dated 22-3-1949.

- (2) Supplemental claims of arrears of increment for the year 1948 in respect of 1377 employees for a period ranging from 8 to 12 months.
- (3) Supplemental claims of difference of overtime allowances for the year 1947 in the case of all the employees for a period ranging from 7 to 12 months.
- (4) Supplemental claims of difference of overtime allowances for the year 1948 for a period ranging from 8 to 12 months.

As the above works cannot be managed with the existing staff, I request that Government may be pleased to sanction the retention of the following temporary staff from 1-4-1949 for a period of 6 months in the first instance subject to continuance if necessary, in case the work is not finished within that time. I may, however, state that this work may take at least a minimum period of one year, as it has been found by experience that the arrear claims alone for pay taken about 9 months.

- 1 Accountant on Rs.140-5-190.
2 U.D. Clerks on Rs.80-125.
2 L.D. Clerks on Rs.45-90.

I also request that a post of Attender on Rs.24-35 may please be sanctioned for the same period who will assist this section in their labours.

Early orders are requested as the employees are now pressing for the payment of increment and overtime allowances due to them. I am continuing the work and the staff in anticipation of Government's sanction.
