In the Government Order cited above, I was asked to take over the administration of the Pudukkottai State Museum, and this I have formally done. The administration Report of the Pudukkottai State Museum for 1948-49 will be the report of the work of the Curator thereof partly under the direction of the Dewan and partly under the special Deputy Collector who used to consult me from time to time. I presume there will be no objection to my incorporating the Report on the Pudukkottai State in my annual administration report. If so, sanction of the Government may
