Extract from the note file of G.O. Ms. 1126 Edn. dated 12-4-49 relating to - Special schools for Defective children - Rates of special pay to be allowed to the members of the teaching staff - Fixed.

We are not able to get workers for these schools for defectives which is much more strenuous and difficult than ordinary schools. Unless there is a proper inducement, we will not get workers offering themselves to such schools. In fact when we wanted to start schools last year, we could not do so as we have no trained teachers. In view of this, while the rate proposed for L.Ts. may be reduced to Rs.15, the rate for secondary grade teachers may be Rs.10 and for higher elementary teachers Rs.7-8-0.

Please see the orders in circulation above.

2. The rates of special pay proposed by H.M.(Edn.) and accepted by H.M.(Finance) may be adopted for teachers in the special schools for the blind, and for the deaf and dumb to be newly opened by Govt. in the current year. Four such schools will be opened in the current year including the school for the deaf and dumb to be opened in South Malabar under the sanction accorded last year.

3. In G.O.No.3236 Edn. dated 17-12-48, schools for defective children under private managements have been permitted to adopt the revised scales of pay for teachers of corresponding grades in Elementary and secondary schools under local bodies with effect from 1-1-49. The question of the special pay to be allowed to teachers in the special schools for Defective children under private managements was considered in that connection and Finance suggested that it might wait till orders issue in respect of schools for Defective children under local bodies. Managements of private aided special schools for Defective (7 including the Victory Memorial School for the Blind at Poonamalle which is being managed by Government as Agents of the Board of Governors) may be permitted to adopt the rates of special pay proposed to be fixed for teachers in the special schools for defectives under local bodies for the staff in the special schools under their control.

4. A draft order is submitted below for approval. It may be sent to Finance u.o. for acceptance. Orders in respect of Government special schools for defectives and schools under private managements may be issued separately after the remarks of Finance are obtained on paras 2 and 3 on page 8 ante.

ORDER (MS) NO. 1743 EDN. DATED 26.5.49

The Govt. have considered the question of fixing the rates of special pay to be allowed to the teaching staff in the special schools for the deaf and dumb and for the blind under private managements and have decided that with effect from 1.1.49, they should be allowed, in view of the additional qualifications required and the special nature of the work to be performed, and they have decided that the rates of special pay fixed for teachers of corresponding grade in schools for defective children under the control of local bodies, should be adopted in these schools also, with effect from 1.1.49. The Director is informed that the extra cost to the managements on the adoption of the revised rates of special pay will be treated as an approved item of expenditure for purposes of assessment of grants to those schools. The Director is requested to communicate the orders to the managements of aided schools for defective children.

2. The Director is informed that the rates of special pay specified in para 1 above shall also be adopted for teachers employed in Government schools for defective children, with effect from the date of their
