Ref: Govt. Bdtd. No.23462 22/48 dated 8-4-48.

In resubmitting herewith the papers received with your endorsement read above, I have to state the Commissioner, Madura Municipality reports that the resolution to introduce compulsion was passed unanimously by 19 members of the municipal council. He reports that the figures 18 and 19 against items 3(a) and 3(b) represent the girls' schools located in rented and own buildings respectively throughout the city. The number 12 indicates the girls' schools existing in the 7 wards, wherein compulsory Elementary Education is proposed to be introduced. The Deputy Inspector of Schools (Women) Madura states that there are no aided elementary schools for girls. School No.4 i.e. Selur A.M.C.C. Girls School is a mistake and it is a boys' school. No.19 i.e. Keerathurai A.M.C.C. is not at all in existence. It is reported that the cost of the building, equipment etc. will be met from the receipts under Elementary Education funds, which will have to be strengthened by increased grants from Government. It is further reported that the estimated expenditure for the introduction of the proposed compulsion i.e. Rs.16,000/- and this sum represents capital expenditure of Rs.4,500/- and expenditure incurred annually Rs.11,500/-.

2. In the circumstances stated above, I recommend the introduction of compulsory Elementary Education for girls in the seven wards of the Madura Municipality.

Yours faithfully,

SUB:- Introduction of Compulsory elementary education in seven wards of Madura Municipality

REF:- From the Commissioner, Madura Municipality, No.C.4/25210/45, dated 19-3-48.

Endorsement of the D.P.I. No.980-B1/48, dated 16--8--1948.

The Commissioner, Madura Municipality, has submitted proposals for the introduction of compulsory elementary education for girls of school age in seven wards of the Municipality. Presumably, compulsory elementary education is in force in respect of the boys in these wards. The D.P.I. recommends the proposal of the Council.

2. It has been estimated that there are ~~4364~~ 4364 girls of school-age in the area of the seven wards out of which 3093 girls are at present attending schools. If the scheme of compulsory elementary education is to be introduced in the seven wards, provision should be made for the education of 1271 girls. The extra expenditure has been calculated at Rs.16,000 (of which Rs.11,500 is recurring and Rs.4,500 is non-recurring).

and

The Receipts ~~of~~ expenditure in the E.E.Fund of the Municipal Council are indicated below:-

Receipts:-	Rs.
Education tax ...	3,03,600
Other receipts	1,000
Govt. contribution in respect of edn. tax	1,07,500
Govt. contribution under proviso to sec. 37 of the Act (Madras Act No. 23 of 1938)	12,826
Contribution from General Funds	50,107
Total receipts	4,75,033

Expenditure:- 4,38,060

Surplus 36,973

It will be seen, that the additional expenditure on the extension of the scheme of compulsory education can be met from the E.E. Fund.

3. The Council does not propose to grant any exemption under section 48 of the E.E. Act. It

has been the practice to exempt girls above the age of 8 from the effect of compulsion as such girls, if newly enrolled cannot be retained in schools till the completion of the ^{five year} course. If any exemption should be granted to these girls the Municipal Council should be asked to send a resolution to that effect.
