Ref:--1. G.O. No. Ms. 2753 Edn. dated 3.11.48. — pp36-37 c.f. (B)
2. My letter Roc. No. 306 J/47 dated 3.4.48. — p22 c.f. (B)

In my letter cited above, it was suggested that the bulletin proposed may contain advertisements, if the same could be obtained. I request the orders of Government on the same. Apart from reducing the cost of production it is expected that the advertisements themselves would furnish useful information to teachers about the latest educational publications, as it is chiefly publishers who may avail themselves of the opportunity. The advertisement tariff of the women's welfare journal, a Government monthly publication which takes in private advertisements is as follows:--

	Casual contract	3 months & More.
Quarter page per insertion per month	12	10
Half " " "	20	18
Full " " "	35	30
Inner cover pages " "	40	35
Back cover outerpage	45	40

2. Regarding the sale of copies, it is suggested that the Superintendent, Government Press, Madras may be requested to receive the subscriptions and supply the bulletien to the subscribers direct. It is also requested that the supply to the Departmental officers and institutions may be arranged to be supplied to by the Superintendent, Government Press, direct as is done in the case of Fort St. George Gazette. This will mean avoidance of delay in transmission of the news regarding educational matters to the departmental officers and they may be in a position to have an up to date information.

3. In the 2nd para of the G.O. quoted above, Government have ordered that the English edition is intended for Malabar and South Kanara districts only. It is proposed for the approval of the Government that the English copy of the bulletin may be made available, apart from the two districts mentioned in the G.O., to the City of Madras and to bilinqual areas as North Arcot and Chittoor and for interdepartmental and inter-provincial publicity. The Departmental officers and institutions may also have to be supplied with English copies.

4. A further report will be submitted in due course regarding the last para of the G.O.

With reference to the copy of the Director of Public Instruction's letter (quoted above) forwarded to me for remarks, I have to state that Director of Public Instruction's proposal for accepting private advertisements may be approved. The tariff chargeable will be worked out in consultation with the Director of Public Instruction if Government approve in principle the acceptance of private advertisements.

With reference to para 2 of the above quoted letter, I have to state that the magazine referred to is purely a departmental publication and the average number of copies in each language is only about 1200. Further I am also to state that owing to the heavy pressure of work, I am not in a position to take up distribution and maintenance of accounts and as such Director of Public Instruction may be requested to take up distribution and maintenance of necessary accounts.

It has been suggested that the work may be left to somebody in the Lady Willingdon Training College itself and that for the purpose, an upper division clerk who can also be the manager for the magazine may be sanctioned. It has also been suggested that, if necessary, the magazine may be printed outside the Govt. Press. With reference to para 2 of the Government memo quoted above, I have the honour to propose that a clerk (with typewriting qualification) in the scale of Rs.45-3-60-2-90 p.m. plus the usual allowances may kindly be sanctioned immediately and the post attached to the establishment of the Lady Willingdon Training College, Madras, so long as the Principal, Lady Willingdon Training College continues as the Editor of the magazine.

p.13 supra

P 2. As for the number of copies required to be printed, I submit herewith a copy of my letter Roc.No.306J/47 dated 7-12-48 to the Superintendent, Government Press, Madras. Since the issue is to be in English only in the first instance, the number of copies that may be printed is estimated at 3000. Q In connection with the distribution of the magazine to Departmental officers, etc., I understand that the Superintendent, Government Press, Madras, declines to handle the matter. In as much as a clerk is asked for, I propose that the collection of subscriptions and distribution to the subscribers may be taken up by the Editor and Manager herself. A In this connection, I have to state that certain number of copies have been fixed for free supply to Departmental officers, etc., as will be seen from my letter addressed to the Superintendent, Government Press, Madras. The Editor has suggested ~~the~~ that subscription need be paid by the departmental officers also ~~and~~ but that the subscription may be met from provincial funds - Allowances for periodicals in Government institutions and offices. I agree with her suggestion and request the approval of Government in the matter.

page 13 infra

3. As regards the format and the rate of subscription, the Deputy Superintendent, Government Press, was contacted by the Editor. The Deputy Superintendent, Government Press has said in regard to the form of the booklet, B that it should be like that of the booklet on the Education Reorganization Scheme. The same cut of paper with double columns as in the Readers' Digest would, he thinks, be more attractive - magazine like. The Deputy Superintendent's suggestion has been agreed to by the Editor.

4. The Deputy Superintendent, Government Press is reported to be of the opinion that though Rs.3/- may be possible as annual subscription when more than 3000 copies are sold, even Rs.4/- (Re.1/- per copy) may not be sufficient to cover expenses in the beginning. But he has agreed that it might be fixed at Rs.4/- (postage included); It seems possible

PR 25/3/49

to have a balanced budget by (1) increased subscriptions (later) (2) cutting down of expenses (later issues - perhaps a few pages or blocks less); (3) increase of revenue (putting in advertise- ment); (4) or meeting the **definit** (not a large one) from Provincial funds. I concur with his opinion and Rs.4/- per annum may be fixed as subscription and Re.1/- the sale price per number.

5. The Editor may also be allowed to send out free copies to the members of the Editorial Board to contributors, samples to Press, to other Governments and to those to whom the Government direct free supply.

6. The Editor has requested the Director to advertise in the Press regarding the New Education. This may be permitted.

7. As regards the members from the Teachers' College, Saidapet, and Lady Willingdon Training College, Madras, called for in the Government memo quoted above, I have the honour to state that Sri T.Sivasailam Pillai and Miss Nathaniel were the nominees from the respective colleges.

8. The following points have also been raised by the Editor:-

(1) Declaration as Editor and Publisher before the Chief Presidency Magistrate:- The Editor has stated that since the Government Press is printing the New Education and the Director of Public Instruction is publishing it, she need not declare herself as Editor, with a representative of the Government Press to support her claim before the Chief Presidency Magistrate. The Editor has been informed that the question whether she has to declare herself before the Chief Presidency Magistrate as the Editor and Manager of this magazine has been referred for orders of Government. I request that the Government's orders on this matter be kindly communicated as early as possible.

Sir,

Subject: Books and Publications "New Education" - Sanction of a steno-typist and a peon - Requested.

PP 21-22/ ef. (B)

Ref: G.O.Ms.No.1693 Education dated 24-5-1949.

It has been reported to me by the Editor of 'New Education' that the amount of work involved in correspondence, consolidation and arrangement for publication justifies the need for a full time steno-typist. It is also stated, because of the lack of a typist, there are several type mistakes in the magazine and that this could only be avoided by having a qualified steno-typist. Further, the appointment of a steno-typist will help to expedite work and minimise delays in correspondence.

2. The Editor has also requested me for sanction of ~~a~~ post of a peon as a temporary measure for one year. He will have full work to go to the Government Press and to firms which give advertisements and also to attend to the packing and despatch of journals.

3. I, therefore, request Government to kindly sanction one Steno-typist in the place of the present clerk-typist, as it is not necessary to have a steno-typist in addition to the present clerk, and to sanction a peon temporarily for one year.

Yours faithfully,

The Editor (Principal, Teachers' College, Saidapet) is now given the assistance of a clerk-typist. The publication is only a quarterly one and it should not be difficult to manage with the clerk-typist's help. A peon also seems unnecessary. It should be possible for the Editor to ~~utilise~~ the services of one of the peons in the Teachers college, Saidapet. The draft memo is for approval. Finance may see before circulation.

In para 3 of the Government Memo cited, the Government have called for detailed proposals for placing the accounts relating to the Journal "New Education" on a more solid and sound footing, so that misappropriation of the kind brought to notice does not occur.

2 In this office letter (ii) cited, it has been reported to Government that the Director has not come to a decision regarding the question of running the journal and that only after coming to a decision, the question of placing the accounts of the journal on more solid and sound footing would arise.

3 In continuation of this, I may report that since the journal "New Education" ceased publication years back, it has been decided by the Director in consultation with the Principal, Teachers' College, Saidapet not to revive the publication of the journal, as a number of journals (on Educational matters) are now published by Government of India.

4 The post of clerk sanctioned for the purpose is reported to have been kept vacant from 1.11.1963. The post may be deemed to have been abolished with effect from 1.11.1963.

(P.T.O.)

4. With regard to the free supply of copies of the magazine to the departmental officers, the Director reports that the Editor has suggested that subscriptions may be paid by the departmental officers also just as the private subscribers will do, but that the subscriptions be met ~~frxxm~~ from provincial funds, i.e., debited by the officers to their respective office contingencies, under "Allowances for periodicals in Govt. institutions and officers". (Last seen in Finance on page 9 above).

The file relates to the printing and distribution of a x magazine entitled ~~the~~ "New Education" the publication of which was sanctioned in G.O.No.2753, Edn. dated 3-11-1948.. please see in this connection the D.P.I.'s remarks on pages 9-~~11~~ C.F. and the note of E.& P.H. from the middle of page 7 above. The case has been sent to Finance with reference to paras1,2,4, 6 and 7 of the notes on pages 7-8 above.

Z on p 9 above

Para 1 on p.7 above - The journal is to be printed at the Govt.Press,Madras but ~~xxxxxxxx~~ since the S.G.P. has not time to arrange for the distribution it is proposed to employ a clerk in the scale of 45-3-60-2-90 plus the usual allowances to collect subscriptions and to ~~xxxxxx~~ assist the Honorary Editor of the Magazine who happens to be the Principal of the Lady Willingdon Training College,Madras. It is proposed to take into account the cost of the clerk in fixing the sale price of the magazine. The proposal may be accepted in Finance.

K on p 11 above

14.4.49

Para 2 on p.7 above - The magazine is to be published quarterly ~~only~~ in the English language only to begin with and the D.P.I. suggests that 3,000 copies of the magazine may be printed of which 700 are to be distributed free. It is proposed to fix the ~~sale~~ Sale price at Re.1/- per copy and the annual subscription at Rs.4/- including postage. It is expected that the publication may become self-supporting in due course

though it may be necessary to meet a small deficit from Provincial funds in the beginning. This proposal may also be accepted in Finance.

Para 4 on p.8 above - It is proposed ~~km~~ that the Government officers who wish to ~~m~~ subscribe for this journal should also pay for it by debiting the cost to the contingencies of their offices. As already stated the journal is to be printed at the Govt.Press,Madras the expenditure being debited to "56.Stationery and Printing". The receipts by way of subscriptions will presumably be credited to "XLV. Stationery and Printing". If so, it is not clear why departmental officers should pay for this journal ~~and~~ when no ~~xxx~~ such payments are made in respect of the other Govt.journals supplied to Pub. offices. The proposed payment of subscriptions is also opposed to the provisions of article 60 of the Account Code,Vol.I besides involving unnecessary accounting in the various offices which propose to subscribe for the journal.

Free copies may be circulated to the important Deptl. and officers to be selected by the D.P.I. and approved by Edn. Dept. The number may be revised on necessity.

Cd
16.6.49

In these circumstances E.& P.H. may ascertain from the D.P.I. whether he still considers it necessary to recover the subscriptions from the departmental officers.

Para 6 on p.8 above - In view of what is stated at 'B' on pp 11-12 above, no further remarks are called for on para 6 of ~~the~~ E.& P.H. note on p.8 above.

Para 7 on p.8 above - This para relates to the proposals of the D.P.I. in paras 5 and 6 on p.11 C.F. These proposals which have been accepted by E.& P.H. may be accepted in Finance also.,

With the foregoing remarks the case may be returned to E.& P.H.
