Office of the
Director of Public Instruction
Madras, dated, 11th May 1949.

From

The Director of Public Instruction
Madras.

The Secretary to Government
Education and Public Health Department
Fort St. George, Madras.

Sir,

Subject:- SCHOOLS -- Government High School for girls, Salem -- Temporary posts of secondary grade teachers -- Continuance -- Sanction requested

Reference:- (i) G.O.No.1304 Edn., dated 24-5-58.
(ii) G.O.No.1650 Edn., dated 23-7-47.

The sanction accorded in G.O.No.1304 Edn., dated 24th May 1948 for the continuance of classes II and III and the second section in Form III and the posts of two secondary grade teachers sanctioned therefor will expire by the end of the current school year.

The sanction accorded in G.O.No.1650 Edn., dated 23rd July 1947 for the continuance of a secondary grade teacher employed for the additional section in class IV - abolished and the provision utilised for one of the classes II and III, with effect from the current school-year - will expire on 30-9-1949.

The number of sections in each of classes II to V and Forms I to III and the strength of the school are furnished below:-

Class or Form	No. of Sections	Strength.
Class II	1	45
Class III	1	43
Class IV	1	45
Class V	2	86
Form I	2	85
Form II	2	96
Form III	2	85

From the next school year class II and one section of Class V will be closed as I consider that there is no need to continue the lower classes in Government Secondary Schools and that the provision of these classes could be utilised for the existing facilities for Secondary Education. Hence two posts of secondary grade teachers (one permanent and one temporary) will be available in the next school year for utilisation for the additional sections.

From the strength of Class V and Form I and II it may be seen that there is need for the continuance of the second section in each of Form I to III in the next school year. The Superintendent reports that a large number of admissions are expected in Forms I and II in the next school year and that she expects a strength of 135 pupils in each of the Forms. She therefore requests permission for the opening of a 3rd section in each of the Forms I and II.

The additional sections (second) in each of the

Forms I and II have a permanent secondary grade teacher released consequent on the abolition of the additional section in Class V and Class II and respectively from the next school year will be utilised for the third section in each of Forms I and II.

In the circumstances, I request that Government may be pleased to sanction

- (1) the continuance of Class III and the additional section (second) in Form III,
- (2) the opening of a 3rd section in each of the Forms I and II, and
- (3) the continuance of the 3 posts of secondary grade teachers sanctioned in the G.O.s cited above upto the end of the school year 1949-50.

The three posts of secondary grade teachers will be utilised thus

One for the additional second section in Form III.

One for the 3rd section in Form II.

One for Class III.

Yours faithfully

G. Sankaran
