Rc.No.379 K3/47 dated 11th May '49

Sub:--Schools--Government Secondary and Training School
for women, Cuddalore--Forms IV to VI--Continuance
--Sanction--requested.

Ref:--G.O.Ms. No.1355 Edn. dated 27-5-48

With reference to the Government Order cited above,
I have the honour to submit the following proposal for the continuance
of Forms IV to VI in the Government Secondary and Training School
for women, Cuddalore during the School year 1949-50.

The Strength of Forms III to VI in the School in the
Current School year is as follows:--

Form III	-	40
" IV		19
" V		15
" VI		11

The Superintendent reports that out of the 40 girls
in Form III 32 have expressed their desire to continue up to the
VI Form in the school and she expects adequate strength in Form IV
next year. She also reports that she has made contacts with the
public personally through prominent people of the locality as also
through the members of the Staff. She feels that if the uncertainty
about the life of the High School is removed and the public mind
set at rest the strength of the School will improve in the next
year or two. Further, the circumstances that necessitated the
continuance of the Form in the Current School continue to exist
and I am of opinion that the condition of the School will improve
in due course with intense propaganda. I am instructing the
Inspectress to take necessary steps in this direction.

I therefore request that Government may be pleased to
continue the High School Forms in the School during the next School
year.

Yours faithfully,

E. Sankaran 12/5

Re: No. 512, K. V. dated 11th May 1948

Ann:--Nocodis--Government Secondary and Training School
for women, Cuddalore--Forms IV to VI--Continuance
--Sanction--Requested.

Ref:--G.O. No. 1355, dated 27-5-48

With reference to the Government Order of the
1st June 1948, I have the honor to acknowledge the receipt of the
letter of the Government Secondary and Training School
for women, Cuddalore dated 11th May 1948.
The strength of Forms IV to VI in the school in the
current school year is as follows:

40	Form III
19	IV
15	V
11	VI

The Superintendent reports that out of the 40 girls
in Form III 22 have expressed their desire to continue up to the
VI Form in the school and the balance 18 are to be sent to
other schools. The Superintendent also reports that the girls who
are to be sent to other schools are the girls who are not
sufficiently bright to continue in the school. The Superintendent
also reports that the girls who are to continue in the school
are the girls who are sufficiently bright to continue in the school.
I am of opinion that the continuation of the school will improve
the standard of the school and the girls who are to continue
in the school will be benefited. I am, therefore, in favor of
the continuation of the school in this direction.

I therefore request that Government may be pleased to
continue the High School forms in the school during the next school
year.
