Dr. (E.P.H.)

The order under which may be accepted subject to the following remarks:-

The period of sanction for employment of the person is as specified. E.P.H. may kindly do this on the assumption that it will be temporary for a period of one year to begin with from 17.3.49.

As regards the watchmen, it is not clear who appointed them originally and whether it is necessary for this Govt. to sanction for their continuance and, if so, for what period. E.P.H. may be requested to check with the Finance Dept.

The notes of Finance above may be perused. Their suggestion that sanction for the employment of a person may be for a period of one year from 17.3.49 may be accepted.

2. The Spl. Officer states that the watchmen were employed by the Central P.W.D., when they were originally placed in charge of the buildings "Rahmat Baf". The Spl. Officer is since in charge of these buildings as also of "Sea view", another building allotted to the College. As the watchmen ~~do not~~ are paid from contingencies and as they do not form part of any Service, it is necessary that Govt. should accord sanction for their continuance. They may be continued for a period of one year from 17.3.49, as in the case of the previous finance may see again.

26.5.49 / A day watchman and a night watchman were employed when the buildings were vacant and there was no body to look after them. Now that a person is to be appointed

4

there seems to be no need for a day watchman.
it seems sufficient if the night watchman is
continued. A revised draft is being
