I submit the following replies to the Legislative

17. (e):- Yes; but the assumption "which
practically corresponds" occurring
in the later part of the query is
not quite correct with reference
to the last part of Madras Educa-
tional Rules 37.

(f):- This does not arise as the assumption
in (e) above is not quite correct.

Government have lowered the standard
for the candidates seeking selection

ing in secondary schools;

student who passes the 8th Standard
E.S.L.C. examination is admitted into
Form IV on production of his pass cer-
tificate (E.S.L.C.);

Draft answer.

(a) The Govt. have ordered that
(1) candidates who have obtained in
the S.S.L.C. Public Examination
marks qualifying them for public
service and (2) women candidates,
candidates in backward areas and
those belonging to the Muslim commu-
nity and Harijans who had failed in
the S.S.L.C. Examination by not more
than 5 marks in only one subject
other than the Regional Language or
English, might be admitted into the
Secondary Grade Training course.

^{and (g) the Govt. have already sanctioned}
(b). The question of sanctioning
^{higher pay} for the Intermediate trained teachers,
a special pay of Rs. 10/- ~~or one~~ or one
advance increment in the scale of pay
of Rs. 45-2-85 in the case of schools
under local bodies and private agen-
cies and Rs. 45-3-50-2-90 in the case
of Govt. schools, ^{and they have decided} is under ~~consideration~~
~~to be considered~~ ^{is under separate consideration. There}
~~is no proposal to assign a separate~~
~~cadre for them.~~

(c) It is not a fact that a
^{pupil} ~~student~~ who merely passes the 8th
Standard E.S.L.C. Examination is ^{not} ad-
mitted into IV Form on ^{the} production of
his ~~pass~~ certificate (E.S.L.C.). But
there is a provision in Rule 37 of the
Madras Education Rules ^{provides} that ~~only~~ a

^{pupil} who has passed the E.S.L.C. examination with English as an optional subject shall be eligible for admission into Form IV without a further examination.

(d) If so, whether it is a fact that the 8th Standard course is only equivalent to III Form course taught in Middle Schools;

(d). The Government have ^{not} ~~never~~ accepted the position that the ~~English~~ ^{English} standard course of a higher elementary school is equivalent to the III Form course of a Middle School.

(e) whether an ordinary S.S.L.C. trained teacher is qualified to be Headmaster of a Higher Elementary School which practically corresponds to a Middle School;

(e). An S.S.L.C. Trained teacher is qualified to be a Headmaster of a Higher Elementary School. ^A ~~But~~ Higher Elementary School does not ~~practically~~ correspond to ^a ~~the~~ Middle School, since according to rule 37 of the Madras Educational Rules a pupil coming from a Higher Elementary School ~~or after private study~~ shall not be admitted into a class above Form III ~~unless after~~ except he had passed the E.S.L.C. Exam. with English as optional subject. ~~when~~ ⁹ ~~he may be admitted into the Fourth Form.~~ _{Per}

(f). If the answer is in the affirmative, why an Inter-trained teacher more highly qualified and equipped than the S.S.L.C. trained teacher, is not appointed as Headmaster for a Middle school;

(f). ~~This~~ Does not arise as the assumption in (e) above is not quite correct.

(g) Whether the Govt. recognise the passing of Intermediate Examination as a higher qualification over the S.S.L.C.; and if so, whether the Govt. propose to assign a higher cadre, to the fully qualified Inter. trained teachers.

QUESTION No. 17

for the meeting of the Legislative Council

to be held on the

Two copies of this question are forwarded to the E & P H Department.

The question has been admitted.

To
G.O. 3476/48-11-11-12-39
15-6-48

The E & P H. Department

E. & P. H. (C1)

The question on pp.1-3 c.f. is a starred one.

Clause (a):- Attention is invited to the notes on pp.1-2 of G.O.1469 Edn., dated 3-6-1948. The answer to this clause may be as that ^{for clause (a)} on p.1 c.f. of the G.O.

Clauses (b) and (g):- Please see the notes to clause (b) on page 2 n.f. of the G.O. ~~to the answer.~~ There is no proposal under consideration to assign a separate cadre to ^{trained} the Intermediate teachers even though Intermediate examination is higher than the S.S.L.C. examination. The question of sanctioning for them a special pay of Rs.10 or one advance increment in the scale of pay Rs.45-2-85 in the case of schools under local bodies and private agencies and Rs.45-3-60-2-90 in the case of Govt. schools is under consideration

Clauses (c) & (d):- In G.O.No.2338 Edn., dated

16-9-1948, the Govt. have provided in Rule 37 of the M.E.R. that a pupil who has passed the E.S.L.C. examination with English as optional or who, having undergone a course of training in a recognised ^{Advanced} ~~Advanced~~ Sanskrit School, passes the Sanskrit Entrance Examination with English as optional, shall be eligible for admission into Form IV without further examination. The Govt. have never accepted the position that the Eighth Standard course of a higher elementary school is equivalent to the III Form course of a Middle School.

Clause (e):- Please see the papers in Lodged No. 22980-C1/48. Edn., dated 12-6-48. There is no bar to the promotion of S.S.L.C. trained teachers as Headmasters of Elementary schools. The reference in the question is however to higher elementary schools. When higher elementary grade teachers have been made eligible, though on certain conditions, for recruitment as Junior Dy. Inspectors of Schools, there is no reason ^{why} ~~they~~ they cannot become headmasters of higher elementary schools. The D.P.I. may however be consulted on this point.

Clause (f):- This also may be referred to the D.P.I. A draft Memo is submitted. ^{answer will} ~~The draft note may be~~ submitted after the D.P.I.'s reply is received.

I don't think that y above is correct. Only secondary grade trained teachers are eligible for recruitment as Junior Deputy Inspectors. In any case, the reply of the D.P.I. may be awaited.
