sub: Tenders - 1949-50 - Government Press Stores.
Ref: G.O. Mis. No.462 Edn., dated 19-2-1949.

(C)

I am to forward herewith the tenders received from the contractors for the sypply of Government Press stores for the year 1949-50 and request that orders regarding acceptance may be passed early.

(N) 2. This system of calling for annual tenders was suspended from the year 1942-43 owing to abnormal conditions created as a result of war (vide G.O. No. Ms. 806 Edn., dated 1-6-1942). Consequently upto last year quotations were called for quarterly and purchases made according to timely requirements.

N 3. Since it was too late for giving publicity in local dailies, tender notices were sent to almost all contractors numbering about 44 and the tenders received are classified in Group-war indicating the acceptance from suitable contractors. However, purchases will be made from 1-4-49 from the contractor shown herein subject to ratification by Government of my action in having done so.

Group I - Wood.

There are only two tenderers in this Group, viz, A. Sreeramulu Naidu and N.V. Mamally Sons. The lowest rates as indicated below may be accepted:-

N.V. Mamally & Sons:

p 27 infra

Kalpynewood	6" x 2"	..	Re.0-9-9	per running ft.
"	4" x 3"	..	0-9-6	-do-

A. Sreeramulu Naidu:-

p 31 infra

Ply-wood	3 Ply	6 ft. x 4 ft.	-	Rs 11-7-0	each Indian made.
"	4 "	6 ft. x 4 ft.	-	13-11-0	-do-
"	5 "	6 ft. x 4 ft.	-	15-11-0	-do-

As for the other items not tendered by any one in this group, quotations will be called as and when required and purchases made accordingly.

Group II - Hardware.

There are three tenderers in this group, viz. Hasanali Nanabhai, E.A, Ali Mohamed & Co. and S.R. Bakthavatsalu Naidu.

S.R. Bakthavatsalu Naidu is not a hardware merchant. He is in the employ of Messrs. C. Muthialu Chetty & Sons and therefore he has not acquired any independent status to become a contractor. He has also to depend on other Hardware merchants for timely supplies if his rates are accepted. In order to avoid unhealthy competition I am rejecting the tender furnished by him. The lowest rates from among the other two are furnished below and they may be accepted.

Hassanali Nanabhai:

Sectional Notes

In future. tion is that the Treasury Bills Book (in Madras Treasury Code Form 70) now being maintained by the Police and Jail Departments as a measure of safeguard against fraud of forgery may, with advantage, be introduced in all other departments of the Government. The Government accept the suggestion and direct that the procedure outlined in Instruction 33 under Treasury Rule 16 be followed hereafter in all Departments while presenting bills for payment at a treasury or sub-treasury.

2. The following amendments to the Madras Treasury Code Volume I are issued:-

Instruction 33 under Treasury Rule 16:-

Substitute the following for the existing Instruction:-

"Every Office should enter particulars of all its bills that are presented for payment at the treasury in a book called the 'Treasury Bills Book' (Form 70) which should be presented at the Treasury along with each bill. The Treasury Officer should not pass any such bill for payment unless the Treasury Bills Book is presented with it. The Treasury should fill up columns(8) to (10) of the book. If the amount paid differs from the amount claimed, the Government servant who initials in column (10) of the book should note~~xx~~ the amount paid when signing against the item.

Exception - It is not necessary to present the Treasury Bills Book along with any contingent bill endorsed in favour of a private party or with the Police Department's bills relating to bus owners' claims or with the travelling allowance bills of the Railway Police which may be paid at Sub-treasuries without pre-audit by the Treasury Officer."

II. Instruction 56 under T.R. 16:- For the heading "Special to the Police and Jail Departments" substitute the heading "Applicable to Departments Generally" and re-cast the first sentence as shown below:--

"56. Treasury Bills Book. The Treasury Bills Book need not be presented at the Bank along with any bill passed for payment at the Bank."
