particulars regarding the no. of villages selected for the introduction of the Scheme of Compulsory Elementary Education are given in the Statement (A) which may be placed on the table of the house. As regards the cost of the Scheme, the Scheme was first introduced in 1945-46 with a provision of Rs 20 lakhs. It was extended in '46-47 at a cost of Rs 22 lakhs. A provision of Rs 13½ lakhs

was made in 47-48 for the further extension of the scheme. The provision made each year for the scheme was over and above the allotment required for the continuance of the scheme already sanctioned. The actual expenditure was however less each year. The number of children that would have been brought to schools during each of the 3 years may be as follows.

1945-46	—	1.20 lacs
1946-47	—	1.40 "
1947-48	—	1.00 "

A draft answer is submitted for approval. This may be circulated to HM (Edn.).

Complete particulars have not been received from certain districts regarding the number of children brought under ~~instruction~~ compulsion upto the end of 1947. The figures relating to the previous quarter have therefore been adopted. The actual expenditure incurred in respect of compulsion during 1945-46, 1946-47 and 1947-48 are also furnished below:

Enrolment achieved upto 31-12-46.....1.69 lakhs of school going children.

Expenditure - Actual.

1945-46..... Rs.13,72,337.
1946-47..... Rs.50,53,513.
1947-48..... Rs.33,04,644.

The low expenditure in 1945-46 was due to the fact that the scheme of compulsion was introduced very late in that year. The fall in expenditure during 1947-48 is due to the termination of the mid-day meal scheme from 1-4-47.
