Enclosures: ROC. No.2222-W1/47 dated 4th June 1948.

Sir,

SUBJECT: War - Further Education and Training of demobilised personnel - Medical licentiates undergoing training in the Lake Medical College, Calcutta - Rate of maximum maintenance allowance for 1947-48 - Clarification requested.

REF: G.O.No.(Ms) 594 Edn., dated 20-3-1948.

With reference to sub para (2) of para 1 of the G.O. referred to above and in accordance with the resolution of the Further Education Board passed at its meeting held on 5.4.48 (copy submitted to Government with my letter Roc No.2222-W1/47 dated 26.4.48 for favour of approval), I sanctioned maintenance allowance to 10 ex-service medical licentiates reading in the Lake Medical College, Calcutta, at the maximum rate of Rs.75/- p.m. having regard to the financial position of each candidate for the academic year 1947-48 - Vide appendix for the names and the actual amounts sanctioned. In his letter No.8-44/48 Res. dated 12.5.48 to the Surgeon-General with the Government of Madras, the Director-General of Health Services, New Delhi (copy enclosed) states that the maintenance allowance sanctioned by me exceeds the amount of Rs.660/- per annum approved by the Government of India. The maintenance allowance of Rs.900/- per annum was fixed by the Local Government after some correspondence with the Government of India. It is not known how the Director-General contends that Rs.660 has been approved by the Government of India. I request the orders of Government as to the action that I should take in the matter, in the light of the letter of the Director General of Health Services, New Delhi.

P.T.O.

- 2) The rate of maintenance allowance to be sanctioned to these candidates in future may also be intimated.
- 3) I request the favour of early orders.

The Principal, Lake Medical College, Calcutta, has since intimated that sanction has been received by him only for the grant of a maintenance allowance to your Provincial Candidates admitted into the college in June 1947 session. It is observed that the maintenance allowance sanctioned for each of these students exceeds the amount of Rs.660/- per annum approved by the Government of India. The Government of India cannot pay more than the approved amount. It is requested that the details of leave, maintenance allowance, and other financial concessions granted to your students may kindly be communicated to this Directorate General.

To The Secy. to the Govt. of India
Ministry of Health, New Delhi
(with copy of p3 CF)

Sir,
Sub: Madras Licentiate at the
Lake Medical College, Calcutta
Grant of financial assistance

I am directed to refer to this Govt's letter No. 24504-B D.P.H. dated 26-5-47, where the Govt. agreed to the proposal of the Govt. of India that the Madras students at the Lake Medical College, Calcutta should be paid certain allowances including a maintenance allowance of Rs. 660 per annum. In March 1948, the D.G. with this Govt. reported that in view of the high cost of living in Calcutta, the Principal Lake Medical College, Calcutta had suggested increasing of the rate of maintenance allowance from Rs. 660 per annum or Rs. 55 per mensem to Rs. 85 per mensem and recommended that the rate be fixed at Rs. 95 per mensem or Rs. 900 per annum. Accordingly the Govt. sanctioned payment of the allowance at the rate of Rs. 900 per annum with effect from 1-1-48. Vide paragraph (10) of this Govt's proceedings No. 594 dated 20-3-48 copy forwarded with letter No. 91603C/47 dated 20-3-48. The D.G. H.S. has now in his letter No. 8-44/125 dated 12-5-48

to the D.P.S. Madras (copy enclosed) taken
exception to payment being made at
this rate. // I am ^{referring} directed to the correspondence
ending with this Govt letter No. 81595
D/P-3 P.H. d. 15-12-47 and to say that
~~as~~ as the Madras students undergoing
the D.T.H. course at the School of
Tropical Medicine ^{Calcutta} and being
paid a maintenance allowance
of Rs. 75 per mensem, it is not only
reasonable that Madras students
at the same Medical college in the
same city should be paid the
maintenance allowance at the
same rate. I am, therefore, to request
that the Govt. of India may agree
to the Madras students at the same
Medical college being paid at
the rate of ~~Rs. 800~~ Rs. 75 per mensem or
Rs. 900 per annum from 1947-48. // I am also to refer
this ~~and~~ connection to refer to your
letter No. F. 7-13/47 d. - PR, d. 23-6-48,
^{in which} where a maintenance allowance of
Rs. 65 p.m. has been proposed for the
Madras students who may undergo
the D.P.H. and the D.P.H. & Hygiene courses
at the All India Institute of Hygiene
and Public Health, Calcutta and to
enquire whether it would not be
feasible to adopt some uniform
rate for the payment of maintenance
allowance to all ^{Madras} students who are
~~and who may~~ ^{having} pursuing their further
education in the institutions ~~at~~
Calcutta.

Yours faithfully,

Recently the Madras students in Lake Medical College represented
for payment of enhanced maintenance allowance of Rs.70/- per mensem.
The above representation was forwarded to Director-General of Health
Services, New Delhi pointing out that though this Government agreed
to pay Rs.75/- per mensem the Government of India and the Director-
General of Health Services, New Delhi objected to the same. He says
that the Government of India have since, in their letter NO.P.20-25

payment of Boarding and Lodging allowance from Rs.55/- to Rs.65/-

Ref: 16381-1.Res. I.

dated 24-2-49.

Sir,

Sub: Financial assistance to de-mobilised medical licentiates- desirous of undergoing condensed M.B.B.S. course- in Lake Medical College, Calcutta.

I enclose herewith a copy of letter* No. P.20-25/48-M.I dated 25-8-1948, of the Government of India, Ministry of Health, received from the Director-General of Health Services New Delhi together with a copy of his letter No. S-21/48-Res. dated 16-2-49 for the information of Government and request that orders of Government may kindly be issued in the matter at an early date.

It is stated, that the increased maintenances charges from Rs. 660/- to 780/- per annum to each of the ex-service licentiates, undergoing the condensed M.B. course at Calcutta will take effect from 28-8-48 and that the Government of India are prepared to share 50% of the extra-expenditure provided the Provincial Government and the state Governments concerned agree to bear their share of the extra expenditure involved in the payment of the maintenance charges as increased rates in respect of their candidates. So far the Provincial Government are responsible for meeting 50% of the cost of financial aid in respect of 3 candidates of this province who have been admitted in the college for November 1948 session, and the increased rate of maintenance allowance at Rs. 780/- per mensem is applicable to these candidates. As the ~~existing~~ existing rate of maintenance allowance evidently does not seem to be sufficient to meet with the cost of living obtainable at present, I recommend that Government will be pleased to agree to the condition set forth by the Government of India.

Yours faithfully,

Copy of letter:

A copy of the Government of India Ministry of Health letter No. F. 20-25/48-MI dated the 25th August, 1948 is forwarded herewith. Copies of these orders have been forwarded by them, all Provincial Governments and to the Ministry of States for communication to the Governments of Indian States.

The orders contained in the Ministry of Health letter dated the 25th August 1948, take effect from that date and are applicable to all students of the Lake Medical College, Calcutta, provided the Provincial and State Governments concerned agree to bear their share of the extra-expenditure involved in the payment of the 'Board-and-Lodging charges' at increased rates in respect of their candidates. It is presumed that your Provincial/State Government have already taken action to issue necessary orders in respect of students belonging to your Province/State who were deputed by you to the College and that arrangements are being made to pay the Provincial/States Government's share of 50% of the extra expenditure to the Principal of the College through the Accountant-General, West Bengal, for payment to the students. This Directorate

MADRAS LICENTIATES AT LAKE MEDICAL COLLEGE,
CALCUTTA.

In 1947, the Govt. of India forwarded a scheme for giving further education at the Lake Medical College to ex-service licentiates and offered to meet half the cost of the scheme, if the provincial Govt. would agree to meet the other half. According to this scheme candidates from this Province admitted to M.B.B.S. Course at the Lake Medical College, are to be given certain allowances including a maintenance allowance of Rs.660 per annum. After consulting the S.G., this Govt. agreed to the scheme.

2. In March 1948, the S.G. reported that the Principal, Lake Medical College, Calcutta, wanted the maintenance allowance to be increased from Rs.660 per annum or Rs.55 p.m. to Rs.75 p.m., and accordingly recommended the payment of an allowance of Rs.75 per mensem. In G.O.594, Edn., dated 20-3-48, the Govt. accepted this recommendation.

3. The D.P.I. now reports that the Director General of Health Services has objected to maintenance allowance being paid at this increased rate --Rs.900 per annum, or Rs.75/-. The S.G., who was consulted in the matter, recommends that the Govt. of India may be pressed to accept this rate on the ground that they have agreed to this rate in the case of the students of the School of Tropical Medicine, Calcutta.

4. The Govt. of India have agreed to maintenance allowance of Rs.75/- p.m. for students of the School of Tropical Medicine while in the case of the Lake Medical College students they have agreed to a rate of Rs.660 per annum or Rs.55 per mensem. It is not clear why the Govt. of India have adopted these different rates. But whatever be the reasons which impelled the Govt. of India to adopt these rates,

the fact remains that since they are meeting half the cost of training students at the Lake Medical College, they should have been consulted before the Govt. raised the rate of maintenance allowance from Rs.660 per annum (suggested by the Govt. of India) to Rs.900 per annum. Whether the Govt. of India may be addressed now for the approval of the enhanced rate depends on the question whether the Govt. of India will agree to this rate at all. The D.G.H.S. has made it clear at p.3 c.f. that the Govt. of India will not agree. Evidently students from other provinces at the Lake Medical College, are still being paid at the rate of Rs.660 per annum, the rate originally adopted for all. In the circumstances, it is for orders whether the D.P.I. may be asked to revert to the original rate and sanction payment of the allowance to students at that rate. Recoveries if any to be effected from students will not be much since the difference in the two monthly rates is not much, and can be effected by withholding a part of the future payments. If, however, it is considered that the Govt. of India should be addressed for acceptance of the new rate, payments to students which may have become due by now need not be held up on this account. The D.P.I. may be asked to make payments on the basis of the old rate of Rs.55 p.m.

5. The remarks of Finance may be invited.

This may be done as the DGM students are paid Rs. 75 p.m. with 1/2 p.m. affrond.

From the Govt. of India, F.20-25/48 M1 dated 25-4-49

Under the Further Education Scheme for the demobilised personnel sponsored by the Govt. of India, medical licentiates from this Province are admitted in the Lake Medical College, Calcutta for the shortened M.B.B.S. Course. The students are granted certain allowances and concessions including a maintenance allowance of Rs.55 p.m. Half the expenditure on the scheme is met by the Govt. of India. Last year on the recommendations of the S.G. this Govt. increased the maintenance allowance to Rs.75 p.m. or Rs.900 p.a. on account of the increase in the cost of living. The Director-General of Health Services, New Delhi, *objected to* ~~opposed~~ this increase and stated that the Govt. of India *would* ~~will~~ not agree to an increase in the rate approved by them *at* ~~on~~ Rs.600 p.a. Thereupon this Govt. directed the Further Education Board constituted in this Province in connection with the Further Education Scheme to revert back to the old rate of Rs.660 p.a. This Government (P.T.O.)

This Govt. also wrote to the Govt. of India pointing out the need for an enhanced rate of maintenance allowance for the students in the Lake Medical College. The Govt. of India had fixed a maintenance allowance at Rs.75 p.m. in the case of demobilised personnel undergoing the D.T.M. course in the School of Tropical Medicine in Calcutta. The desirability of having a uniform rate of maintenance allowance for the students studying in the various institutions in the same City was also stressed in the letter to the Govt. of India. The Govt. of India have now agreed to increase the rate of maintenance allowance from Rs.660 p.a. to Rs.780 p.a. with effect from 25-8-48. 50% of the cost will be met by the Govt. of India. As the S.G. has already recommended an increase in the rate of maintenance allowance Govt. may agree to sanction the increased rate of Rs.780 p.a. with effect from 25-8-48 to the demobilised medical licentiates from this province studying in the Lake Medical College. The Govt. of India also state that they consider that Rs.780 p.a. is considered adequate for students receiving training at the Lake Medical College, Calcutta. Perhaps this Govt. need not therefore press for the enhanced rate of Rs.900 p.a. as suggested at 'X' on p.2 ante.

Attention is invited to the letter from the Govt. of India at pages 13-15 c.f. The nature and extent of financial concessions proposed to be granted to the demobilised medical personnel from this province who wish to take up the D.P.H. and D.P.H. and Hygiene courses at the All India Institute of Hygiene and Public Health, Calcutta, is set forth therein. The Govt. of India will meet half of the expenditure involved in the proposal. The S.G. has recommended the proposal. No orders were passed on this proposal as the receipt of the Govt. of India's reply to this Govt's letter at p.9 c.f. on the need for a uniform rate of maintenance allowance to students in the various institutions in Calcutta was awaited. The maintenance allowance proposed for the candidates taking

taking up the D.P.H. and D.P.H. and Hygiene course is Rs.780 p.a. Now that the Govt. of India has replied to the letter at p.9 c.f. and has agreed to raise the maintenance allowance of the students in the Lake Medical College also to Rs.780 p.a. this Govt. may agree to the proposal of the Govt. of India at pages 13-15 c. Two draft letters and a draft order are submitted for approval. Finance may see prior to circulation.
