Sir,

Roc.D2-9743-DB-49 dated 4-5-49.

Sub:- EDUCATION- Elementary- South Arcot District
Board- Elementary Education Funds - Payment
of salaries of teachers- Early sanction of
Government subsidies- requested.

Ref:- G.O.Ms.No.912, Education, dated 29-3-49

The Elementary Education Fund of this Board opens with a nil balance for 1949-50, according to the review of the Government contained in their above order. The actual opening balance on 1-4-49 will be reported after the cash book and the detailed monthly account are finally closed for 1948-49, before the end of May 1949.

The contribution from General Funds is paid usually at the end of the year. For want of funds under Elementary Education during the past 2 or 3 years contributions were paid in instalments. Similarly, a contribution of Rs 75,000 was adjusted in April 49, to enable disbursement of salaries of Elementary School Masters for March '49. The financial position under General Funds for 1949-50, could not be ascertained now, as March '49 final account has not been completed on account of non-receipt of the schedule of expenditure and Treasury Pass Book from the Divisional Engineer(H) and the Treasury Deputy Collector, South Arcot respectively. The adjustment of further contribution will be made soon after the completion of final account for March '49.

In the above circumstances, I request that, the Government may be pleased to sanction early the recurring Government subsidies due to this District Board for the maintenance of Elementary schools (opened and after 1-4-1921) and the Government subsidy for continuation of compulsory Elementary Education scheme in 1949-50, the equivalent Government contribution in respect of Education cess realised during 1948-49, so as to enable to get over the financial crisis temporarily, and to disburse the salaries of schools masters due for the next few months without delay and hardship to the already suffering teachers.
