FROM

THE REGISTRAR,

University of Madras.

To

The Secretary to Government,
Education and Public Health Department,
Fort St. George,
Madras.

Sir,

I have the honour to address Government in regard to the payments made by the University under the University Fee Fund.

Payments are made by means of cheques drawn on the Reserve Bank of India, Madras, and on the District and Sub-treasuries in the Province. The major portion of the payments relates to expenditure on account of the University Examinations, namely, remuneration and travelling allowance to Examiners, contingent expenses for the examinations at the various Centres, etc. The payment of remuneration to Examiners (including Paper Setters) has to be made immediately after the consolidated statements (showing the remuneration due to all Examiners or Paper Setters) are sanctioned by the Syndicate. The bills from the Examiners for the several subjects are sorted out according to their place of business or residence and cheques are made out on the Reserve Bank or on the treasuries; and in respect of cheques drawn on treasuries full particulars thereof are furnished to the Treasury Officers concerned so as to enable them to make the payments. The number of examinations and the number of candidates for University Examinations have increased in recent years and it takes considerable time to complete the payments under this procedure. With a view to expedite the payments it is proposed to make all payments in connection with the examinations through the Imperial Bank of India, Madras by opening a No.2 Account with the Bank and to place to the credit of this account necessary funds from the Fee Fund by periodical transfer. The Syndicate at its meeting held on the 18th December considered the matter and resolved that the proposal be approved. The Accountant-General, Madras who was addressed in this behalf demi-officially has intimated that the proposal would require the approval of Government under instruction 1 and 3, Chapter IV of Part III of the Madras Treasury Code, Volume I. I have accordingly to request that Government may be pleased to accord sanction to the above proposal.

The draft order ~~maybe~~ ~~accepted~~ ~~agreed to~~.

From the accounts of the University for 1945-6

it is seen that the examination charges for that year ~~was~~ Rs. 4,25,685-15-5 and consequent on the increase in the examination charges in recent years, the average payment under this item will be about Rs. 5 to 6 lakhs ^{per annum} which will be incurred in two instalments viz. in September and March.

Since ~~only a small~~ ^{the} amount is involved ^{is not large} and the transfer to the Imperial Bank of India will be only periodical based on the probable expenditure for the season, the proposal of the University may be accepted.

The draft order may be accepted subject to the additions made in pencil at the end of the draft.
