(The notes on p.p. 1-2 ante may be perused). The Regis-
 trar, University of Madras, states that the Syndicate is of
 the opinion that representation of Legislatures of the
 Madras Govt. in the Senate of the University is due to
 financial grant given by the Govt., that no grant is
 paid by the Cochin Govt. to the University and that the
 Colleges in the State are entitled to the same rights and
 privileges as the colleges in the Madras Province so far
 as the University is concerned. In the circumstances,
 a copy of the University's letter may be sent to
 the Secretary to Govt. of Cochin ~~in reply to his letter on p. 1 c.f. Subject to orders.~~
 the draft letter below is for approval. May be circulated

 dicate of the Madras University.
 It is not quite clear whether the

 lature and the District Boards and

Dated. 29th. November. '48.

From

THE SECRETARY TO GOVERNMENT OF COCHIN.

The Minister for Education

Sir,

PP3-4

Government consider that the State is legitimately entitled to the right of nominating 2 members from the Legislative Assembly of the State and 2 members from its Municipalities to the Senate. I request you by direction to be kind enough to take necessary steps in this matter. As may be seen from the copy of the letter from the Director of Public Instruction the University has already been approached in this matter.

Yours faithfully,

K. S. Raghavan
Secretary to Government.

Copy of letter dated 22-11-1948 from the Director of Public Instruction.

Membership to the Senate.

According to paras 5 & 6, clause iii - Other Members - pages 132 & 133, University Calendar, Representation of a limited number has been given to the Legislative Council and Legislative Assembly of the Province of Madras and also to the District Boards and Municipalities of the Province.

The Colleges in Cochin are affiliated to the University of Madras and the J.S.L.C. Scheme in the State is also approved by the Madras University.

As such I think it is in the fitness of things, that the Cochin Legislative assembly and Municipalities are also represented in the Senate. Two members elected by the members of the Cochin Legislative Assembly and another two by all the Municipalities in Cochin may be made eligible to be members of the Senate and necessary amendment made in the Statute.

I request that the matter may be considered at the ensuing Senate Meeting and sanction accorded, though late, to move the following as a 'SHORT NOTICE RESOLUTION'.

"Resolved that two members elected by the members of the Cochin Legislative Assembly and two members elected by the Cochin Municipalities, be nominated as members
