Sir,

* Sub: Sri A.R. Govindarajalu, Binder, Government Press - Alteration in date of birth - Requested.

ENCLOSURES.....

SPARE COPIES.....

I have to state that Sri A.R. Govindarajalu a permanent binder of this office has applied to me to have his date of birth altered in his Service Book from 1-7-1895 to 1-9-1897. He has produced a copy of the birth certificate from the Sub-Registrar, Ambur, Chittoor District in support of his application.

He was first entertained as a Day Extra Binder on 1-6-1921 and is a permanent binder from 1-8-1921. He states that he is the only son of his father and the Sub-Registrar, Ambur also certifies that no birth was recorded in the name of "Rangam", the applicant's father during the period from 1-7-1895 to 31-8-1897.

The applicant has further stated that he has neither insured his life with any life insurance company nor sat for any Government Examination. Under the circumstances state above, I request that Government may be pleased to alter the date of birth from 1-7-1895 to 1-9-1897 as required under para 6 of Annexure II Part III, Subsidiary Rules under rule 74(a)--IV of Fundamental Rule.

The birth certificate produced by him is enclosed for your perusal.

Re submitted,

- 2) on 8.3.49 the party concerned ~~went~~ came to this office & made a search for the particulars mentioned in the application. No entry was traced out during those years. Even the fact of nil entry was communicated to the applicants.
- 3) Further we are ^(now) authorized to issue a nil Certificate for birth entries when the search proves futile. The word nil will be endorsed on the receipt ^{for} payment of money on the date specified above ^{& (was)}.
- Re: given a cash receipt endorsed as "nil" in case entry is found, then alone a Certificate will be issued ^{also}. In the present case the receipt given in the ^{the} former case will serve the purpose.

The image shows a dark, textured surface, likely the cover or endpaper of an old book. The material has a mottled, fibrous appearance with various shades of dark gray and black. There are several small, light-colored spots and fibers visible throughout the texture. Near the top right corner, there is a faint, hand-drawn circular mark containing two parallel diagonal lines. The left edge of the image shows a slight vertical crease or fold, suggesting it might be part of a bound volume. The overall lighting is somewhat uneven, with a slightly brighter area towards the top.
